In this book we define the best driving routes around Scotland for camper vans and motorhomes. We show you the coolest places to stay, what to see, what to do and explain why it's special. We meander around the highlands, lowlands and islands of Scotland on the most breathtaking roads, chugging up mountain passes and pootling along the coast. We show you stuff that's fun, often free. We include the best drives for different kinds of drivers; for surfers, wildlife watchers, climbers and walkers. We include the steepest, the bendiest, those with the most interesting bridges or views or obstacles, ferries and tidal causeways. And you don't even have to own a camper van or motorhome – we'll tell you the many places you can rent one to take you on the journey. All of this is
