This new book goes behind the scenes on the award-winning TV series Battlestar Galactica to discover the concepts behind the designs of dozens of spaceships! Battlestar Galactica debuted on TV in 1978 and acquired a phenomenal following, breaking new ground for TV drama and winning several awards. It returned to TV screens in 2003 in a critically acclaimed reimaged series, with Time Magazine naming it one of the 100 Best TV Shows of All Time. This behind-the-scenes guide looks at the creation of the ships in both the original and the reimaged series, including vessels of the ragtag fleet and those of the Cylon enemy. Featuring artwork from the groundbreaking first series and the 2004 reimaged series, this volume explores the art of ship creation from the first sketches to the finished designs of the modelmakers. Covering 18 key ships from the two shows, including the Galactica itself, the Vipers and the Cylon Raiders, the pages are packed with original concept art from designers Eric Chu, Andrew Probert and legendary artist Ralph McQuarrie.

An all-new Star Trek movie-era adventure featuring James T. Kirk! Investigating the massacre of a telepathic minority, Captain James T. Kirk and the crew of the U.S.S. Enterprise confront a terrifying new threat: faceless, armored hunters whose extradimensional technology makes them seemingly unstoppable. Kirk must team with the powerful telepath Miranda Jones and the enigmatic Medusans to take on these merciless killers in an epic battle that will reveal the true faces of both enemy and ally!

A guide to the technology of the imaginary space station at the heart of the program provides descriptions, schematic diagrams, and other data

A Tholian hord bearing down on Earth, a time-traveling madman out for blood, a rot festering within the highest levels of the Federation that’s about to explode – and that’s just where we begin! The biggest battle the Enterprise and her crew have ever faced continues in part two of the amazing three-part finale of Star Trek: Year Five from showrunners Jackson Lanzig & Collin Kelly (Gotham City Garage, Green Arrow) and artist Stephen Thompson (Satellite Filling, Die Hard: Year One).

An original novel based on the acclaimed Star Trek TV series! The USS Enterprise has been granted the simple but unavoidable honor of ferrying key guests to Betazed for a cultural ceremony. En route, sudden tragedy strikes a Federation science station on the isolated planet Kota, and Captain Jean-Luc Picard has no qualms sending William Riker, Data, and Chief Medical Officer Beverly Crusher to investigate. But what begins as routine assignments for the two parties soon descends into chaos: Picard, Worf, and Deanna Troi must grapple with a dangerous diplomatic crisis as historic artifacts are stolen in the midst of a high-profile ceremony...while nothing is as it seems on Kota. A mounting medical emergency coupled with the science station’s failing technology—and no hope of rescue—has Doctor Crusher racing against time to solve a disturbing mystery threatening the lives of all her colleagues....™, ®, & © 2021 CBS Studios, Inc. An all-new Star Trek technical manual of the legendary Klingon Bird of Prey, presented in the world-renowned Haynes Manual format! The Bird-of-Prey is the classic Klingon starship—a tough raiding and scouting vessel that has served at the heart of the Klingon Defense Force for more than a hundred years. Life on board is harsh and brutal, with any sign of weakness leading to a challenge to the death. The ship itself is stripped back and lean, with everything designed for a single purpose—war. This Haynes Manual traces the origins of a Bird-of-Prey from the moment it is commissioned by one of the Great Houses and constructed at the shipyards of the Klingon Naval Academy. It then proceeds to examine General Martok’s famous ship the I.K.S. Rotarian in unprecedented detail. Featuring a stunning cutaway drawing and, for the first time ever, detailed deck plans and incredible new computer-generated artwork, the Haynes Bird-of-Prey Manual is a technical tour of the ship’s systems, from the bridge and engineering rooms to the disruptors, torpedo launcher, and the all-important cloaking device. In addition, the Manual provides a unique insight into life on board a Klingon ship and the Rotarian’s glorious history in the Dominion War. This Haynes Manual is fully authorized by CBS. All the new artwork has been designed by STAR TREK: THE NEXT GENERATION and STAR TREK: VOYAGER’s senior illustrator Rick Sternbach, who is the world’s leading expert on STAR TREK technology, with CG artwork produced by Adam Mojo Lebowitz.

The latest volume in the Shipyards series features ships of the United Federation of Planets, including Vulcan, Andorian, Tellarite, Bajoran, Trill, and Earth Civilian ships. Each vessel is illustrated in CG artwork, with original VFX models made for the TV shows, alongside a technical overview and operational history. Featuring 27 ships! Starships include the Vulcan D’Kyr, the Vulcan cruiser and the P’Tlana Hath; the Andorian battle cruiser, the Bajoran solar-sailor, the El-Aurian S.S. Lakul; and Civilian Federation Ships The Feastoon, the S.S. Xhosa, and Harry Mudd’s Class J starship, the Norkova. This third volume in this acclaimed series focuses on the J.J. Abrams’ Star Trek films - featuring nearly 20 ships, including the new Enterprise! Explore the process behind the creation of the ships features in the Star Trek, Star Trek: Into Darkness and Star Trek: Beyond films. This is the story of how some of the most talented designers in Hollywood created STAR TREK’s starships from the first sketches to the finished models that appeared on screen. This book covers nearly 20 new ships from the modern STAR TREK movies, from the new Enterprise to a fleet of Federation ships that was barely seen. Along the way it covers the thinking behind Klingon and Romulan ships and the heavily-armored U.S.S. Vengeance. This third volume in the Designing the Starships series collects the profiles and design history from the rebooted Star Trek “Kelvin Timeline” film universe. The “Kelvin Timeline” is an alternate reality timeline in which the current Star Trek film universe operates. It is named after the ship captained by Captain Kirk’s father in the first of J.J. Abrams’ Star Trek films, the U.S.S. Kelvin. Ships included: U.S.S. Enterprise, U.S.S. Enterprise-A, Narada, U.S.S. Kelvin, Spock’s Jellyfish, the Borg Collective, U.S.S. Yorktown Space Station, and many more. Includes 6 ships that were designed for the final sequence of Star Trek: Beyond which were not used and have never been seen before.

Think you know Star Trek, the original series like no fan does before? Well boldly go and take up our unique puzzle challenge! The perfect holiday gift for the Star Trek fan in your life! It’s a puzzle book, Jim, but not as we know it. This is no conventional ‘search-and-find.’ Each of its detailed, full-color pages is packed with out-of-context items and cosmic continuity errors that only a true fan can spot. It will be illogical to resist this challenge, when the accuracy of the whole Trek universe is at stake. Captain Kirk, Mr Spock and the Enterprise crew have discovered that a series of exploding tribbles have been hidden by the Klingons in locations visited by the Enterprise. Kirk and his crew must seek and find each exploding tribble. At the same time, fans must spot items from every story in The Original Series, also concealed in the pictures. This is next-level Where’s Waldo for adult fans, plus a chance to save the galaxy into the bargain! The book opens with an article exploring the grand tradition of fans spotting continuity gaffes in the world of Star Trek. Then this is followed by an explanatory spread telling the reader how to use the book. A feedback section at the back clears up all questions with tribbles and debates about the non-interference directive! Three levels of engagement: • TRIBBLE TREK: SPOT the all-important EXPLODING TRIBBLE • NERD ALERT: Spot five continuity errors, mistakes within the featured episode itself. • THE ARTEFACT INCIDENT: Find the out-of-context items from other episodes, ten to a spread.

What is Starfleet? It is the universe’s most famous and inspirational coalitions of all time. It has boldly gone where no pop culture franchise has gone before. It is the foundation for a thriving community of passionate fans. Creator Gene Roddenberry said Star Trek “was an attempt to say that humanity will reach maturity and wisdom on the day that it begins not just to tolerate but take a special delight in differences in ideas and differences in life forms. . . . if we cannot learn to actually enjoy those small differences, to take a positive delight in those small differences between our own kind, here on this planet, then we do not deserve to go out into space and meet the diversity that is almost certainly out there.” After more than 50 years, 11 television series, 13 movies, and countless fan conventions later, Star Trek fans of all ages continue to gather—in person or virtually-- and enjoy, share, and live up to Roddenberry’s optimistic vision of the future. Fully authorized and filled with full-color images spanning the entire canon, Star Trek: Starfleet is... celebrates of Roddenberry’s vision. This commemorative book highlights 50 of the key traits of the Star Trek universe and demonstrates, through memorable images and beautiful artwork, how these ideals are personified by everyone from Kirk and Spock, to Picard and Janeway, to Burnham and Mariner, and their voyages to everywhere from Earth to Vulcan, from Qo’noS to the Delta Quadrant, and even to the Mirror Universe and back in time—and how they are actively and sincerely lived by the Star Trek fans themselves. What is Starfleet? Starfleet is fun. Starfleet is not always logical. Starfleet is adventure. Starfleet is brave. Starfleet is compassion. Starfleet is diverse. Starfleet is evolving. And it is by sharing their passions, supporting one another through difficult times, celebrating one another’s successes, and bright and hopeful future that Star Trek fans show that, above all, Starfleet is family. In celebration of one of science fiction’s most beloved franchises, an updated edition of the acclaimed Ships of the Line hardcover collection. They dared to risk it all in a stiff of reeds or leather, on a ship of wood or steel, knowing the only thing between them and certain death was their ship. To explore, to seek out what lay beyond the close and comfortable, every explorer had to embrace danger. And as they did so, what arose was a mystical bond, a passion for the ships that carried them. From the very first time humans dared to warp the fabric of space, escaping from the ashes of the third World War, they also created ships. These vessels have become the icons of mankind’s desire to rise above the everyday, to seek out and make the unknown known. And these ships that travel the stellar seas have stirred the same passions as the ones that floated in the oceans. While every captain has wished that their starship could be outfitted in the same manner as the sailing ship H.M.S. Beagle—without weapons—that proved untenable. From the start, Starfleet realized that each vessel, due to the limited range of the early war engines, must be able to stand alone against any attack. Thus arose the idea, taken from the days of wooden sailing ships, that every Starfleet vessel must stand as a ship of the line. Through the actions of their captains and crews, countless starships have taken on that role. Here we remember some of those ships and their heroic crews. In celebration of one of science fiction’s most beloved franchises, this updated edition of the acclaimed Ships of the Line hardcover collection now includes dozens of additional images brought together for the first time in book format—spectacular renderings featured in the highly successful Star Trek: Ships of the Line calendar series. With text by Star Trek’s own Michael Okuda, the story of each of these vallant starships now comes to life.™, ®, & © 2014 CBS Studios, Inc. Sharper than a claw and more stunning than a phaser blast, The Book of Grudge’s Prime Directive features her take on everything from space travel to the proper care and training of an array of alien species, STAR TREK-inspired quotes, and haiku meditations on Grudge’s most favorite things, including napping and people (as long as they’re fat enough at all times). Make no mistake, Cleveland Bark’s massive – and massively cool – cat, Grudge is no mundane mouser. This tactium tabby is, in fact, “a Queen.” She knows it, and everyone aboard the Discovery knows it, too...though some realize it just a bit too late!

The Star Trek Book

The Higher Frontier

The second volume in a chronological history of the Starfleet starships in Star Trek TV and films, from the 24th century to the far future! This in-depth reference book covers Starfleet vessels including the U.S.S. Enterprise, NCC- 1701-D, U.S.S. Voyager and Starfleet’s first true warship - the U.S.S. Defiant. The final chapter features time traveling ships from the distant future. All the featured ships are illustrated with CG artwork, including original VFX models made for the TV show. The second volume presenting the first chronological history of all of the Starfleet ships featured in the Star Trek television programs and films. This volume presents the technical information, service history, and artwork of the iconic ships featured in Star Trek: The Next Generation, Star Trek: Voyager, Star Trek: Deep Space Nine, Star Trek: First Contact, and Star Trek: Nemesis.

William Riker, former first officer of the USS Enterprise in Star Trek: The Next Generation, takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally diverse crew in Starfleet history. But their mission does not begin according to plan. In the wake of Star Trek: Nemesis, Praetor Shizton, slayer of the Romulan Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan’s long-anticipated mission of exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to prevent the quadrant from falling into chaos.

Gathers diagrams of spaceships, transporters, control stations, equipment, medical instruments, weapons, shuttlecraft, uniforms, and fleet headquarters, and includes Federation maps and treaties
