Children of the Mists is a story of enduring love. Set in the 1800s, life on Sardinia had barely changed since the time of the Caesars. Two families, the Sannas and the Canus, are united by friendship and honour; love and laughter; joy and promises; omens and superstitions; youth and experience transcend generations. However, for Raffaella and Antonio, their passionate love becomes entangled with revenge. Death changes devotion. Promises are forgotten. Vendettas cannot be ignored. Ambition clouds judgments. Antonio and Raffaella were promised to each other, nothing would keep them apart, not even family. Committed to each other, they fight for their love against all odds... Children of the Mists is a gripping journey back in time that will make the perfect addition to any romance lover’s collection.

The Letters of Benedetto Blanis Hebreo (1615-1621)

Ci siamo Workbook

Beginning students of Italian language and literature will welcome these selections of poetry, fiction, history, and philosophy by 14th- to 20th-century authors, including Dante, Boccaccio, Pirandello, and 52 others. La coinvolgente storia di Marco e dei suoi amici, che lo accompagnano lungo il percorso che compie, insieme a Sara, verso una vita nuova, nonostante la grave malattia che deve affrontare. Ambientato lungo la valle del Metauro, in un ambiente pieno di storia e di natura intatta, ripercorre il cammino difficile, affrontato con ironia e voglia di vivere, da una condizione di normalità insoddisfacente a una di invalidità pienamente appagante, con un aiuto che viene da lontano nel tempo ma è sempre lì accanto, Margherita. Per info e contatti: <http://www.fabioluzietti.com/> Dedicato alla madre e rivolto alle giovani donne, nella speranza che il Risorgimento politico fosse anche un risorgimento femminile, è lo scritto La donna e i suoi rapporti sociali, pubblicato nel 1864. Convinta repubblicana, non esita a rimproverare a Mazzini e ai suoi seguaci l'idea conservatrice che il posto della donna stia soltanto nella famiglia: «non dite più che la donna è fatta per la famiglia, che nella famiglia è il suo regno e il suo impero! Le son queste vacue declamazioni come mille altre di simil genere! Ella esiste nella famiglia, nella città, in faccia ai pesi e ai doveri; di questi all'infuori, ella non esiste in nessun luogo». Il presente eBook ricalca e rinforza i temi già sviluppati in La Donna e i suoi Rapporti Sociali.

Intorno Al Mondo Dentro Me

I Giovani e il Papa, il Papà dei Giovani

Sue Petrovski has always been capable, thoughtful, and productive. After retiring from a long and successful career in education, she published two books, ran an antiques business, and volunteered in her community. When her mother was diagnosed with Alzheimer’s disease and until her death eight years later, Petrovski served as her primary caregiver. She even cared for her husband when he also succumbed to dementia. However, when Petrovski’s husband fell ill with sepsis at the age of eighty-two, it threw everything into question. Would he survive? And if so, would she be able to care for him and manage the family home where they had lived for forty-seven years? More importantly, how long would she be able to do so? After making the decision to sell their house and move into a senior living community, Petrovski found herself thrust into the corporate care model of elder services available in the United States. In Shelved: A Memoir of Aging in America, she reflects on the move and the benefits and deficits of American for-profit elder care. Petrovski draws on extensive research that demonstrates the cultural value of our elders and their potential for leading vital, creative lives, especially when given opportunities to do so, offering a cogent, well-informed critique of elder care options in this country. Shelved provides readers with a personal account of what it is like to leave a family home and enter a new world where everyone is old and where decisions like where to sit in the dining room fall to low-level corporate managers. Showcasing the benefits of communal living as well as the frustrations of having decisions about meals, public spaces, and governance driven by the bottom line, Petrovski delivers compelling suggestions for the transformation of an elder care system that more often than not condescends to older adults into one that puts people first-a change that would benefit us all, whether we are forty, sixty, eighty, or beyond.

Historically a source of emigrants to Northern Europe and the New World, Italy has rapidly become a preferred destination for immigrants from the global South. Life in the land of la dolce vita has not seemed so sweet recently, as Italy struggles with the cultural challenges caused by this surge in immigration. Marvelous Bodies by Vetri Nathan explores thirteen key full-length Italian films released between 1990 and 2010 that treat this remarkable moment of cultural role reversal through a plurality of styles. In it, Nathan argues that Italy sees itself as the quintessential internal Other of Western Europe, and that this subalternity directly influences its cinematic response to immigrants, Europe’s external Others. In framing his case to understand Italy’s cinematic response to immigrants, Nathan first explores some basic questions: Who exactly is the Other in Italy? Does Italy’s own past partial alterity affect its present response to its newest subalterns? Drawing on Homi Bhabha’s writings and Italian cinematic history, Nathan then posits the existence of marvelous bodies that are momentarily neither completely Italian nor completely immigrant. This ambivalence of forms extends to the films themselves, which tend to be generic hybrids. The persistent curious presence of marvelous bodies and a pervasive generic hybridity enact Italy’s own chronic ambivalence that results from its presence at the cultural crossroads of the Mediterranean.

This course provides coverage of most GCSE topics using authentic material to motivate students. This workbook uses a photo-storyline to give students an insight into contemporary Italian lifestyle and language.

Italian in 3 Months with Free Audio App

La Flaminia, comedia [in five acts and in prose].

Tempesta’s stories explore complexities that are both profound and profoundly human, for example in cultural differences between life in the USA and in Italy. Most of his stories ask the reader to consider such questions as whether friendship possesses substance beyond illusion, and whether new life and new joy can emerge from surrender to aestheticized memories. Translating short stories is an arduous task but he succeeded in recreating in English, the emotional impact of his original stories in Italian. The importance of his writing lies in his capacity to generate dialogue. A reader must actively engage his texts, not to arbitrarily construct meaning, but to capture the abundance of subtlety and nuance that his work evokes. His prose (just like his poetry) does not ask to be received or decoded. Rather, it asks the reader to reflect on it and converse with it.

Wodehouse, Chinua Achebe and Salman Rushdie, James Baldwin and Tom Wolfe. It is also a book in which you can find out which great historian’s face was once mistaken for a baby’s bottom, which film star experienced a haunting encounter with Virginia Woolf not long before her death, and what Agatha Christie really thought of her popular character Hercule Poirot. Edward Goldberg shares his sensational discovery of the largest body of surviving correspondence from any Jew in Early Modern Europe. Over the course of six years, Benedetto Blanis – a scholar and entrepreneur in the Florentine Ghetto – wrote nearly 200 letters to his princely patron Don Giovanni dei Medici. For the first time, these letters are available in a definitive critical edition – with full transcriptions in the original Italian, English language summaries, and explanatory notes. This book is a companion volume to Jews and Magic in Medici Florence, in which Goldberg narrates Blanis’s startling rise and fall. Readers can now take a step closer and hear Blanis’s compelling story in his own words – tracing his fraught relations with Jews and Christians, his desperate (and often illegal) business schemes, his disastrous strategies for advancement at the Medici Court, and his pursuit of arcane knowledge, including astrology, alchemy, and Kabbalah.
