

Teeth Are Not For Biting

NATIONAL BESTSELLER • Set against London's racial and cultural tapestry, venturing across the former empire and into the past as it barrels toward the future, White Teeth revels in the ecstatic hodgepodge of modern life, flirting with disaster, confounding expectations, and embracing the comedy of daily existence. Zadie Smith's dazzling debut caught critics grasping for comparisons and deciding on everyone from Charles Dickens to Salman Rushdie to John Irving and Martin Amis. But the truth is that Zadie Smith's voice is remarkably, fluently, and altogether wonderfully her own. At the center of this invigorating novel are two unlikely friends, Archie Jones and Samad Iqbal. Hapless veterans of World War II, Archie and Samad and their families become agents of England's irrevocable transformation. A second marriage to Clara Bowden, a beautiful, albeit tooth-challenged, Jamaican half his age, quite literally gives Archie a second lease on life, and produces Irie, a knowing child whose personality doesn't quite match her name (Jamaican for “no problem”). Samad's late-in-life arranged marriage (he had to wait for his bride to be born), produces twin sons whose separate paths confound Iqbal's every effort to direct them, and a renewed, if selective, submission to his Islamic faith.

“Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts.” Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling Hands Are Not for Hitting Board Book, Teeth Are Not for Biting gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they're hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.

This book helps parents with everything they need to know about feeding babies during the first three years—including breastfeeding, bottle-feeding, puréed baby food, teething foods, and solids--making it the most comprehensive baby nutrition book on the market. It helps parents understand their baby's nutritional needs and enables them to prepare tasty food so their baby can develop healthy eating habits. It's part nutrition book, part cookbook, and a complete godsend for parents. Baby Bites is an iParenting Excellent Parenting Product Award winner! Discusses all the ways to cope with frustration, feeling sad and mad, and mouth pain, without biting.

With Teeth

No Biting, Louise

Baby Bites

Calm-Down Time

Everything You Need to Know About Feeding Babies and Toddlers—Making Baby Food

Louise has a problem. She has the tendency to . . . how to put it? Gnaw? Chomp? Bite! . . . on everything and everybody. She promises Mother that she won't do it again, but sometimes Louise just can't help herself. "OOOooooowww!" No biting, louise captures the humor—and the pain—of a common stage for preschoolers.

A giggles-guaranteed picture book from the acclaimed Emily Gravett, starring three little pigs and a wolf who (maybe) won't bite. I can stand him on a stool! I can dress him in a bow... I can ride him like a horse but WOLF WON'T BITE! Come along on a wild circus adventure about three little pigs who have captured a wild wolf. They can make him do all sorts of tricks, but don't worry—he would NEVER bite. From award-winning and beloved creator Emily Gravett, Wolf Won't Bite! contains charming text that begs to be read aloud, and quirky humor fills every page of this playful take on "The Three Little Pigs."

Little Dino learns that he should not bite--except for food, of course.

It's never too soon for children to learn that violence is never okay, hands can do many good things, and everyone is capable of positive, loving actions. In this bright, inviting, durable board book, simple words and full-color illustrations teach these important concepts in ways even very young children can understand. Created in response to requests from parents, preschool teachers, and childcare providers, this book belongs everywhere young children are. Includes tips for parents and caregivers.

Teeth Are Not for Biting

What We'll Build

with audio recording

Evolution's Bite

Little Dinos Don't Bite

Ease little ones into the get-ready-for-bed routine with this warm and cozy bedtime book. Aided by Mom and Dad, a sister and brother enjoy a little snack, relaxing baths, time for brushing teeth, stories, lullabies, back rubs, and hugs. Cheerful, soft illustrations and reassuring text set a tone that helps toddlers feel good about settling down to sleep. (As the narrator explains, “I do my best growing when I’m sleeping.”) In the morning, the children will yawn, stretch, and be a little bit bigger, a little bit stronger, and a little bit smarter—all because of a good night’s sleep. Includes tips for parents and caregivers.

Biting can be good and biting can be bad; it all depends on what you bite on.Oh, the delight when biting into an apple or a peach! But it is not so lovely if you bite on an ice cube or a nut while it still in its shell. Things may not turn out so well. And never, never bite another child; biting must be reserved for something that will bring a smile - delicious, nutritious food. All in rhyme with loads of charming illustrations.

Sneezes, coughs, runny noses, spills, and messes are facts of everyday life with children. And that’s why it’s never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what they do, and why it’s so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities.

Shows young readers that there is a better way to act out frustration than to bite, hit, push, or kick.

Don't Bite Your Friends!.

Stories

Benjamin Monkey No Biting

Voices Are Not for Yelling

'With Teeth is a wonderfully sticky novel about motherhood, partnership, sex and love. Kristen Arnett lets her characters have the run of the place, and it's delicious fun to watch them do, say, and think things they'll regret' Emma Straub, author of All Adults Here 'Sublimely weird, fluently paced, brazenly funny and gayer still' Naoise Dolan, New York Times 'A darkly funny, brutally honest story about a woman undone by motherhood . . . With Teeth digs in deep and doesn't let go. I truly loved it' Jennifer Weiner, bestselling author of Mrs Everything and That Summer If she's being honest, Sammie Lucas is scared of her son. Working from home in the close quarters of their Florida house, she lives with one wary eye peeled on Samson, a sullen, unknowable boy who resists her every attempt to bond with him. Uncertain in her own feelings about motherhood, she tries her best - driving, cleaning, cooking, prodding him to finish projects for school - while growing increasingly resentful of Monika, her confident but absent wife. As Samson grows from feral toddler to surly teenager, Sammie's life begins to deteriorate into a mess of unruly behaviour, and her struggle to create a picture-perfect queer family unravels. When her son's hostility finally spills over into physical aggression, Sammie must confront her role in the mess - and the possibility that it will never be clean again. Blending the warmth and wit of Arnett's breakout hit, Mostly Dead Things, with a candid take on queer family dynamics, With Teeth is a thought-provoking portrait of the delicate fabric of family - and the many ways it can be torn apart.

A latest entry in the popular series that includes No More Diapers for Ducky! finds frustrated new kid Billy Goat struggling with not knowing how to make friends and nipping his animal classmates before gentle guidance from a sympathetic Ducky helps him realize that teeth are for biting food and not friends.

Early Reader Picture Book Benjamin is a little monkey with a habit of biting. He hasn't learned to use words to deal with his emotions. But Benjamin quickly finds out that biting comes with some real consequences. And Benjamin must learn to use words to express how he feels before he loses all his friends. Share the story of this mischievous loving little monkey. Fully illustrated and made for level 2 readers. Add this to your cart and Download this book Today!

If pets could talk, what would they say? Maybe “Fur is for petting, backs are for scratching, noses are for nuzzling . . . and tails are not for pulling!” Toddlers and pets belong together—as long as toddlers don’t chase, grab, squeeze, yank, and tease. In simple words and delightful illustrations, this book teaches the basics of kindness to animals: careful handling, awareness, safety, and respect. It also includes helpful tips for parents and caregivers.

Hands Are Not for Hitting

Zak George’s Dog Training Revolution

Plans For Our Together Future

How to Stop Nail Biting

Bedtime

Provides information on a child's biting tendency, describing normal child development and why a child bites, along with case studies of biters and worksheets and forms to help parents and educators.

Whether we realize it or not, we carry in our mouths the legacy of our evolution. Our teeth are like living fossils that can be studied and compared to those of our ancestors to teach us how we became human. In Evolution’s Bite, noted paleoanthropologist Peter Ungar brings together for the first time cutting-edge advances in understanding human evolution with new approaches to uncovering dietary clues from fossil teeth. The result is a remarkable investigation into the ways that teeth—their shape, chemistry, and wear—reveal how we came to be. Traveling the four corners of the globe and combining scientific breakthroughs with vivid narrative, Evolution’s Bite presents a unique dental perspective on our astonishing human development.

A dazzling, sublimely funny debut that follows three unforgettable women who fight back after life kicks them in the teeth. Esther, Frankie, and Ruth live in a small Ohio town anchored by the thriving Juliet Pencils factory. After a freak accident at the plant, these women have to re-create their lives using the only tools they've got: wits, molars, and a new pair of shoes. Esther is an anxious person with a very specific prowess: she bites pencils. Her skill pays her bills but more importantly keeps her many worries in check. When the accident leaves her suddenly unemployed, she searches for new ways to manage her anxiety, but nothing works. She must discover a solution before her teeth mutiny and her worries take over. Frankie, the teenage daughter of the pencil factory owner, is full of contradictions. She wages a campaign to become the only girl in an all-boys club and listens exclusively to punk music, but she also watches soap operas in secret. After the accident damages Frankie's ability to speak, she is forced to step out of her powerful mother's shadow so she can discover who she is and what she wants to say. Ruth owns the local photography lab. She spends her days processing people's happy memories but spends her nights alone, talking to her dead husband. As the town unravels, Ruth spearheads a massive campaign to refocus on its future, but nothing will succeed until Ruth lets go of her past. This hilarious and redemptive story explores three women's liberation amid a tumult of grief, loneliness, and first love.

Biting is one of the most frustrating and widespread issues childcare providers and parents face. No Biting discusses why toddlers bite, how to respond to biting, and how to develop a plan to address repeated biting. It also explores what parents think of biting, how to respond to their suggestions and demands, and how to create biting policies. This second edition includes additional anti-biting strategies, new information on the causes of biting, and sample newsletter articles to educate parents.

Wolf Won't Bite!

New Teeth

Teeth Are NOT For Biting

Manners start with a smile—then you add the words. There are polite words to use when you greet someone, ask for something, or (oops!) make a mistake. There’s even a nice way to say no. This book gives toddlers a head start on manners, setting the stage for social skills that will last a lifetime. Includes tips for parents and caregivers.

Don't bite your friends! It hurts when you munch. Your friends are your friends... They are not your lunch! Muno is a very sweet Gabba Land monster, but he has a very bad habit... sometimes he bites his friends! It's not nice to bite your friends, but, it's okay to bite your food! This Muno-shaped novelty book features a die-cut of Muno's mouth on every page, plus four removable food-shaped play pieces that little ones can use to feed Muno. Many preschoolers can relate to the issue of biting, and this hilarious and innovative novelty board book puts a fun spin on a serious topic and helps little ones to learn that it's not nice to bite your friends!

Gives examples of how young readers may channel their anger away from hitting people.

Lisa Wheeler and Caldecott Honor-winning illustrator Molly Idle remind overeager little biters that biting is for food in this hysterical read-aloud picture book. Learning good behavior has never been so fun! It’s good to bite a carrot. It’s good to bite a steak. It’s bad to bite your sister! She’s not a piece of cake. Cause... People don’t bite people! That’s what this book’s about. So if you find you’re tooth-inclined— you’d better check it out!

The Biting Solution

The Complete Guide to Raising the Perfect Pet with Love

No Biting

I Keep My Worries in My Teeth

"Two murderous pirates find a child stowaway on board and attempt to balance pillaging with co-parenting. A woman raised by wolves prepares for her parents' annual Thanksgiving visit. An aging mutant superhero is forced to learn humility when the mayor kicks him upstairs to a desk job. And in the hard-boiled caper--The Big Nap--a weary two-year-old detective struggles to make sense of a world gone mad. Equal parts silly and sincere, New Teeth is an ode to growing up, growing older, and what it means to make a family"--

The merry adventures of two scrapping alligator children—and of Rosa and Willy, their human counterparts. ‘Else Holmelund Minarik, whose Little Bear indicated a uniquely charming talent, has outdone herself here.’ —K.

A revolutionary way to raise and train your dog, with “a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions” (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet's unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with thousands of dogs into this comprehensive dog and puppy training guide that includes: • Choosing the right pup for you • Housetraining and basic training • Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues • Health care essentials like finding a vet and selecting the right food • Cool tricks, traveling tips, and activities to enjoy with your dog • Topics with corresponding videos on Zak's YouTube channel so you can see his advice in action Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and—most of all—fun!

With On-the-Go Time, shopping and errands really can mean fewer hassles and more fun for everyone! Toddlers learn simple tools and encouragement to keep moving, cope with the changing scenes, and be super helpers in the car, at the store or library, and on the road. What do they do when they're on-the-go? Listen, follow along, and even lend a hand. If they're disappointed or overstimulated along the way, they can take deep breaths to calm down. Who says running errands with toddlers has to be stressful? Includes tips for parents and caregivers. Part of the award-winning Toddler Tools™ series.

The Expert's No-Biting Guide for Parents, Caregivers, and Early Childhood Educators

An Early Reader Picture Book for Kids

(Adorable Rhyming Bedtime Story/Picture Book, about Using Teeth for Biting Into Delicious, Nutritious Food for Beginner Readers, with 30 Illustrations, Ages 2-7)

Feet Are Not for Kicking

Your Teeth Are Not For Biting People No Biting Book for Toddlers, Preschoolers and Children Under 8 Year Old

Every parent, caregiver—and toddler—knows the misery that comes with meltdowns and temper tantrums. Through rhythmic text and warm illustrations, this gentle, reassuring book offers toddlers simple tools to release strong feelings, express them, and calm themselves down. Children learn to use their calm-down place—a quiet space where they can cry, ask for a hug, sing to themselves, be rocked in a grown-up’s arms, talk about feelings, and breathe: “One, two, three . . . I’m calm as can be. I’m taking care of me.” After a break, toddlers will feel like new—and adults will, too. Books include tips for parents and caregivers.

As parents and teachers know, yelling comes naturally to children. This friendly, encouraging book, geared to preschool and primary children, introduces and reinforces where and when to use an “indoor voice” or an “outdoor voice.” In classic Best Behavior style the author tells young readers, “Your voice is a powerful tool. How you use it is up to you.” Vivid illustrations show the times and places for an indoor voice, the ways people ask us to quiet our voices, and times when yelling might occur. “What happens if you’re mad or frustrated or really, really excited? Your voice gets louder and LOUDER.” But yelling hurts people’s ears and feelings. Children learn that they can quiet their voice and use their words to talk about a problem. “Think before you yell, and use your words well!” Includes a special section for parents and caregivers with activities and discussion starters. The Best Behavior series uses simple words and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby-preschool, and a longer, more in-depth paperback for ages 4–7. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers.

Teeth Are Not For Biting brings awareness to the reality that sometimes biting happens. A colorful book to help children remember that Teeth Are Not For Biting; but Eating and How to react to friends who bite. A must-have in all bookshelves.

An instant New York Times bestseller! From Oliver Jeffers, world-renowned picture book creator and illustrator of The Crayons' Christmas, comes a gorgeously told father-daughter story and companion to the #1 New York Times bestseller Here We Are! What shall we build, you and I? Let's gather all our tools for a start. For putting together . . . and taking apart. A father and daughter set about laying the foundations for their life together. Using their own special tools, they get to work, building memories to cherish, a home to keep them safe, and love to keep them warm. A rare and enduring story about a parent's boundless love, life's endless opportunities, and all we need to build a together future. The perfect baby shower gift or gift for new parents! Praise for What We'll Build: "[Has] the offbeat, sweet style Jeffers' fans know and love." --Kirkus Reviews "An intensely personal statement of intergenerational fellowship and an obvious pick for library shelves best explored at home." --School Library Journal "Children will love his playbook for building a future of love and imagination, and they will delight in the special relationship the father and daughter share." --Booklist "Stroked in generous swaths of warm color and Jeffers's signature childlike scribbles . . .

.. Jeffers's benediction portrays a parent who surrounds his child with love and steadies her as she learns how to bring her dreams to fruition." --Publishers Weekly
