

Secret Of Bhagavad Gita

This precise and very revealing translation and commentary, exposes the kriya yoga techniques taught by Lord Krishna to Arjuna. This was inspired by Babaji Mahayogin, who uses a sunlight body and who imparted this information into the mind of the writer by mystic transfer. Kriya yoga techniques are secretive but in contrast, Lord Krishna divulged it openly to Arjuna. This volume shows this. It may free a reader from ineffective kriya techniques. For practicing yogis, it would confirm valid kriyas and show new approaches. This commentary expresses the ideas of Sri Babaji, the master kriyā yogin who can be reached in the astral world in a sunlight body in the dimension known as Siddhaloka. This was inspired to the writer by him. Kriyā yoga which was defined by Sri Patañjali, is divulged freely in the Gītā. The practice with its secretive techniques which are only known to a few persons and their confidential disciples, is fully sketched by Lord Krishna. Undoubtedly one requires instruction from an expert, but the instructor does not have to be physically present. And most of all, the outline of the practice is given freely in the Bhagavad-Gītā by none other than Śrī Krishna, the ultimate yogin.

Commentary on 'The Bhagavad Geeta' by Swami Mukundananda
The scripture of the Bhagavad Gita was given by God's incarnation Sri Krishna to humanity more than 5,000 years ago. The profound teachings of the Holy book are as relevant in today's world as it was in the hoary past. The teaching of the Song of God, in the form of the Bhagavad Gita, has been acknowledged all over the world as a lofty scripture. The Holy book has been translated into all major languages of the world, for the benefit of humanity. For thousands of years, the Bhagavad Gita has inspired millions of readers.

The Bhagavad-Gita

Bhagavad Gita for Dummies

Swami Rama's translation and commentary on one of the world's most sacred and inspiring scriptures.

Bhagavad Gita is one of the world oldest and most influential spiritual text. It is in the form of a dialogue between prince Arjuna and Krishna, on the great battlefield of Kurukshetra. Arjuna is filled with despair about the violence and death the imminent war will cause and is also grappling with other moral dilemmas. The Krishna-Arjuna dialogues cover a broad range of topics, touching upon ethical concerns and philosophical issues that go far beyond the war that is about to take place. In this beautifully illustrated book, Neema Majmudar, Nandini Mirani and Saloni Jhaveri give us profound insights into the teachings of Lord Krishna by translating, analysing and explaining forty five key verses of the Gita especially chosen for their logic, wisdom and practicality. 'Finding Meaning in Life with the Bhagavad Gita' will enable us to address the larger challenges in life that we have little control over, such as pandemics, wars, and economic crisis, as well as concerns which are unique to each one of us-- the search for meaning in our daily existence, success in our careers, happiness in our personal lives, and also our longing for personal fulfillment. Neema Majmudar has a Master's degree in International Affairs from the School of International and Public Affairs (SIPA), Columbia University, New York. She has studied the Upanishads, Bhagavad Gita and Sanskrit with Swami Dayananda Saraswati, a great Vedanta scholar and visionary. She worked for almost twenty years at the United Nations before becoming a full time teacher of Vedanta and the Gita. Neema and her husband, Surya Tahora, conduct regular workshops and retreats on Vedanta. Nandini Mirani has an MBA in finance from Boston University. She serves as an active trustee of the non-profit Muljibhai Patel Urological Hospital (MPUH), Gujarat, India. Saloni Jhaveri has an AB in economics from Barnard College. She co-founded and ran a software company for twenty two years. She has been involved with the Times Litfest as a curator for children's events.

The Bhagavad-Gita is the main source-book on yoga and a concise summary of India's Vedic wisdom. Yet remarkably, the setting for this best-known classic of spiritual literature is an ancient Indian battlefield. At the last moment before entering battle, the great warrior Arjuna begins to wonder about the real meaning of his life. Why should he fight against his friends and relatives? Why does he exist? Where is he going after death? In the Bhagavad-Gita, Lord Krsna, Arjuna's friend and spiritual master, brings His disciple from perplexity to spiritual enlightenment. In the course of doing so, Krsna concisely but definitively explains transcendental knowledge; karma-yoga, jnana-yoga, dhyana-yoga, and bhakti-yoga; knowledge of the Absolute; devotional service; the three modes of material

nature; the divine and demoniac natures; and much more. Bhagavad-Gita As It Is is the largest-selling, most widely used edition of the Gita in the world.

Mitesh Khatri is an internationally trusted leadership trainer, motivational speaker and national bestselling author of *Awaken the Leader In You*. He founded Guiding Light Consultants with his wife and co-author Indu Khatri. Indu Khatri is a bestselling author and principal content designer for Guiding Light's corporate training programs and executive coaching.

The Bhagavadgita is an epochal classic of Indian spirituality and universally acknowledged as one of the great books of world literature. Written as a part of the great epic Mahabharata, this intensely spiritual work is also a masterpiece of Sanskrit poetry. The theme of the Gita is the war within, the struggle for self-mastery that every human being must wage, to live a life that is meaningful, fulfilling and worthwhile. It has been translated into every major language of the world — French, Italian, Greek, Spanish, German, Japanese, Russian — and into English by several formidable scholars. Of all the English renderings of The Bhagavadgita, P. Lal's version fully preserves the dignity and grace of the original; it performs the exceptional feat of keeping the Gita fully alive in a western language. Shorn of scholarly verbosity and sophisticated interpretations, this is a devoted work of literary beauty with moral and spiritual worth which readers will find deeply moving.

The heart of this book is a dramatic love poem, the Rasa Lila, which is the ultimate focal point of one of the most treasured Sanskrit texts of India, the Bhagavata Purana. Judged a literary masterpiece by Indian and Western scholars alike, this work of poetic genius and soaring religious vision is one of the world's greatest sacred love stories and, as Graham Schweig clearly demonstrates, should be regarded as India's Song of Songs. The story presents the supreme deity as the youthful and amorous cowherd, Krishna, who joins his beloved maidens in an enchanting and celebratory "dance of divine love." Schweig introduces this work of exquisite poetry and profound theology to the Western world in the form of a luminous translation and erudite scholarly treatment. His book explores the historical context and literary genre of the work and elucidates the aesthetic and emotional richness of the composition, highlighting poignant details of this drama of divine love. Schweig illuminates the religious dimensions and ethical nuances of the drama, drawing widely from the commentaries and esoteric vision of the masters of the Caitanya school of Vaishnavism, a prominent devotional Hindu tradition.

Themes such as transcendence of death through love, the yoga of devotion, the contrast between worldly love and passionate love for God, and the dialectical tension between ethical boundaries and boundless love are presented. The final event of the Rasa dance, the author concludes, presents a dynamic symbol of supreme love that provides the basis for a theological vision of genuine religious pluralism.

The Bhagavadgita

The Secret of Bhagavad Gita

Word of God Bhagavad Gita

The Bhagavad Gita is often regarded as the Bible of India. With a gripping story and deeply compelling message, it is unquestionably one of the most popular sacred texts of Asia and, along with the Bible and the Qur'an, one of the most important holy scriptures in the world. Part of an ancient Hindu epic poem, the dialogue of the Bhagavad Gita takes place on a battlefield, where a war for the possession of a North Indian kingdom is about to ensue between two noble families related by blood. The epic's hero, young Prince Arjuna, is torn between his duty as a warrior and his revulsion at the thought of his brothers and cousins killing each other over control of the realm. Frozen by this ethical dilemma, he debates the big questions of life and death with the supreme Hindu deity Krishna, cleverly disguised as his charioteer. By the end of the story, Eastern beliefs about mortality and reincarnation, the vision and practice of yoga, the Indian social order and its responsibilities, family loyalty, spiritual knowledge, and the loftiest pursuits of the human heart are explored in depth. Explaining the very purpose of life and existence, this classic has stood the test of twenty-three centuries. It is presented here in a thoroughly accurate, illuminating, and beautiful translation that is sure to become the standard for our day.

A verse-by-verse examination of Arjuna's soma experience and Krishna's psychedelic guidance in the Bhagavad Gita • Explains how the Bhagavad Gita provides complete guidelines for the spiritual use of entheogens--from prior mental preparations to the integration of profound visionary insights into everyday consciousness • Examines Chapter XI of the Gita in detail to illuminate Arjuna's hallucinogenic experience and expose Krishna as the ultimate psychedelic guide • Shows psychedelic experience to be an essential and ancient part of the path to spiritual transformation Known as a text of liberation and enlightenment and praised not only by Indians but also by prominent modern thinkers such as Aldous Huxley and Albert Einstein, the Bhagavad Gita is one of the most commented-upon books of all time, yet one aspect has never before been examined: Arjuna's psychedelic soma experience with his guru Krishna. Drawing upon his many years as a student of Nitya Chaitanya Yati, whose teacher was Gita scholar Nataraja Guru, preeminent disciple of Narayana Guru, Scott Teitsworth explains how the Bhagavad Gita, through the story of the hero Arjuna and his guru Krishna, provides complete guidelines for the spiritual use of entheogens, from prior mental preparations to the integration of

profound visionary insights into everyday consciousness. Examining Chapter XI of the Bhagavad Gita verse by verse, he illuminates Arjuna's complex revelatory experience and exposes Krishna's role as the ultimate spiritual guide--facets of the Gita evident to anyone with psychedelic experience yet long suppressed in favor of paths to enlightenment through service or meditation. He shows that psychedelics are indeed "gateway drugs" in that they stimulate open exploration of the mind and the meaning of life. Uncovering new depths to this revered manual of spiritual instruction, Teitsworth reveals psychedelic experience to be an essential and ancient path to ignite realization in the prepared student, turn theory into direct experience, and bring the written teachings to life. Features/Benefits: * Includes free downloadable audio of original lectures. * Bhagavad Gita means The Song of God. It is a 700-verse Hindu scripture from the epic Mahabharata. * This is one of the most important of all Hindu scriptures. * This translation, as seen through the lenses of Kashmir Shaivism by the great Master Swami Lakshmanjoo, teaches that we ourselves are warriors in a great battle for liberation. This treasure of knowledge was one of the last works by Swami Lakshmanjoo. He said, "It was a new revelation of the supreme secrets, hidden in the Kashmiri recension of the Bhagavad Gita." Based on Abhinavagupta's commentary of the Gitarthasamgraha, "The Essence of the Gita", Swamiji declared that, "this revelation was initiated by his direct experience of the state of Universal God Consciousness. Here Swamiji reveals the unique and liberating teaching of Kashmir Shaivism which proclaims; "Freedom from all our miseries, as Abhinavagupta boldly declares, can neither be obtained through renunciation of the world, nor by hatred of the world, but by experiencing the presence of God everywhere." At last, the secret and profound meaning of the Bhagavad Gita "The Lord's Song" is being made available for the spiritual illumination of all humankind.

Gita in 18 days

The Bhagavad Gita/The Dhammapada/The Upanishads

These classic teachings comprise the most important and universal texts from the Indian wisdom tradition. They pose the fundamental questions of life pondered throughout the ages: Who am I? What happens when I die? What is the purpose of my life? Each text offers compelling answers, reflecting the style and personality of their Vedic and Buddhist authors. Eknath Easwaran's lyrical translations and engaging explanations of key concepts ensure that the texts are as relevant today as they were centuries ago.

VEDA explores the secrets of spirituality found in the ancient writings of the East. Probing into topics such as the soul, karma, reincarnation, and meditation, this book will help awaken within you the spiritual insights great teachers have spoken of for thousands of years. What lies beyond death, and what would you do if you had only a few days left to live? Despite an abundance of comforts and conveniences, why do many still feel dissatisfied, empty, and lacking in purpose? Are day-to-day occurrences predestined, or is life an interplay of fate and free will? In this book, His Divine Grace A. C. Bhaktivedanta Swami Prabhupada and his followers address the most crucial questions of our existence.

Srimad Bhagavad-gita

Swami B.R. Sridhar reveals the hidden treasure of Srimad Bhagavad-gita; spontaneous love and devotion to the sweet Lord Sri Krishna is supreme. His commentary on the four principal verses of Bhagavad-gita (chatuh-sloki 10:8-11) is unprecedented, and gives us glimpses of the author's deep devotional realizations. Following the line of Sri Chaitanya Mahaprabhu, this edition is based on the commentaries of the exalted Gaudiya Vaishnava teachers.

Much of the most interesting work in philosophy today is metaphysical in character. Oxford Studies in Metaphysics is a forum for the best new work in this flourishing field. OSM offers a broad view of the subject, featuring not only the traditionally central topics such as existence, identity, modality, time, and causation, but also the rich clusters of metaphysical questions in neighbouring fields, such as philosophy of mind and philosophy of science. Besides independent essays, volumes will often contain a critical essay on a recent book, or a symposium that allows participants to respond to one another's criticisms and questions. Anyone who wants to know what's happening in metaphysics can start here. "The words of Lord Krishna to Arjuna in the Bhagavad Gita," writes Paramahansa Yogananda, "are at once a profound scripture the science of Yoga, union with God, and a textbook for everyday living." The Bhagavad Gita has been revered by truth seekers of both the East...

Work and Its Secret

The Bhagavad Gita as Psychedelic Guide

Secret recipe to achieve the purpose of life

Secrets from the East

Bhagavad Gita

The Royal Secret

Srimad Bhagavadgita (A Vedanta Text) Upanisads are called Vedanta and the synthesis of its concepts is discussed in 'Brahma Sutra' by the great sage Vedvyas. The knowledge of the fundamental entities, as is propounded in the Upanisads, related to the Absolute (Brahma, Pure Self) is included in Srimad Bhagavadgita (Gita), the dialogue between Lord Srikrnsna and the mighty-armed Arjuna. That is why the Gita Text is also called a Vedanta Text. Although from the beginning to the end in the text the Blessed Lord Srikrnsna

has given the sermons of carrying out one's duty inspired by one's own inborn nature, but to understand the entire teachings of the Lord the study of the complete text is essential. This is a unique text of metaphysics (the science of reality) and ethics (the art of union with the reality) by which, following the scriptural method of listening, analytical reasoning and firm meditation, a person gets spiritual happiness. Many enlightened sages and learned authors have written commentaries on Gita which are very valuable from the point of view of Religion and Philosophy. In the present text, taking help of the few of these, effort is being made to present the subject matter in a different form. Based on personal experience the following five points are taken into consideration. First, a suitable title is given to each Sloka (verse) so that essentials of the subject matter are known in a short time from the contents of the text. Second, looking to the need of a large number of devotees who have no in-depth knowledge of Sanskrit and its pronunciation, each Sloka is also given in the roman script. Third, the meaning of each Sanskrit word is explained in Hindi in such a way that entire meaning of the Sloka is easily understood and remembered. Fourth, keeping in view the pattern of present education and interest of young students, the meaning of each Sloka is also given in English along with Hindi. Fifth and the last point is about the short explanation of each Sloka. The thoughts of any one tradition in vogue are not fully incorporated but partly taken into consideration, which are essential to understand the in-depth meaning of the teachings and the rest is left to learned reader for his/her interpretations. It is advised to study the known standard texts for detailed explanations.

Swami Lakshman Jee is the last living Master of the oral tradition in Kashmir Shaivism. This exposition of the non-dual philosophy with practical applications is his first book in English. The tantric teachings are hidden in a language of allusion and symbol. Swamiji offers the skeleton key of the oral tradition that allows access to the secrets. The intent is to preserve the tradition and to make it available. The emphasis is on practical realization of Truth through the experiences of Kundalini Yoga. The author contrasts this realization with the concepts of liberation taught by other schools of Indian philosophy,

especially Advaita Vedanta. Kashmir Shaivism experiences the world as real and true--as real and true as the existence of God. Liberation is the unbroken awareness of this universe as one's own transcendental Consciousness. It is a blissful realization.

A fresh, strikingly immediate and elegant verse translation of the classic, with an introduction and helpful guides to each section, by the rising American poet. Born in the United States into a secularized Hindu family, Amit Majmudar puzzled over the many religious traditions on offer, and found that the Bhagavad Gita had much to teach him with its "song of multiplicities." Chief among them is that "its own assertions aren't as important as the relationships between its characters . . . The Gita imagined a relationship in which the soul and God are equals"; it is, he believes, "the greatest poem of friendship . . . in any language." His verse translation captures the many tones and strategies Krishna uses with Arjuna--strict and berating, detached and philosophical, tender and personable. "Listening guides" to each section follow the main text, and expand in accessible terms on the text and what is happening between the lines. Godsong is an instant classic in the field, from a poet of skill, fine intellect, and--perhaps most important--devotion.

Perennial Psychology of the Bhagavad Gita

Krishna in the Sky with Diamonds

The Bhagavad Gita

'The Gita Way' is an irreligious take on the tenets of the Bhagavad Gita. Without delving into either mythological or God-centric discourse, the book attempts to understand and explain various insights from the Gita through, in the author's words, derived theory and application. 'The Gita Way' attempts to shed light on matters of self-realisation, and identifying and following the path to achieve the purpose of life. Within the framework of Vedic philosophy represented by Gita, this book explores: • How to discover the swa-bhava, the inherent natural strength of our real-self? • Is my profession aligned with my swa-bhava? What is my purpose of life? • What is the real meaning of moksha, the liberation? How the realization of individual purpose leads us to attain supreme purpose we are born to achieve. • How yoga of knowledge, karma and devotion is

applied to realise self, stay on the path of the goal and attain the real purpose? Unlike other books on Bhagavad Gita, 'The Gita Way' is not a chapter wise discourse. Instead it presents deduced concepts in first place supported with relevant reference from the whole Gita. For example, in the first chapter of this book, you may get a reference of last chapter of Gita relevant to the topic of discussion. Few thought provoking quotes from the book: "Whether we are believers or non-believers, one thing is evident: that we exist. There is no disparity in the intensity of our existence, no matter who we are. I exist, and the significance of my existence is second to none." "Lack of knowledge is ignorance which creates fear." "All of us have one thing common in our respective goals: to reach the peak in whatever profession we choose. The difference is in the clarity of the goal, whether it is known or yet to be known, whether it is in dreams or in action." "Even a failure can point you in the right direction to re-approach your goal, but this is possible only if you accept failure with a stable mind." "The consciousness of self, with self-respect, drives a larger purpose. The consciousness of self, with an inflated ego, creates an illusion in the purpose of life." "Wealth is the reward of having achieved a goal; it is not the goal in itself. Even if we follow the path that is travelled by the person who has acquired wealth, we end up following his goals rather than our own." "The state of indecisiveness comes when our knowledge and intellect fail to differentiate between two choices." "There is no limit to knowledge. If we have a real quest, the whole universe is too small to explore in a lifetime. The yoga of knowledge is making knowledge work for us." "Each one of us has something unique in us. All we need is to identify that." "Joy comes from small things on the path to achieving the big purpose. This could be in the form of an accomplishment, an idea, love, a relationship, or even professional success." (The Gita Way by Shweta Chandra, Santosh Srivastava, 9789380914879) Offers a series of reflections on the major themes of the classic Hindu text, translating the ancient teachings into principles for contemporary Western life and making its wisdom relevant to modern life.

This translation stands out from the many others first of all in its careful faithfulness to the original language, but also for the extensive tools for understanding it provides. It is accompanied by detailed explanatory notes, as well as by the entire Sanskrit text on facing pages--both in the original Devanagiri alphabet and in a romanized version that allows the reader to approximate the sounds of this work (a pronunciation guide is also provided). Also included is a literal, word-for-

word translation for comparison; extensive material on the background, symbolism, and influence of the Gita; and an exhaustive glossary of terms.

Bhagavad Gita for Modern Times

Dance of Divine Love

A Verse Translation of the Bhagavad-Gita, with Commentary

Srimad Bhagavadgita

BHAGAVAD GITA CHAPTER 09

Kriya Yoga Bhagavad Gita

Gita in 18 days is a collection of synopsis derived from the eighteen chapters of the greatest philosophy told to mankind by Shri Krishna in The Bhagwat Gita. When I was in troubled waters, The Bhagavad Gita showed me a clear path to a content and disciplined lifestyle. I want to spread the same message to others who are seeking answers and have begun their journey of self-realization. It is said that one will find all answers to questions in the Gita. The Bhagavad Gita is a lifestyle guide for a happy and content life. The book attempts to simplify the teachings in the Gita for a quicker understanding and implementation of the same in our day-to-day lives. An interlinear edition of the spiritual classic that provides devanagari, transliterated Sanskrit, and English versions of the Gītā.

From the pen that brought us Am I a Hindu?, which received rave reviews from magazines and newspapers all over the world, another captivating, thought-provoking, and inspiring best seller. For the very first time, the most amazing secrets of the Bhagavad Gita are discussed in a lively dialogue between a grandfather and his American-born grandson. Lord Krishna never judges or orders anyone to behave a certain way in the Bhagavad Gita. He only shows us the pros and cons of every issue and leaves to each of us the question of whether to follow his teachings or not. He did not even influence Arjuna's free will, and throughout the Bhagavad Gita, you will not come across even one line starting with "Thou shalt not."
