Since their mother's death, Carter and Sadie have become near-strangers. While Sadie has lived with her grandparents in London, Carter has traveled the world with their father, the famed Egyptologist Julius Kane. One night, Dr. Kane brings the siblings together to the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes them to oblivion and forces the children to flee for their lives. Soon, Sadie and Carter discover that all the gods of Egypt are waking, and that Set now has his sights on them.
