Welcome to the world of NALZAMBOR ... Nath is a special warrior. He is a man destined to be dragon. In order to become a dragon, he must save the dragons. For countless years Nath has been on a quest to become a dragon, but his meddling with the other races tends to get in the way. The way of men is not the way of Nath Dragon himself. Nath has warned him. Yet, Nath, unable to control his fascination of the world men, elves, dwarves and even the despised orcs, tends to get caught up in their affairs. To earn his scales, there is a high road he must follow. With his close friend and ally, Brenwar the Dwarf, Nath, armed with a magic sword he calls Fang, travels to the Mountain of Doom, the Free City of Narnum and to Orcen Hold where nothing but trouble awaits. Will Nath Dragon, hero of the realm and protector of dragon kind choose the right path or wind up on a dark one?

Control operations. Create an administrative interface to oversee your site.

Mixing personal experience and memory with history, topography, journalism, and an unflagging interest, this guidebook lifts the stone over the Welsh town of Wrexham and finds something rather special. The major center in northeast Wales, this workaday town straddles several lines—the border between Wales and England, the fault line between Welsh and English languages, the shift from heavy industry to post-industrial society, Anglicanism and dissent. It rests in two shadows—upmarket Chester and metropolitan Liverpool—yet to the west lies farming and heritage in the rural vale of Clwyd. This study highlights the features for which Wrexham is famous, and which are just as diverse as the town itself—Wrexham lager, a giant-killing football club, St. Giles’ church (one of the Seven Wonders of Wales), Elihu Yale, and many others. The history uncovered here, both civic and personal, is a revelation.

Thinking through Sources for Exploring American Histories is a two-volume primary sources reader that supplements the document projects in the textbook. Each chapter of the reader presents five carefully selected documents that connect to topics in each chapter of Exploring American Histories. New Central Questions at the beginning of each chapter provide a framework and a focus for the documents that follow. Headnotes placed strategically before each document give students just enough context, and Interpret the Evidence and Put It in Context questions at the end of each chapter provide a starting point for classroom discussion or a written assignment. This collection of sources is available both in print and in LaunchPad with innovative auto-graded assessment.

**BLS (Basic Life Support) Provider Manual 1st edition by American Heart Association Welcome to the Basic Life Support (BLS) Provider Course. BLS is the foundation for saving lives after cardiac arrest. You will learn the skills of high-quality cardiopulmonary resuscitation (CPR) for victims of all ages and will practice delivery of these skills both as a single rescuer and as a member of a multi-rescuer team. The skills you learn in this course will enable you to recognize cardiac arrest, activate the emergency response system early, and respond quickly and confidently. Despite important advances in prevention, sudden cardiac arrest remains a leading cause of death in the United States. Seventy percent of out-of-hospital cardiac arrests occur in the home. About half are unwitnessed. Outcome from out-of-hospital cardiac arrest remains poor. Only about 10% of adult patients with nontraumatic cardiac arrest who are treated by emergency medical services (EMS) survive to hospital discharge. With the knowledge and skills you learn in this course, your actions can give victims the best chance of survival. The BLS Course focuses on what rescuers need to know to perform high-quality CPR in a wide variety of settings. You will also learn how to respond to choking emergencies. After successfully completing the BLS Course, you should be able to**
