*Bow Before Your Queen Or Bleed Before Her... From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her Blood and Ash series. She's been the victim and the survivor... Poppy never dreamed she would find the love she's found with Prince Casteel. She wants to revel in her happiness but first they must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen...*

*From New York Times and Wall Street Journal bestseller M.J. Rose comes a provocative and moving story of a young female architect in post-World War II Manhattan, who stumbles upon a hidden treasure and begins a journey to discovering her mother's life during the fall of the Romanovs. Sophia Moon had always been reticent about her life in Russia and when she dies, suspiciously, on a wintry New York evening, Isobelle despairs that her mother's secrets have died with her. But while renovating the apartment they shared, Isobelle discovers something among her mother's effects—a stunning silver tiara, stripped of its jewels. Isobelle's research into the tiara's provenance draws her closer to her mother's past—including the story of what became of her father back in Russia, a man she has never known. The facts elude her until she meets a young jeweler, who wants to help her but is conflicted by his loyalty to the Midas Society, a covert international organization whose mission is to return lost and stolen antiques, jewels, and artwork to their original owners. Told in alternating points of view, the stories of the two young women unfurl as each struggles to find their way during two separate wars. In 1915, young Sofiya Petrovitch, favorite of the royal household and best friend of Grand Duchess Olga Nikolaevna, tends to wounded soldiers in a makeshift hospital within the grounds of the Winter Palace in St. Petersburg and finds the love of her life. In 1948 New York, Isobelle Moon works to break through the rampant sexism of the age as one of very few women working in a male-dominated profession and discovers far more about love and family than she ever hoped for. In M.J. Rose's deftly constructed narrative, the secrets of Sofiya's early life are revealed incrementally, even as Isobelle herself works to solve the mystery of the historic Romanov tiara (which is based on an actual Romanov artifact that is, to this day, still missing)—and how it is that her mother came to possess it. The two strands play off each other in finely-tuned counterpoint, building to a series of surprising and deeply satisfying revelations.*

*Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. From New York Times and USA Today bestselling author Rachel Van Dyken... She left. Two words I can't really get out of my head. She left us. Three more words that make it that much worse. Three being another word I can't seem to wrap my mind around. Three kids under the age of six, and she left because she missed it. Because her dream had never been to have a family, no her dream had been to marry a rockstar and live the high life. Moving my recording studio to Seaside Oregon seems like the best idea in the world right now especially since Seaside Oregon has turned into the place for celebrities to stay and raise families in between touring and producing. It would be lucrative to make the move, but I'm doing it for my kids because they need normal, they deserve normal. And me? Well, I just need a break and help, that too. I need a sitter and fast. Someone who won't flip me off when I ask them to sign an Iron Clad NDA, someone who won't sell our pictures to the press, and most of all? Someone who looks absolutely nothing like my ex-wife. He's tall. That was my first instinct when I saw the notorious Trevor Wood, drummer for the rock band Adrenaline, in the local coffee shop. He ordered a tall black coffee which made me smirk, and five minutes later I somehow agreed to interview for a nanny position. I couldn't help it; the smaller one had gum stuck in her hair while the eldest was standing on his feet and asking where babies came from. He looked so pathetic, so damn sexy and pathetic that rather than be star-struck, I took pity. I knew though; I knew the minute I signed that NDA, the minute our fingers brushed and my body became insanely aware of how close he was—I was in dangerous territory, I just didn't know how dangerous until it was too late. Until I fell for the star and realized that no matter how high they are in the sky—they're still human and fall just as hard. The Kristen Proby Crossover Collection features a new novel by Kristen Proby and six books by some of her favorite writers: Kristen Proby – Soaring with Fallon Sawyer Bennett – Wicked Force KL Grayson – Crazy Imperfect Love Laura Kaye – Worth Fighting For Monica Murphy – Nothing Without You Rachel Van Dyken – All Stars Fall Samantha Young – Hold On Kate Connor is your average mom with two kids, a husband, and one very big secret ... she used to be a Demon Hunter. Now retired, she's more interested in the domestic than the demonic. But when that demon attacks her in her kitchen, retirement is no longer an option. Like the saying goes, Carpe Demon ... and Kate intends to do just that.

Let's get this out of the way, right off the bat: I love women. I love the way they look. The way they smell. The way they feel. Especially the way they feel. And damned if I didn't want her. Crave her. I told myself I only wanted to tame her. That it was all about the challenge. I never expected to break through that ice queen exterior and find the softness underneath.
