Breeding chickens on grass helps provide them with a healthy lifestyle and an amazing flavor. You can raise lots of them of them to feed your family or scale up to include large scale poultry as a profitable part of your farm business. These chicken tractors were made using the strongest elements from other designs. They are very easy to move and provides a wonderful living for the chickens.

With small creativity, they can also be modified for seasonal egg-layer housing, rabbits, ducks and forts for your kids. Not only does this book contain the plans and supply list to build your first chicken tractor, but it gives you tips on chicken tractor use for a wonderful and successful farming. This guide will show you step by step on how to build a chicken tractor with each step broken down in simple process that even a complete novice can understand.
