Endorsed by City and Guilds for use with The Certificate for IT Users Level 1 (part of the City & Guilds e-Quals suite). The qualification consists of a core unit (IT principles) that is compulsory and externally tested, plus seven additional units. Students must take three units in all to gain a Level 1 Certificate but can be certified for individual units. Practice assignments at the end of each unit are based on City & Guilds specifications.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Proceedings of the City Commission

The series Studies in Language Change presents empirically based research that extends knowledge about historical relations among the world's languages without restriction to any particular language family or region. While not devoted explicitly to theoretical explanations, the series hopes to contribute to the advancement in understandings of language change as well as adding to the store of well-analysed historical-comparative data on the world's languages. To discuss your book idea or submit a proposal, please contact Birgit Sievert.
