Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me.

However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

The Soprano's Last Song

Oxford Exam Excellence

Outstanding Academic Title for 2007, Choice Magazine In this engaging and reflective essay, Jerry Griswold examines the unique qualities of childhood experience and their reappearance as frequent themes in children's literature. Surveying dozens of classic and popular works for the young—from Heidi and The Wizard of Oz to Beatrix Potter and Harry Potter—Griswold demonstrates how great children's writers succeed because of their uncanny ability to remember what it feels like to be a kid: playing under tables, shivering in bed on a scary night, arranging miniature worlds with toys, zooming around as caped superheroes, listening to dolls talk. No softheaded discussion of kids' "cute" convictions nor a developmentally-focused critique of their "immature" beliefs, Feeling Like a Kid boldly and honestly identifies the ways in which the young think and see the world in a manner different from that of adults. Written by a leading scholar, prize-winning author, and frequent contributor to the Los Angeles Times, this extensively illustrated book will

fascinate general readers as well as all those who study childhood and children's literature.

Thinking Like an Engineer:an Active Learning Approach

"I have to be honest with you. Islam is on very thin ice with me.... Through our screaming self-pity and our conspicuous silences, we Muslims are conspiring against ourselves. We're in crisis and we're dragging the rest of the world with us. If ever there was a moment for an Islamic reformation, it's now. For the love of God, what are we doing about it?" In this open letter, Irshad Manji unearths the troubling cornerstones of mainstream Islam today: tribal insularity, deep-seated anti-Semitism, and an uncritical acceptance of the Koran as the final, and therefore superior, manifesto of God's will. But her message is ultimately positive. She offers a practical vision of how Islam can undergo a reformation that empowers women, promotes respect for religious minorities, and fosters a competition of ideas. Her vision revives "ijtihad," Islam's lost tradition of independent thinking. In that spirit, Irshad has a refreshing challenge for both Muslims and non-Muslims: Don't silence yourselves. Ask questions---out loud. The Trouble with Islam Today is a clarion call for a fatwa-free future.

Starting from David's response to Nathan in 2 Sam 12 as a model of the character as reader, this book employs an original synthesis of literary, linguistic and psychoanalytic theory to account for the impact of the biblical texts on its readers.

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and

French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this book and why you need it. 1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. 2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages. 3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in

international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at homewherever you go, whether as a tourist or businessman.4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer's.5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.
