'A nailbiting story of survival' -- GUARDIAN *May Knox floats in space, the only survivor of a catastrophic accident. There is just one person who can save her - and his life is in danger, back on Earth. It's Christmas Day, 2067. Silent Night drifts across the ruins of a wrecked spaceship, listing helplessly in the black. A sole woman, May, stirs within - the last person left alive of a disastrous first manned mission to Europa, a moon of Jupiter. There is only one person who can help her - her ex-husband Stephen, a NASA scientist who was heading up the mission back on Earth. Until, that is, she broke his heart and he left both her and the mission. As May fights for life, Stephen finds his own life is under threat, putting both of them at risk. In this twisty, gasp-inducing thriller, when each breath is a fight for survival, their relationship is the difference between life and death. 'Science fiction with a generous helping of humanity - the best kind of speculative writing' -- CHRISTINA DALCHER, AUTHOR OF VOX 'The best survival thriller since The Martian' -- JOHN MARRS, AUTHOR OF THE ONE*

The Sachem has fled his Fortress. Many fear that he intends to turn on the Decayer Device. Hoping to stop this, Annilasia resolves to track down the

Sachem. But her plan falters when she discovers that, should the Sachem succeed in turning on the Device, the dokojin attached to her will rip her apart. Before she can save the world from the Sachem, she must first find a way to save herself. Meanwhile, Jalice sets out to locate her long-lost brother, Kerothan. It is only with his help that she can hope to save the Sachem from his own wickedness. But the sins of the past are not soon forgotten, and Kerothan has no intentions of mending old wounds. He's more concerned with the infestation of twisters that scheme to unleash a new evil... ..a new evil that eludes detection and festers in a forsaken place. An advanced reference book of Kabbalistic Gematria, listing Hebrew numerological and mystical meanings for every number from 1 to 1,000. A "must have" reference book for every serious student of the Western Mystery Tradition.

This volume of original stories is all for furry feline friends. A unique collection of fantastical cat tales.

*From Bestselling Author, Lexy Timms, comes a motorcycle club romance that'll make you want to buy a Harley and fall in love all over again. Emily Dougherty and Luke Wade were in love in high school, but circumstances conspired to keep them apart. Ten years later they meet again and find their connection is just as strong and more searingly hot than ever. Events take a dangerous turn when Luke's uncle, Mexican drug lord Raymondo Icherra shows up and stirs up trouble. Emily's pregnancy turns high risk with her fainting and having continuous high blood pressure. While Luke deals with a problem with his MC club Hades Spawn, Emily is kidnapped by persons unknown. As Luke searches frantically for Emily he learns the truth about his past and his parent's murder. *This is book 4 in the Hades' Spawn Series* One You Can't Forget One That Got Away One That Came Back One You Never Leave*

As Sam and Twitch wait at the appointed hour, Spawn arrives with Ab and Zab in tow. They are carrying the head of Wolfram in a bag. The two detectives are more than a little startled when Wolfram, after some encouragement from Ab, begins to speak and tells them what he knows about Simon Pure and The Kingdom. While Max Jr. realizes he may be past the point of no return with Dawn and her friends, Spawn finds a warehouse that he suspects is Simon Pure's headquarters. The structure itself is indestructible, and though the young inhabitants

are no match for Spawn, he comes face to face with a truly formidable enemy: Simon Pure himself.

In this second adventure, Troy has been behaving very strangely. The others find out that he is really a unicorn prince. Now that his secret is out, Troy thinks they only want to be his friend because he is royal. Willow tries to reassure him that he is still the same old Troy to them and sets out to prove that being a loyal friend is more important than where you come from.

"Never die easy. Why run out of bounds and die easy? Make that linebacker pay. It carries into all facets of your life. It's okay to lose, to die, but don't die without trying, without giving it your best." His legacy is towering. Walter Payton—the man they called Sweetness, for the way he ran—remains the most prolific running back in the history of the National Football League, the star of the Chicago Bears' only Super Bowl Championship, eleven times voted the most popular sports figure in Chicago's history. Off the field, he was a devoted father whose charitable foundation benefited tens of thousands of children each year, and who—faced with terminal liver disease—refused to use his celebrity to gain

a preferential position for organ donation. Walter Payton was not just a football hero; he was America's hero. Never Die Easy is Walter Payton's autobiography, told from the heart. Growing up poor in Mississippi, he took up football to get girls' attention, and went on to become a Black College All-American at tiny Jackson State (during which time he was also a finalist in a Soul Train dance contest). Drafted by the Bears in 1975, he predicted that he would last only five years but went on to play thirteen extraordinary seasons, a career earning him regular acknowledgment as one of the greatest players in the history of professional football. And when his playing days were over, he approached business and charity endeavors with the same determination and success he had brought to the football field, always putting first his devotion to friends and family. His ultimate battle with illness truly proved him the champion he always had been and prompted a staggering outpouring of love and support from hundreds of thousands of friends and admirers. Written with veteran journalist and author Don Yaeger in the last weeks of Walter Payton's life, Never Die Easy presents Walter's singular voice—warm, plainspoken, funny, self-aware—along with the voices of the friends, family, teammates, and business associates who knew him best at all stages of his life, including his wife, Connie, and their children, Brittney and Jarrett; his teammate and

friend Matt Suhey; former Bears head coach Mike Ditka; and many, many others. Walter made Don Yaeger promise that his book would be "inspirational and leave people with some kind of lesson . . . and make sure you spell all the words right." Never Die Easy keeps all those promises. The creative team behind the sellout X-Men/Spider-Man miniseries returns for a brand new tour through classic Marvel moments! Contains four stories, each revealing a heretofore untold team-up between Spidey and the Fantastic Four at a different point in Marvel history, with a mysterious common thread binding them all together. Collecting: Spider-Man/Fantastic Four #1-4, Spectacular Spider-Man #42, Fantastic Four #218

Since its debut in 1994, Mike Mignola's Hellboy has been one of the most celebrated comics on shelves, winning every major industry award, attracting legions of fans, and seeing Mignola provide artwork for numerous films, including Blade 2 and Dracula. Now, the director of Blade 2, Guillermo del Toro, has brought Hellboy to the big screen, in a major motion picture starring Ron Periman. This lavish tie-in book features del Toro's complete screenplay, based on Mignola's Hellboy: Seed of Destruction graphic novel, along with copious production art from Mignola. With behind-the-scenes sketches and photos, commentary from Mignola, and del Toro's on-set diary, The Art of the Movie is the ultimate guide to the Hellboy film.

Spawn: Simony is the French Spawn Project initially published in 2003 by Semic in France. This book is one of the rare instances in which Todd McFarlane has allowed an outside vendor to create an entirely new piece of Spawn comic history. After seeing its popularity in France - due no doubt to the tremendous artwork and story by the talented

Alex Nikolavitch and Aleksi Briclot - Spawn: Simony has been translated into English and will now be available in the United States for the first time. Features a double-length story as well as added editorial content and pinup art. "Spawn of the North" by Barrett Willoughby. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Featuring the stories and artwork (by Todd Mcfarlane himself) that laid the groundwork for the most successful independent comic book ever published. Learn about the lives and works of over eighty saints in this collection, featuring ninety-two colorfully illustrated holy cards. How does Saint Christopher keep us safe when we travel? Why is Saint Patrick always depicted with a nest of snakes? How did Cecilia come to be the patron saint of music? These wonders and more are explained in this treasure of a book. The perfect book for the devout or any religious occasion, this captivating collection recounts the extra-ordinary legends, heartrending stories, joys, and sorrows of the most beloved saints, from the famous to the mysteriously obscure. Beautifully illustrated with historical pictures from prayer books and missals, this elegant keepsake is a joy to have.

Locked away in an asylum, it looks like Carnage is finally gone for good - but his fellow inmates have other plans. Will they successfully wake the monster...or will this hideous experiment create the most powerful, dangerous, maniacal Carnage yet - a Superior Carnage? After performing unspeakable acts in the name of science, the Wizard finally unveils Carnage's brand new look and releases his personal agent of evil out into the world! But can the new Frightful Four control their newest member? Or will the team be destroyed from within? And lest you think we forgot, it's the moment you've been waiting for: Superior Carnage vs. Superior Spider-Man, with enough blood and bluster to rival Sunday nights on HBO! It's a story so grotesquely gratifying you won't be able to look away! COLLECTING: Superior Carnage 1-5

Seven dead bodies are discovered hanging in front of the precinct house, nobody saw a thing and Sam and Twitch are the unlucky ones who get the case. Spawn, who is helping to locate Twitch's son, finds that even he needs help in discovering what sinister events are unfolding in his city. He

assigns Ab and Zab to find out what's going on. Dawn draws still-unsuspecting Max deeper into the cult known as The Kingdom, as elsewhere Spawn deals with other Kingdom followers who are about to take the law into their own hands.

Stolen from Earth by Ithaqua the Wind-Walker and transported to the alien world of Borea, a team of ERP-talented earthmen are faced with a terrible choice: join with the Thing That Walks on the Wind in his eternal war with Arandra and the People of the Plateau, and become his mindless slaves or side with Arandra and risk the perils of the Plateau - especially its Cavern of Madness! Such a choice might seem easy, for at least the People of the Plateau are human...but is Arandra herself human As Ithaqua's daughter, who can say which way her loyalties will turn when the chips are down and Ithaqua walks on the wind?

As Eric, who became the Crow after his death, hunts down those who killed him and his girlfriend Shelly the year before, he longs to return to death and to his beloved.

Since Robin Hobb's debut novel took the fantasy world by storm, the adventures of her beloved assassin FitzChivalry Farseer have spawned a sweeping epic that spans more than a dozen books—and counting.

Discover the phenomenon from the beginning with this eBook bundle of the original trilogy: ASSASSIN'S APPRENTICE ROYAL ASSASSIN ASSASSIN'S QUEST Young Fitz is the bastard son of the noble Prince Chivalry, raised in the shadow of the royal court by his father's gruff

stableman. He is treated as an outcast by all the royalty except the devious King Shrewd, who has him secretly tutored in the arts of the assassin. For in Fitz's blood runs the magic Skill—and the darker knowledge of a child raised with the stable hounds and rejected by his family. As barbarous raiders ravage the coasts, Fitz is growing to manhood. Soon he will face his first dangerous, soul-shattering mission. And though some regard him as a threat to the throne, he may just be the key to the survival of the kingdom. Praise for Robin Hobb and the Farseer Trilogy “Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons.”—George R. R. Martin “A gleaming debut in the crowded field of epic fantasies . . . a delightful take on the powers and politics behind the throne.”—Publishers Weekly, on *Assassin's Apprentice* “This is the kind of book you fall into, and start reading slower as you get to the end, because you don't want it to be over.”—Steven Brust, on *Assassin's Apprentice* “[Robin] Hobb continues to revitalize a genre that often seems all too generic, making it new in ways that range from the subtle to the shocking.”—Locus, on *Royal Assassin* “[*Royal Assassin*] reaches astonishing new heights. . . . The Farseer saga is destined for greatness—a must-read for every devotee of epic fantasy.”—Sense of Wonder “An enthralling conclusion to this superb trilogy, displaying an exceptional combination of originality, magic, adventure,

character, and drama.”—Kirkus Reviews (starred review), on *Assassin’s Quest* “Superbly written, wholly satisfying, unforgettable: better than any fantasy trilogy in print—including mine!”—Melanie Rawn, on *Assassin’s Quest*

Extraordinary people marked 'not normal' come from all different walks of life. For far too long, a shroud of darkness was thrown over those who've had boundless potential to transcend greatness; shunned and cast out through the misjudgment forced upon them. People enduring isolation from being trapped inside their own minds. People labeled with an ASD-Autism Spectrum Disorder. Seeds of greatness cannot be cultivated through judgment and condemnation. Imagine a world never having heard the music of Wolfgang Amadeus Mozart? Never seeing the extraordinary art of Michelangelo? What if Sir Isaac Newton hadn't discovered gravity, and laws of motion that would be relevant 300 years later? And for all the writers out there...were you aware that Lewis Carroll-author of 'Alice in Wonderland'-fell under the umbrella of Autism? So to all of you, who are reading this,

ask yourself... "Is Autism a disorder, or is it a gift?" Through their short stories and poetry, a collection of talented authors have tackled that question.

Staggering home truths & portents abound for our newly reassembled Hellspawn in the foresightful 14th vol. of Todd McFarlane's symbolic Spawn saga. At last, the big picture starts to emerge, the Hellspawn's role in the ever-escalating war between the forces of light & darkness revealed. Since his (original) recreation, the former Al Simmons has blundered around in the dark -- literally -- unsure if he has a greater purpose or is just a pawn in some celestial power game. But now a third player makes its presence felt, a verdant force threatened by the wiles of heaven & hell alike, one that views Spawn not as just a means to an end, but the end itself. Plus, the gargantuan new menace of The Heap!
