Chetan Bhagaot is author of one blockbuster book, “One Indian Girl.” The New York times did not call him anything yet, USA detains him in airport every time he visits USA, Bhagaot got fired from an "Investment Bank" and trying to make a living out of writing books, Chetan Bhagaot is currently double timing his two Half Girrfriends Panusha and Ranusha. Please buy his book to support him maintaining his two half girrfriends. Here is one paragraph excerpt from the book “One Indian Girl.”
Sonja is a divorced and attractive Indian girl. She is working as a software engineer in an investment bank, USA. She has money (\$\$\$\$), she can afford sex outside marriage. She also has opinion on everything. She is dating various marriage prospects, will she get her dream guy?

'My daughter Siya was kidnapped. Nine months ago, ' Alia said. The police had given up. They called it a cold case. Even the rest of her family had stopped searching. Alia wouldn't stop looking, though. She wanted to know if I could help her. Hi, I am Keshav Rajpurohit and I am a disappointment to everyone around me. I live with my parents, who keep telling me how I should a) get married, b) focus on my IP5 exams, c) meet more people and d) close my detective agency. But Alia Arora, neighbour and ex-model, wanted my help. And I couldn't take my eyes off her face ... I mean, her case. Welcome to 400 Days. A mystery and romance story like none other. An unputdownable tale of suspense, human relationships, love, friendship, the crazy world we live in and, above all, a mother's determination to never give up. From India's highest-selling author comes a page-turner that will not only keep you glued to the story but also touch you deeply.

WINNER OF THE NOBEL PEACE PRIZE • In this “courageous” (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia’s brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia’s story—as a witness to the Islamic State’s brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

Celebrating the unique fashion sensibility of fearless young women and the spirit of girl power. A generation of girls grew up with Valerie Phillips’s works pinned on their bedroom walls. The self-confessed Panty Pan is famous for capturing the essence of female youth—girls who boldly unravel their individual quirks before the camera, with loads of spark and beautifully unpredictable things going on in their heads. In this personally curated volume, Phillips has selected her best work from her limited-edition, self-published books, as well as images from editorials, advertising, and music albums, featuring It Girls such as Sienna Miller, Daisy Lowe, and Florence Welch. Another Girl Another Planet gives a personal and instinctive view of the girl experience, with honest portraits of young women captured uninhibited in their unique universes. These images celebrate the exploration of personal style, the female spirit, the beauty found in idiosyncrasy, and the fierceness that comes from the weird, crazy, cool day-to-day of being a girl. This empowering volume is sure to inspire the spirit of dreamy, moody, and unfiltered sense of girl power within readers. It will be a treasured collector’s item and serve as indispensable and inspirational style guide for young women.

Girls & Sex - Navigating the Complicated New Landscape

Like a Girl

Orange World

Brother & Sister

A compelling and provocative essay collection that smashes stereotypes and redefines the meaning of the term ‘horse girl,’ broadening it for women of all cultural backgrounds. As a child, horses consumed Halimah Marcus’ imagination. When she wasn’t around horses she was pretending to be one, cantering on two legs, hands poised to hold invisible reins. To her classmates, girls like Halimah were known as ‘horse girls,’ weird and overzealous, absent from the social worlds of their peers. Decades later, when memes about ‘horse girl energy,’ began appearing across social media—Halimah reluctantly recognized herself. The jokes imagine girls as blinkered as carriage ponies, oblivious to the mockery behind their backs. The stereotypical horse girl is also white, thin, rich, and straight, a daughter of privilege. Yet so many riders don’t fit this narrow, damaging ideal, and relate to horses in profound ways that include ambivalence and regret, as well as unbridled passion and devotion. Featuring some of the most striking voices in contemporary literature—including Carmen María Machado, Pulitzer-prize winner Jane Smiley, T Kira Madden, Maggie Shipstead, and Courtney Maum—Horse Girls reframes the iconic bond between girls and horses with the complexity and nuance it deserves. And it showcases powerful emerging voices like Braudie Blais-Billie, on the connection between her Seminole and Quebécois heritage; Sarah Enelow-Snyder, on growing up as a Black barrel racer in central Texas; and Nur Nasreen Ibrahim, on the colonialist influence on horse culture in Pakistan. By turns thought-provoking and personal, Horse Girls reclaims its titular stereotype to ask bold questions about autonomy and desire, privilege and ambition, identity and freedom, and the competing forces of domestication and wildness.

A fresh and funny contemporary YA rom-com about teens working as costumed characters in a local amusement park. "I'm wrecked with love for this funny, joyful, bighearted book." --Becky Albertalli, bestselling author of Simon vs. the Homo Sapiens Agenda
Elouise (Lou) Parker is determined to have the absolute best, most impossibly epic summer of her life. There are just a few things standing in her way:
• She’s landed a job at Magic Castle Playland . . . as a giant dancing hot dog.
• Her crush, the dreamy diving pirate Nick, already has a girlfriend, who is literally the princess of the park. But Lou’s never liked anyone, guy or otherwise, this much before, and now she wants a chance at her own happily ever after.
• Her best friend, Seelye, the carousel operator, has always been up for anything, but she’s decided not to board when it comes to Lou’s quest to set her up with the perfect guy or Lou’s scheme to get close to Nick.
• And it turns out that this will be their last summer at Magic Castle Playland—ever—unless she can find a way to stop it from closing.
Jennifer Dugan’s sparkling debut coming-of-age queer romance stars a princess, a pirate, a hot dog, and a carousel operator who find love—and themselves—in unexpected people and unforgettable places. “Both classic and new, hysterical and heartfelt, and packed with all the awkwardness and awkwardness of first love, first job, and the painful thrill of growing up.” --Mackenzi Lee, bestselling author of The Gentleman’s Guide to Vice and Virtue
Are girls taking over the world? It would appear so, based on magazine covers, news headlines, and popular books touting girls’ academic success. Girls are said to outperform boys in high school exams, university entrance and graduation rates, and professional certification. As a result, many in Western society assume that girls no longer need support. But in spite of the messages of post-feminism and neoliberal individualism that tell girls they can have it all, the reality is far more complicated. Smart Girls investigates how academically successful girls deal with stress, the “supergirl” drive for perfection, race and class issues, and the sexism that is still present in schools. Describing girls’ varied everyday experiences, including negotiations of traditional gender norms, Shauna Pomerantz and Rebecca Raby show how

teachers, administrators, parents, and media commentators can help smart girls thrive while working toward straight As and a bright future. The role of factors outside the province of the physical and biological sciences in the onset of illness has long been a source of speculation. While early efforts in psychosomatic medicine focused on the relationship between mental states and illness, the effects of personal status and social circumstances on physical health are only now receiving the attention they merit. By integrating current theory, methodology, and research, this ground-breaking volume advances the study of life events and disease to a new stage. George Brown and Tirril Harris are ideal editors for such an undertaking. George Brown has long been known for his path-breaking work on intensive clinical assessment and designing measures that capture the real complexity of social situations, assigned meanings, and personal response to crisis. He brought to light the importance of “expressed emotion,” the differential role of life events in schizophrenia and depression, and most recently, produced a seminal work on the social etiology of depression with Tirril Harris. As David Mechanic notes in his Foreword, the defining characteristics of these efforts, which are also reflected in this volume are a “sensitivity to clinical material and capitalizing on serendipity; self-consciousness about methods and methodological advances; and focus on theory with careful efforts to specify intervening processes and the links between macro events and personal meanings.” Along with their collaborators, these eminent editors bring together an impressive range of theoretical thought and empirical study organized around the Life Events and Difficulties Schedule (LEDS). Their examination of the origins of life events and difficulties and the notion of “conveyor belts” to continuing adversity capture the immutable uncertainties of life and help to link concerns with life events and disease to larger issues of human development. The authors’ innovative approach to establishing the relationship between “attitudes” and psychiatric and physical disorders fully utilizes the wealth of data elicited by the LEDS.

And demonstrates how the comprehensiveness of this data matches the sophistication and complexity of the theoretical ideas it serves. Addressing fundamental questions on the whether the specific nature of life events and vulnerability factors differ in different disorders, the authors conclude by providing a perspective on psychodynamic etiology which emphasizes the specificity of crucial links. It integrates social, psychological, and biological factors around the notion that specific types of cognitive-affective experience are linked to specific types of illness. While significantly advancing our understanding of how individuals define and deal with adversity, LIFE EVENTS AND ILLNESS also fosters a greater appreciation of the methodological tools available for examining these processes. For all clinicians, researchers, and students in the behavioral sciences, this timely work not only provides a comprehensive review of the literature and a critical examination of current research models but also points the way for future investigations.

Life Events and Illness

This publication provides evidence-based public health recommendations for children, adolescents, adults and older adults on the amount of physical activity (frequency, intensity and duration) required to offer significant health benefits and mitigate health risks. For the first time, recommendations are provided on the associations between sedentary behaviour and health outcomes, as well as for subpopulations, such as pregnant and postpartum women, and people living with chronic conditions or disability. The guidelines are intended for policy-makers in high-, middle-, and low-income countries in matters of health, education, youth, sport and/or social or family welfare; government officials responsible for developing national, sub regional or municipal plans to increase physical activity and reduce sedentary behaviour in population groups through guidance documents; people working in nongovernmental organizations, the education sector, private sector, research; and healthcare providers.

'I Loved Orange World... a collection of short stories in which demons live in drains, bog women come back from the dead and trees can grow inside the human body' Daisy Johnson, New Statesman BOOK OF THE YEAR 'A rare combination of literary brilliance and unbridled entertainment' Mark Haddon These exuberant, unforgettable stories showcase Karen Russell's comedic and imaginative talent for creating outlandish predicaments that uncannily mirror our inner lives. In 'The Bad Graft', a couple on a road trip stop in Joshua Tree National Park, where the spirit of a giant tree accidentally infects the young woman, their fates becoming permanently entangled. In 'The Prospectors' two opportunistic young women fleeing the Depression strike out for new territory, but find themselves fighting for their lives. In the brilliant and hilarious title story a new mother desperate to ensure her baby's safety strikes a deal with the devil to protect her baby. Stories of survival, love and of surreal and magnificent transformation show Russell writing at exhilarating new heights. Praise for Orange World: 'The worlds of the stories are entirely convincing, small pockets in which it is possible to become lost' Guardian 'One of our most original short story writers... Russell has impeccable command of her form' New York Times Book Review

Mean Girls meets Black Beauty in Horse Girl by celebrated author Currie Seim—a funny and tender middle-grade novel about finding your forever herd. "This book is funny and exciting. Beautifully portrays both the pleasures and risks of riding horses and also of being a teen. Very original, and a great pleasure to read."—Jane Smiley, Pulitzer Prize-winning author Wills is a seventh grader who's head-over-hoof for horses, and beyond excited when she gets the chance to start training at the prestigious Oakwood Riding Academy. But Amara—the Queen of the #HorseGirls—and her posse aren't going to let the certifiably dork-tagious Wills trot her way into their club so easily. Between learning the reins of horse riding, dealing with her Air Force pilot mom being stationed thousands of miles from home, and keeping it together in front of (gasp!) Horse Boys, Wills learns that becoming a part of the #HorseGirl world isn't easy. But with her rescue horse, Clyde, at her side, it sure will be fun. Complete with comedic, original hoof notes to acquaint the less equestrian among us, Horse Girl delivers everything a young readers wants: mean girls, boy problems, and embarrassingly goofy dad jokes. And it does so on the back of a pony.

In six spellbinding stories, Tryan Li, a Hemingway Foundation/PEN Award winner, a MacArthur Fellow, and one of The New Yorker's top 20 fiction writers under 40, gives us exquisite stories in which politics and folklore magnificently illuminate the human condition. A professor introduces her middle-aged son to a favorite student, unaware of the student's true affections. A lifelong bachelor finds kinship with a man wrongly accused of an indiscretion. Six women establish a private investigating agency to battle extramarital affairs in Beijing. Written in lyrical prose and with stunning honesty.

Love, Sex, Romance, and Being You

An eye-opening and previously untold story. Factory Girls is the first look into the everyday lives of the migrant factory population in China. China has 130 million migrant workers—the largest migration in human history. In Factory Girls, Leslie T. Chang, a former correspondent for the Wall Street Journal in Beijing, tells the story of these workers primarily through the lives of two young women, whom she follows over the course of three years as they attempt to rise from the assembly lines of Dongguan, an industrial city in China's Pearl River Delta. As she tracks their lives, Chang paints a never-before-seen picture of migrant life—a world where nearly everyone is under thirty; where you can lose your boyfriend and your friends with the loss of a mobile phone; where a few computer or English lessons can catapult you into a completely different social class. Chang takes us inside a sneaker factory so large that it has its own hospital, movie theater, and fire department; to push karaoke bars that are fronts for prostitution; to makeshift English classes where students shave their heads in monklike devotion and sit day after day in front of machines watching English words flash by; and back to a farming village for the Chinese New Year, revealing the idleness of rural life that drive young girls to leave home in the first place. Throughout this riveting portrait, Chang also interweaves the story of her own family's migrations, within China and to the West, providing historical and personal frames of reference for her investigation. A book of global significance that provides new insight into China, Factory Girls demonstrates how the mass movement from rural villages to cities is remaking individual lives and transforming Chinese society, much as immigration to America's shores remade our own country a century ago.

*"As seen in the sensational TINA documentary" "Astonishing, soul-baring - the must-read memoir by rock's greatest survivor" DAILY MAIL. ""The full, dramatic story of one of the most remarkable women in music history, celebrating Tina Turner's 60th year in the industry"" "Unbearably poignant" THE TIMES, Book of the Week. . . . Love's got everything to do with it. Tina Turner is the Queen of Rock 'n' Roll. A musical icon celebrating her 60th year in the industry. In this dramatic autobiography, she tells the story of a truly remarkable life in the spotlight. From her early years picking cotton in Nutbush, Tennessee to her rise to fame alongside Ike Turner, and finally to her phenomenal success in the 1980s and beyond, Tina candidly examines her personal history, from her darkest hours to her happiest moments and everything in between. In her honest and heart-felt voice, Tina reveals:
· How (love) and a kidney transplant saved her life - and how her new husband made an incredible personal sacrifice
· How she has coped with the tragic suicide of her son
· How ex-husband Ike Turner forced her to go to a brothel on their wedding night... and why she tried to kill herself because of Ike's mistresses
· The Cinderella moment when David Bowie made Tina a star... and the day Mick Jagger ripped her skirt off! AND MUCH MORE Brimming with her trademark blend of strength, energy, heart and soul, My Love Story is a gripping, surprising memoir, as memorable and entertaining as any of her greatest hits. . . . "The book is written with a warm heart and a generous spirit... It is a thoughtful, moving reflection on a life of spectacular achievement" DAILY EXPRESS Turner comes across as courageous, optimistic, big-hearted and generous" SUNDAY TIMES Fascinating, dramatic, surprising" OK! MAGAZINE "An honest, thoughtful and touching reflection on a full and fulfilling life" SUNDAY EXPRESS*

The 1982 blockbuster that took on "one of the most absurd (if universal) myths of our time: that every girl must be married" (The New York Times), Helen Gurley Brown, the iconic editor in chief of Cosmopolitan for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, Sex and the Single Girl offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and confidence that have influenced the lives of so many contemporary American women.

"If you're going to talk about women in the 21st century, you MUST read Peggy Orenstein's Girls & Sex." - CAITLIN MORAN, author of How to Be a Woman "TIME Top 10 non-fiction books of 2016" "Amazon Best Non-fiction of 2016" A generation gap has emerged between parents and their daughters. Mothers and fathers have little idea about the pressures and expectations they face or how they feel about them. Drawing on in-depth interviews with young women and a wide range of psychologists and experts, renowned journalist and bestselling author Peggy Orenstein goes where most others fear to tread, pulling back the curtain on the hidden truths and hard lessons of girls' sex lives in the modern world.

Stillness and the Moving Image

An Ordinary Killing

Gender, Mobility, and Labor in Japan

For Kivrin Engle, preparing an on-site study of one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin - barely of age herself - finds she has become an unlikely angel of hope during one of history's darkest hours. Winner of the Hugo Award 1993 Winner of the Nebula Award 1993 "A tour de force" - New York Times Book Review "Ambitious, finely detailed and compulsively readable" - Locus "It is a book that feels fundamentally true: it is a book to live in" - Washington Post

A fascinating exploration of the role new media technologies play in our experience of film.

Combating fatphobia and racism to reclaim a space for womxn at the intersection of fat and Black To be a womxn living in a body at the intersection of fat and Black is to be on the margins. From concern-trolling--"I just want you to be healthy"--to outright attacks, fat Black bodies that fall outside dominant constructs of beauty and wellness are subjected to healthism, racism, and misogynoir. The spaces carved out by third-wave feminism and the fat liberation movement fail at their inclusivity and intersectionality. fat Black womxn need to create their own safe spaces and community, instead of tirelessly laboring to educate and push back against dominant groups. Structured into three sections--"belonging," "resistance," and "acceptance"--and informed by personal history, community stories, and deep research, Fat Girls in Black Bodies breaks down the myths, stereotypes, tropes, and outright lies we've been sold about race, body size, belonging, and health. Dr. Joy Cox's razor-sharp cultural commentary exposes the racist roots of diet culture, healthism, and the ways we erroneously conflate body size with personal responsibility. She explores how to reclaim space and create belonging in a hostile world, pushing back against tired pressures of "going along just to get along," and dismantles the institutionally ingrained myths about race, size, gender, and worth that deny fat Black womxn their selfhood.

SHORTLISTED FOR THE COSTA FIRST NOVEL AWARD SHORTLISTED FOR THE IRISH BOOK AWARDS NEWCOMER OF THE YEAR SHORTLISTED FOR THE COMEDY WOMEN IN PRINT PRIZE LONGLISTED FOR THE ONDAAATJE PRIZE 'Milkman meets Derry Girls'. I am Kanan Johara, native of Bithar, I am doing PhD on a very important subject “Mating habits of gay chimpanzees in West Africa” at PANU University, the best University in India and possibly the best University in the world. My idols are “Faizal Guru”, “Janaa Kasab Sahib”, “Focus Carat”, “Baba Badkar”, “Zakir Nalayak”, “Gharkha Dutt”, “Dr. Kana Ayyub” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees-monthly to be delivered in cash via post at door step. Till then we are going to fight for azadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, she can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y, etc.

GIRL: Love, Sex, Romance, and Being You is an essential growing-up guide for teen girls with information on gender and identity, dating and romance, relationships, and sex. It gives teen girls practical information that is uncensored, factual, and unbiased, and aims to help readers develop into responsible and informed adults and prepare them for healthy romantic relationships. This book also includes self-reflection questions, media resources lists, illustrations, and diary entries as additional supplemental materials. This book is unique in that it is accessible and nonjudgmental to all who self-identify as a girl.

A Washington Post, Rocky Mountain News, Boston Globe Best Book of the Year Intrigue and subterfuge combine with bad luck and good in this darkly comic debut about love, betrayal, tyranny, family, and a conspiracy trying its damndest to happen. Ali Shigri, Pakistan Air Force pilot and Silent Drill Commander of the Fury Squadron, is on a mission to avenge his father's suspicious death, which the government calls a suicide.Ali's target is none other than General Zia ul-Haq, dictator of Pakistani. Enlisting a rag-tag group of conspirators, including his cologne-bathed roommate, a hush-conscious American lieutenant, and a mango-besotted cour, Ali sets his elaborate plan in motion. There's only one problem: the line of would-be Zia assassins is longer than he could possibly know.

College life can be complicated—challenging, rewarding, downright frustrating—and a lot of fun. Warren University freshman Cassandra “Cassie” Davis is more than up for all of it. Which leaves Cassie facing the dreaded F-word... Fraternity—specifically Delta Tau Chi, a frat house on the verge of being banned from the school. Accused of offensive, sexist behavior, they have one year to clean up their act. With one shot at a scholarship to the school of her dreams, Cassie pitches an unusual research project—to pledge Delta Tau Chi, take on the boys’ club and provide proof of their misogynistic behavior. It’s different, but it’s not against the rules, and she’s pretty sure she knows exactly what to expect once she gets there. Which means the DTC brothers will have to face the dreaded F-word... Feminist—the type of girl who thinks they’re nothing but tank-top-wearing “bros” and is determined to see them booted from the school. But Cassie soon realizes things aren’t as simple as they appeared. Some of the DTC brothers, including her fellow pledge, Jordan Louis, are much more than she ever expected to find in a frat house. With her academic future on the line, and her heart all tangled in a web of her own making, Cassie will ultimately have to define for herself what the F-word is all about. “Refreshingly honest and intelligently written.” —New York Times and USA TODAY bestseller Julie Cross “[This] sweet, subversive deconstruction of frats and feminism...will have readers sighing and snorting at Cassie’s adventure into fraternity life and finding her own truth.” —Christa Desir, award-winning author of Bleed Like Me and Other Broken Things

The Most Effective SAT Strategies Ever Published

The New York Times Bestseller Peggy Orenstein broke ground with her bestselling Girls & Sex, exploring young women's right to pleasure and agency in sexual encounters. Now she turns her focus to boys with an examination of how young men are navigating sexual culture in these changing times - and what we need to do help them. Drawing on comprehensive interviews with young men, psychologists and experts in the field, Boys & Sex dissects "locker room talk"; pornography as the new sex education; the role of empathy; boys' understanding of hookup culture and consent; and their experience as both perpetrators and victims of sexual assault. By presenting young men's experience in all its complexity, Orenstein unravels the hidden truths, hard lessons and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

In addition to examining the effective training on every aspect of the SAT, the SAT Black Book gives you detailed, systematic, easy-to-follow walkthroughs for every question in 4 of the College Board's official SAT Practice Tests. The Black Book is a must-have in your SAT preparation, whether you need to make a perfect 1600 to be competitive at an Ivy, score a 450 in each section to claim a sports scholarship, or anything in between. . . .Publisher

This spirited and engaging multidisciplinary volume pins its focus on the lived experiences and cultural depictions of women's mobility and labor in Japan. The theme of "modern girls" continues to offer a captivating window into the changes that women's roles have undergone during the course of the last century. Here we encounter Japanese women inhabiting the most modern of spaces, in newly created professions, moving upward and outward, claiming the public life as their own: shop girls, elevator girls, dance hall dancers, tour bus guides, airline stewardesses, international beauty queens, overseas teachers, corporate soccer players, and even female members of the Self-Defense Forces. Directly linking gender, mobility, and labor in 20th and 21st century Japan, this collection brings to life the ways in which these modern girls—historically and contemporaneously—have influenced social roles, patterns of daily life, and Japan's global image. It is an ideal guidebook for students, scholars, and general readers alike.

NEW YORK TIMES BESTSELLER When they were kids in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions. But as they grew up, 20th became troubled, then reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn't hold on to full-time work—his life a world away from his sister's, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, paths to confront the difficult question of why and how Randy ended up living his life on "the other side of normal." In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it Randy's own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart.

I Am the Messenger

From the author of *The Book Thief* comes this darkly funny and ultimately uplifting thriller which proves that anyone can be extraordinary. Ed Kennedy is just your less-than-average Joe who is hopelessly in love with his best friend, Audrey. But after he single-handedly manages to catch a bank robber, he receives a playing card in the mail: the Ace of Diamonds. This is the first message. Four more will follow. But before this particular card game can end, Ed will be changed forever . . . Will Audrey love the man he has become?

On a dusty street in the city of Mumbai, a girl encounters a plant and befriends it. Together they seek the answers to the ideal city and find their way to a garden. What is it that they find in the garden? How will they trace the journey of the complexity of urban development issues and the environmental paradoxes involved? Let's find out.

Haunting ... lingers in the mind long after the final page is turned' Sunday Times 'A compelling whodunnit ... Devastating' Financial Times 'Transfixing' New York Times 'A powerful, unflinching account of misogyny, female shame and the notion of honour' Observer _____ A masterly and agenda-setting inquest into how the deaths of two teenage girls shone a light into the darkest corners of a nation Katra Sadatganj. A tiny village in western Uttar Pradesh. A community bounded by tradition and custom; where young women are watched closely, and know what is expected of them. It was an ordinary night when two girls, Padma and Lalli, went missing.

The next day, their bodies were found – hanging in the orchard, their clothes muddled. In the ensuing months, the investigation into their deaths would implode everything that their small community held to be true, and instigated a national conversation about sex, honour and violence. The Good Girls returns to the scene of Padma and Lalli's short lives and shocking deaths, daring to ask: what is the human cost of shame?

Discusses the basics of drawing, explains how to handle colored pencils, and offers advice on making pencil drawings of landscapes, people, and animals

Big Girl, Small Town

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--
