Law, Justice and the State

First published in 1968.

Routledge is an imprint of Taylor & Francis, an informa company.

The years following World War II saw a huge expansion of the middle classes in the

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

world's industrialized nations, with a significant part of the working class becoming absorbed into the middle class. Although never explicitly formalized, it was as though a new social contract called for

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

government, business, and labor to work together to ensure greater political freedom and more broadly shared economic prosperity. For the most part, they succeeded. In Social Contracts Under Stress,

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

eighteen experts from seven countries examine this historic transformation and look ahead to assess how the middle class might fare in the face of slowing economic growth and increasing globalization. The first

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

section of the book focuses on the differing experiences of Germany, Britain, France, the United States, and Japan as they became middle-class societies. The British working classes, for example, were slowest to

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

consider themselves middle class, while in Japan by the 1960s, most workers had abandoned working-class identity. The French remain more fragmented among various middle classes and resist one homogenous

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

entity. Part II presents compelling evidence that the rise of a huge middle class was far from inclusive or free of social friction. Some contributors discuss how the social contract reinforced long-standing

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

prejudices toward minorities and women. In the United States, Ira Katznelson writes, Southern politicians used measures that should have promoted equality, such as the GI bill, to exclude blacks from full access to

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

opportunity. In her review of gender and family models, Chiara Saraceno finds that Mediterranean countries have mobilized the power of the state to maintain a division of labor between men and women. The final section

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

examines what effect globalization might have on the middle class. Leonard Schoppa's careful analysis of the relevant data shows how globalization has pushed "less skilled workers down and more skilled workers up

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

out of a middle class that had for a few decades been home to both." Although Europe has resisted the rise of inequality more effectively than the United States or Japan, several contributors wonder how long

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

that resistance can last. Social Contracts Under Stress argues convincingly that keeping the middle class open and inclusive in the face of current economic pressures will require a collective will extending

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

across countries. This book provides an invaluable guide for assessing the issues that must be considered in such an effort.

Visser breaks ground in three ways. He grounds Augustine's theological

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

reception in the history of reading and the material culture of books and manuscripts. He does not confine his examination to particular confessional parties, and he provides insight into the nature of

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

intellectual authority in the early modern period. Wolf Krötke is widely acknowledged to be the most important theologian to emerge from the struggle of the churches in the former East Germany. Working

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

creatively in the tradition of Karl Barth and Dietrich Bonhoeffer, he reconsiders the contours of Christian faith in face of the challenges posed by the regnant atheism and cultural disestablishment that

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

continue to shape the cultural landscape of Eastern Germany. This book explores in detail Krötke's contributions to contemporary reflection upon the identity of God, humanity, and the Christian

Bookmark File PDF Staat Und Gesellschaft In Augustinus De Civitate

church and, in so doing, sheds light upon questions of theological method important in any context.
