This book is for all children who love spending time with their loved ones. In addition, caring elders will be happy to discover and feel some of life's values, as exemplified in this story. The hero of this story cares so much for the street animals, particularly dogs, who reciprocate the same feelings. These feelings were transformed into action when the events necessitate their actions. The parents of Adam did not like this relationship as they think street dogs are the source of many diseases and can be dangerous. The story events orientated Adam to change attitudes and adopt the case of the homeless dogs. Interacting with and living the story will create a pleasant vacation time, detaching kids from addiction to passive video watching or gaming. This story is suitable for both girls and boys and will help them to respect nature, living creatures, and each other. Moreover, this story will help children create corresponding scenarios in their minds, imparting them creative and innovative capabilities. This book is an excellent choice to add to your child's library. Happy reading time.

In post – Civil War New England, thirteen-year-old Jack Minot and Janey Pecq are inseparable best friends who live next door to each other in the town of Harmony Village. In The Wonderful Story of Henry Sugar, seven tales of the bizarre and unexpected are told by the grand master of the short story, Roald Dahl. Enter a brilliant, sinister and wholly unpredictable world. Here you will find the suggestion of other-worldly goings on in a dark story about a swan and a boy; the surprising tale of a wealthy young wastrel who suddenly develops a remarkable new ability; and meet the hitchhiker whose light-fingers save the day. 'An unforgettable read, don't miss it' Sunday Times Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

IT was a dark, chilly night in September, 1884. A heavy gloom had descended over the streets of A——, a small town on the Rhine, and was hanging like a black funeral-pall over the dull factory burgh. The greater number of its inhabitants, wearied by their long day's work, had hours before retired to stretch their tired limbs, and lay their aching heads upon their pillows. All was quiet in the large house; all was quiet in the deserted streets. I too was lying in my bed; alas, not one of rest, but of pain and sickness, to which I had been confined for some days. So still was everything in the house, that, as Longfellow has it, its stillness seemed almost audible. I could plainly hear the murmur of the blood, as it rushed through my aching body, producing that monotonous singing so familiar to one who lends a watchful ear to silence. I had listened to it until, in my

nervous imagination, it had grown into the sound of a distant cataract, the fall of mighty waters ... when, suddenly changing its character, the ever growing “singing” merged into other and far more welcome sounds. It was the low, and at first scarce audible, whisper of a human voice. It approached, and gradually strengthening seemed to speak in my very ear. Thus sounds a voice speaking across a blue quiescent lake, in one of those wondrously acoustic gorges of the snow-capped mountains, where the air is so pure that a word pronounced half a mile off seems almost at the elbow. Yes; it was the voice of one whom to know is to reverence; of one, to me, owing to many mystic associations, most dear and holy; a voice familiar for long years and ever welcome: doubly so in hours of mental or physical suffering, for it always brings with it a ray of hope and consolation. “Courage,” it whispered in gentle, mellow tones. “Think of the days passed by you in sweet associations; of the great lessons received of Nature’s truths; of the many errors of men concerning these truths; and try to add to them the experience of a night in this city. Let the narrative of a strange life, that will interest you, help to shorten the hours of suffering.... Give your attention. Look yonder before you!” “Yonder” meant the clear, large windows of an empty house on the other side of the narrow street of the German town. They faced my own in almost a straight line across the street, and my bed faced the windows of my sleeping room. Obedient to the suggestion, I directed my gaze towards them, and what I saw made me for the time being forget the agony of the pain that racked my swollen arm and rheumatological body.
