This book shows you HOW TO DO Japanese Rope Bondage. Rope bondage has been practised in Japan since ancient times and is becoming more popular in the rest of the world. This book sets out to show how you can tie your partner in the way it is taught by a Japanese mistress, Miumi-U. The book starts with the basic ties and goes on to use them in more sophisticated play sessions. Miumi-U prepared these lessons with Kao, her bondage partner, who has performed with her many times in Tokyo Shibari clubs. You will learn to: Make single and double column ties Make quick release versions Tie a chest harness, with and without crossovers Tie legs in different ways Dress your model in a Japanese crotch cloth Combine the various ties Play with your model Suspend your model and play with hot wax

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, Playing Well With Others is the first book that explains kink \*culture\* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to: • Examine your own motivations, needs, wants and desires • Ease your way into established communities • Understand etiquette in different adventurous sex communities • Familiarize yourself with the many types of events available to you • Care for your relationships as you explore new territory • Negotiate for play and aftercare • Go back to the "world at large" without ruffling feathers • ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. Playing Well With Others is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

**SHIBARI ROPE AND SHIBARI BONDAGE FOR BEGINNERS** The Essential Guide on the Art of Shibari; Japanese Rope Bondage and Erotic Rope Tying Art Modern Shibari has its origins in Hojōjutsu, a martial art that involves tying a person, usually a prisoner, with rope. Practiced for centuries, it took a turn toward the erotic in the late 19th, early 20th century. The way the term is commonly used is to describe a form of rope bondage with Japanese origins that emphasizes form and aesthetics as well as function. See more about this by clicking and buy now

***Welcome to the beginners guide to Shibari. In this book you will learn about what it takes to safely and confidently perform the Japanese art of Shibari otherwise known as bondage. The secret here is that not all bondage is sexual in nature. While it is obviously associated with that as well, it is also independently considered an art form and is practiced by very serious artists. The main difference is being in the word chosen to describe it. The word Shibari in Japanese is specific to the act of tying, or binding. Whereas Kinbaku is the more sexual side of it, the word associated the BDSM and sex games side of things. If you are referring to a beautiful artistic display that, while erotic, is limited to an artist's interpretation and not a sex act then you would be speaking of Shibari.
