volume of stories, National Book Award winner Sherman Alexie challenges readers to see Native American Indians as the complex, modern, real people they are. The tender and tenacious tales of The Toughest Indian in the World introduce us to the one-hundred-eighteen-year-old Etta Joseph, former co-star and lover of John Wayne, and to the unnamed narrator of the title story, a young Indian journalist searching for togetherness one hitchhiker at a time. Countless other brilliant creations leap from Alexie's mind in these nine stories. Upwardly mobile Indians yearn for a more authentic life, married Indian couples push apart while still cleaving together, and ordinary, everyday Indians hunt for meaning in their lives. The Toughest Indian in the World combines anger, humor, and beauty into radiant fictions, fiercely imagined, from one of America's greatest writers. This ebook features an illustrated biography including rare photos from the author's personal collection.

He saw the soft cedars of San Pedro Island, its high, rolling hills, the low mist that lay in long streamers against its beaches, the whitecaps riffling its shoreline. The moon had risen already behind the island – a quarter moon, pale and indefinite, as ethereal and translucent as the wisps of cloud that travelled the skies. A fisherman is found dead in the net of his boat off the coast of a North American island. When a local Japanese-American man is charged with his murder, it becomes clear that what is at stake is more than one man's guilt. For on San Pedro, memories grow as thickly as cedar trees – memories of a charmed romance between a white boy and a Japanese girl. Above all, the island is haunted by what happened to its Japanese residents during the Second World War, when an entire community was sent into exile while its neighbours watched. Finely-honed portraits of hope and change, these two novellas are linked so skillfully that they achieve the intensity of a single novel in which some characters succeed and others fail on separate but equally compelling quests. In "The Fires," Gina Morgan makes a pilgrimage to Uzbekistan to carry out her husband's final wish—to be cremated—only to find herself entirely at sea in the strange new

Born in Sofia, Kapka Kassabova grew up under the last years of Cold War Communism in the 1980s, emigrated after the fall of the Berlin Wall, and has loved and hated her homeland in equal measure ever since. Thirty years later, as Bulgaria was joining the EU club, Kapka revisited the country of her childhood and her own relationship to it to discover just how much it - and she - had changed. With the irreverence of an expat, the curiosity of a visitor, and the soul of a poet, Kassabova brings to life the past and present of Bulgaria, as well as probing the complicated connection between place and mind, between geography and fate.

*into chaos with a drinking habit, but shed her addiction when it was on the brink of costing her everything. She survived a violent past, but created an elaborate facade to hide the truth. She selflessly cared for strangers, but was often incapable of showering her children with the affection that they so desperately craved. She wanted a better life for her son, but it was only by leaving her behind that he could hope to achieve it. It's these contradictions that made Lillian Alexie a beautiful, mercurial, abusive, intelligent, complicated, and very human woman. When she passed away, the incongruities that defined his mother shook Sherman and his remembrance of her. Grappling with the haunting ghosts of the past in the wake of loss, he responded the only way he knew how: he wrote. The result is a stunning memoir filled with raw, angry, funny, profane, tender memories of a childhood few can imagine, much less survive. An unflinching and unforgettable remembrance, *You Don't Have to Say You Love Me* is a powerful, deeply felt account of a complicated relationship.*

Shortlisted for the Bookseller YA Prize 2015! Jo could never have guessed that the friendship she so desperately craves would come in the shape of a severely disabled boy. He can't even speak. Maybe it is because he can't speak that she finds herself telling him how difficult it is living with her eccentric, mentally fragile mother. For a while it seems life may actually get better. But as Jo finds out just how terrible life is for Chris, and as her own life spirals out of control, she becomes desperate to change things for both of them. I believe that he used the idea of the Native American trickster figure to do this. Because through all of my research I have concluded that the trickster is a paradox in its own terms. It is a god who creates the world and it is a human who makes mistakes. Yet the trickster is much more than that, and so is Junior.

Winner of the American Book Award and the Murray Morgan Prize, Sherman Alexie's brilliant first novel tells a powerful tale of Indians, rock 'n' roll, and redemption Coyote Springs is the only all-Indian rock band in Washington State—and the entire rest of the world. Thomas Builds-the-Fire takes vocals and bass guitar, Victor Joseph hits lead guitar, and Junior Polatkin rounds off the sound on drums. Backup vocals come from sisters Chess and Checkers Warm Water. The band sings its own brand of the blues, full of poverty, pain, and loss—but also joy and laughter. It all started one day when legendary bluesman Robert Johnson showed up on the Spokane Indian Reservation with a magical guitar, leaving it on the floor of Thomas Builds-the-Fire's van after setting off to climb Wellpinit Mountain in search of Big Mom. In Reservation Blues, National Book Award winner Alexie vaults with ease from comedy to tragedy and back in a tour-de-force outing powered by a collision of cultures: Delta blues and Indian rock. This ebook features an illustrated biography including rare photos from the author's personal collection.

Collection of new stories about Native Americans who, like all Americans, find themselves at personal and cultural crossroads, faced with heart-rending, tragic, sometimes wondrous moments of being that test their loyalties, their capacities, and their notions of who they are and who they love.
