I was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores, for financial reasons and or immigration reasons they allowed this to happen. My story includes French maids, anal sex, oral sex, spankings, canings, whippings, strapping's, domination and submission, corner time, and a great amount of humiliation, etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. Now, it is time for me to be punished for all my Bad Boy behavior. A continuing series of special, good and bad, characters.

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

Quin: Finder, healer, student, teacher, lover, pirate— BlackWing "My life in Gungl began a moon-turn later, when I was finally able to pull myself out of bed without crushing grief slamming into me and causing me to collapse. The following day, my plan for revenge against Vardil Cayetes, the man responsible for Siriaa's destruction, began." * * * Siriaa has been destroyed at the command of an enraged criminal. The poison infecting that planet has been flung into the universe, landing upon hapless worlds in its path. The Orb has dropped Quin onto another world five years in the future, where she is compelled to seek revenge against Vardil Cayetes, the one responsible for Siriaa's destruction. From a crumbling, lawless world to one held in the tight fists of a criminal alliance, a disguised Quin searches for her enemy, whose only concern is keeping his life, no matter the cost to others. Quin and another innocent become targets when the enemy learns of the danger they represent. Will Cayetes succeed in his assassination attempts? Not even the gods can predict the outcome.

Unfortunately for the new couple, though, he's legally entitled to stay in the house and has no intention of leaving (and every intention of making life difficult.) When mysterious goings on are detected in their lingerie drawer, however, Charlotte begins to suspect something, and calls sissy hunter/dominatrix, Mistress Elle. After skillfully exposing him for what he is: a submissive sissy, Harriet's husband is duly humiliated, uniformed and instructed in his new role as a sissy maid. Utterly dominated by three strong women, he finds himself deep in feminization and frilly submission. Based on a true story, this gripping narrative takes you through the entire method by which Elle Mesen identifies, exposes and trains sissy maids. Penniless, and with nowhere else to go, the ex-boyfriend must accept the only option available – to work as her live in cleaner. Forced to serve her while she starts dating, he soon learns that his duties go far beyond those of any cleaner and is soon her sissy maid. Not content with his work at home, his ex-girlfriend sends him to work as a secretary for Charles Davant, a local businessman with a reputation for a firm hand but an open employment policy for transgender girls. Judging from enrollment at her academy, Miss Vera would say that figure is low. Veronica Vera founded Miss Vera's Finishing School for Boys Who Want to Be

Girls in 1992 and started a gender revolution. Working from the pink palace of the Academy's intimate Manhattan campus, she has helped hundreds of students embrace and master Venus Envy through her expert instruction in the arts of dressing up, making up, going out, and acting like a lady. In her new book, she shares her priceless wisdom with the world. With sparkling wit and dazzling insight, Miss V gives us the 411 on body hair, foundation garments, make-up, and dressing, as well as offering invaluable advice on Creating a Herstory (finding the real life story of the femmeself within) speech, manners, walking in high heels, and--that biggest step of all--going out in the real world all dressed up. Amply illustrated and filled with the real stories of students and graduates, Miss Vera's Finishing School also offers a fascinating history of how the Academy came to be, as well as Miss Vera's own incisive gender manifesto. "As we step boldly toward the new millennium, many more of us will be doing it in high heels," says Veronica Vera. In Miss Vera's Finishing School for Boys Who Want to Be Girls, she proves conclusively that, after a long day in wingtips, there's nothing like slipping into a pair of spiked heels.

Sex. This is one, if not the most, wonderful gift that humans were bestowed with. Just imagine the world without the gift of sexual activity between opposite sexes? There could have been an absence of this pleasurable experience that everyone in the right age enjoys. While everyone seems to view sexual intercourse as a kind of activity that is supposed to be regarded with respect and conservatism, some people have gone out of their way and formed a new orientation about it. To some, sexual activity is no longer an act of sacred human reproduction but a way of executing creativity and expression of unexplainable behaviors and attitudes.

Specifically, this book focuses on BDSM. What does BDSM stand for? What does the whole term mean? Why is there such a thing as BDSM training? All these and more questions will be answered as you continue reading this entire book.

Over the last few decades, research, activity, and funding has been devoted to improving the recruitment, retention, and advancement of women in the fields of science, engineering, and medicine. In recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more women entering careers and studying science, engineering, and medicine than ever before. However, as women increasingly enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this discriminatory behavior on women and the extent to which it is limiting their careers. Sexual Harassment of Women explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

As you read through, keep in mind that dominance and submission are simply one part of BDSM. It advances into a wider spectrum which includes sadism, bondage, discipline, and masochism as well. If you are saying, "What's wrong with that"...well, there is nothing wrong with that...but it was considered to be wrong in the past. Things have changed now.

Gender identities are no longer confined to "male" and "female". You could be a cross-dresser or a transgender or a transsexual and you are absolutely fine and have the same legal rights as those who confirm with the two main gender identities of male and female. Sissy is no longer a negative word. People are actually proud to be a sissy. But what about you? Are you a sissy?

Are you confused? May be you are not sure whether you are a sissy or not? Well, don't you worry...take this quiz and find out whether you are a sissy or not? Once you are through answering the questions, check out the scoring chart at the end and tally up your scores to find out where you stand on the macho and sissy scale. Good luck!
