

## The Apostles Creed Discovering Authentic Christia

The president of Southern Seminary reveals how secularism has infiltrated every aspect of society and how Christians, equipped with the gospel of Jesus Christ, can meet it head on with courage and steadfast conviction. A storm is coming. Western civilization and the Christian church stand at a moment of great danger. The storm is a battle of ideas that will determine the future of Western civilization and the soul of the Christian church. The forces we must fight are ideologies, policies, and worldviews that are deeply established among intellectual elites, the political establishment, and the media. More menacingly, these ideas have also invaded the Christian church. From threats to religious liberty and redefinitions of marriage and family to attacks on the sacredness and dignity of human life, the perils faced by the West and the church are unprecedented. How should Christians respond to this challenge? The Gathering Storm provides the answer, addressing each dimension of the challenge and showing Christians how to give an answer for the hope that is within them and how to contend for the faith that was once and for all delivered to the saints.

For Catholics, the saints are arguably our best role models for holy living. In this page-a-day book for women, Melanie Rigney gives us a wellspring of interesting and diverse female saints and the way to be better disciples of Christ. Through their lives and experiences, we find examples of how to meet the challenges of daily life, be strengthened in our faith, and, in the process, discover the God created us to be. You'll meet saints who may be familiar to you, such as Teresa of Avila, Elizabeth Ann Seton, Monica, Lucy, Agnes, and Katharine Drexel. With them, there are countless others, and many whom you will not have known before: Cunegund, Mechtildis of Edelstetten, Hildegard, Mary Magdalen Postel, Rose of Viterbo, Anna Pak A-gi of Korea, and Mary Faustina. Each page, you'll find: A brief bio of the saint A reflection on how that saint's life applies to our lives today A quote either from Scripture, the saint herself, or a resource about the saint A particular highlight of the saint. Some of the women featured in this book are blessed, but most are saints. All of them will inspire and guide you with their faithful witness to the Christian way of life.

"If you think you knew Paul, get ready to have all sorts of cherished preconceptions exhilaratingly stripped away. If you've ever been vaguely curious, there is no finer introduction. This is a look out for a new book from Garry Wills, What The Qur'an Meant, coming fall 2017. In his New York Times bestsellers What Jesus Meant and What the Gospels Meant, Garry Wills offers incisive readings of Jesus' teachings and the four gospels. Here Wills turns to Paul the Apostle, whose writings have provoked controversy throughout Christian history. Depending on our assumptions, Wills argues eloquently that Paul's teachings are not opposed to Jesus' message. Rather, the best way to know Jesus is to discover Paul. In this stimulating and masterful book, Wills illuminates how Paul, writing on the road and in the heat of the moment, and often in the midst of controversy, galvanized a movement and offers us the best reflection of those early days. Spiritual teacher and bridge-builder Brother David Steindl-Rast translates the Apostles' Creed for today, uncovering the deeper universal truths that can be an inspiration to all people. In Words: Living the Apostles' Creed, Brother David reexamines the words with which the early followers of Jesus summarized their faith. Reading line-by-line with an open perspective, he uncovers an overlooked message of trust, compassion, peace, love, and awareness contained in this widely known but rarely examined statement. Deeper than Words moves beyond ritual and ceremony to find a deeper faith based in real human experience and the sense of limitless belonging that is shared by all people who seek to understand themselves and the world. The words of the Apostles' Creed are the heart of the Christian, but its heart is a universal and timeless guide to fullness of life. From this transformation perspective, developed over a lifetime of contemplation, Brother David presents a path to renewal through reconnection with the spiritual and a reawakening to shared sacred truths.

The Apostles' Creed: Sermons

With an Historical Introduction

Sisterhood of Saints

The Prayer That Turns the World Upside Down

**When was the last time you had an honest, heartfelt, yet kind and productive conversation with someone about depression, mental illness, substance abuse, pornography, premarital sex, racism, divorce, abortion, LGBT issues, or politics? Our tendency is either to avoid talking about such volatile topics at all--even with other Christians--or to go on the attack, causing rifts that do nothing to encourage further discussion or growth. If you're tired of avoiding tough conversations, if you want to be a light in a dark world but you're not sure how, Challenging Conversations is the book you've been waiting for. With straightforward answers to some of the most challenging moral issues disrupting the church, this book will help you build your confidence using three simple steps to becoming a conversant Christian. Each chapter begins with a true story, clarifies misconceptions and misunderstandings about the subject, and equips you to build rapport, ask the right questions, find points of agreement, and take the next fruitful step in the relationship. Because even if we disagree on a moral issue, that shouldn't make us mortal enemies.**

**The Apostles' Creed is the oldest, most beautiful succinct summary of Christian beliefs. Though often recited in unison during worship services, the creed begins with the phrase "I believe," making it a deeply personal profession of faith. But when was the last time you examined it closely? In Affirming the Apostles' Creed, an excerpt from Growing in Christ, noted Bible scholar and author J. I. Packer explains the meaning and implications of each phrase of this great creed. Each concise chapter serves as an invitation to dive further into the creed--and as a result, into the essentials of the Christian faith--by concluding with discussion questions and Bible passages for further study.**

**Primal Credo is a fresh, modern reading of the Apostles' Creed. Some followers of Christ have never heard of the creed and others recite the creed Sunday after**

**Sunday without giving it much thought. This book will help you grow in faith if you are a new Christian or a seasoned saint. Enter into the creed and discover your DNA as a believer in Jesus Christ. The Apostles' Creed is an entry point into God's story. From "I believe in God, the Father almighty, creator of heaven and earth" to "I believe in...the resurrection of the body and the life everlasting" the Apostles' Creed provides a helpful synopsis of God's story recorded in Scripture. Both the creed and the Scriptures are gifts from the historic church to the contemporary church. The creed works to keep us focused on the big ideas of the Bible, namely God the Father, Son, and Holy Spirit. The creed has been around nearly as long as there has been a Christian Church and for centuries followers of Christ have looked to the creed as a guide to weed out wrong ideas about God, creation, Jesus, salvation, and the end of human history. This book offers a compelling reflection on the Apostles' Creed, guiding the reader through the language of the creed without big, hard-to-understand, theological words. Primal Credo allows everyday Christians to understand and live out the essentials of the Christian faith. Book reviews: Postmodern people are happily rediscovering spirituality, but must wonder if or where faith might find authentic roots. Vreeland's guidance through the Creed offers a fresh connection to the apostolic faith and community. These meditations take us to the heart of how Jesus' early disciples understood his message and still bear witness to it today. -Brad Jersak , Author / Teacher, Fresh Wind Christian Fellowship, Abbotsford, British Columbia In Primal Credo, Derek Vreeland offers the world an engaging reading of the Apostles' Creed. He writes well and crafts vivid images to convey the power and importance of a creed that many repeat weekly without reflecting on its true meaning. He weaves theological reflection around illustrations drawn from the best of modern and ancient sources. To drive home his writing, Vreeland ends each chapter with discussion questions that will help individuals and groups to go deeper in their own journey with God. I happily endorse Primal Credo and hope that it gains a wide audience. -Brian D. Russell, Ph.D., Professor of Biblical Studies, Asbury Theological Seminary, Orlando, Florida Don't just read this book. Live it. In Primal Credo, Derek Vreeland provides a vehicle for personal and group study. Witty, scholarly, pastoral and above all, accessible, Primal Credo gives professional and layman alike a deeply personal interaction with a touchstone of the Christian faith. Today the creed is finding whole new audiences as Christians rediscover its pithy encapsulation of orthodoxy. In this concise study, Vreeland proves an apt and engaging companion for that discovery. -Walter Rogero, Pastor, Calvary Gospel Church of the Assemblies of God, Arlington, Virginia If you desire to go deeper in your walk with God, Primal Credo is a must read. This book is relevant and thoughtful. As Christians, we too often look for the new and the trendy while paying little attention to the power of the past. Derek has provided a livable guide from an ancient creed, one that can help you personally reconnect with, and find new meaning from, the basic theological foundations of the Christian faith. I highly recommend this book. -Dr. Stephen Gray, Church Planting Director, Free Methodist Church, Austin, Texas**

**Twenty years ago, not one nation on earth had legal same-sex marriage. Now, access to same-sex marriage is increasingly seen as a basic human right. In a matter of less than a generation, western cultures have experienced a moral revolution. Dr. R. Albert Mohler examines how this transformation occurred, revealing the underlying cultural shifts behind this revolution: the acceptance of divorce culture, liberation of sex from reproduction, the prevalence of heterosexual cohabitation, the normalization of homosexuality, and the rise of the transgender movement. He then offers a deep look at how the Bible and Christian moral tradition provide a comprehensive understanding upon which Christians can build their personal lives, their marriages, church ministry, and cultural engagement. Dr. Mohler helps Christians in their understanding of the underlying issues of this significant cultural shift and how to face the challenge of believing faithfully, living faithfully, and engaging the culture faithfully in light of this massive change.**

**Exploring the Apostles' Creed**

*Do you believe? Today, we're flooded with opinions and ideas. And they all might be interesting, but are they true? Would you die for them? Benjamin Myers re-introduces the Apostles' Creed, helping us to see how difficult and counter-cultural the Creed really is. It doesn't give us sweet, empty words. It's a faith that demands we die so that we might live. In the early church, many converts died for their faith so they needed to have a good idea what they might die for. Early church pastors and theologians used the Apostles' Creed as the essential guide to the basics of the Christian life. The Apostles' Creed has united Christians from different times, different places, and different traditions. The truths proclaimed in the Creed are eternal. Will you trust them?*

*If God has spoken, then the highest human aspiration must be to hear what the Creator has said. God has indeed spoken, through the Ten Commandments, and Al Mohler explores this revelation of God and the implications for His people. The promise is to hear, to obey, and to live. These "Ten Words" tell us who God is and what His people should look like. Mohler is a respected voice on the state of our culture (and the church) today. The Ten Commandments speak to current issues today such as the exclusivity of the Christian God, the essence of worship, capital punishment, just war, business ethics and the postmodern definition of truth.*

*Filled with practical ideas and self-evaluation tools, Father Hunger both encourages and challenges men to embrace the high calling of fatherhood, becoming the dads that their families and our culture so desperately need them to be."*

*Dr. Norman Golb's classic study on the origin of the Dead Sea Scrolls is now available online. Since their earliest discovery in 1947, the Scrolls have been the object of fascination and extreme controversy. Challenging traditional dogma, Golb has been the leading proponent of the view that the Scrolls cannot be the work of a small, desert-dwelling fringe sect, as various earlier scholars had claimed, but are in all likelihood the remains of libraries of various Jewish groups, smuggled out of Jerusalem and hidden in desert caves during the Roman siege of 70 A. D. Contributing to the enduring debate sparked by the book's original publication in 1995, this digital edition contains additional material reporting on new developments that have led a series of major Israeli and European archaeologists to support Golb's basic conclusions. In its second half, the book offers a detailed analysis of the workings of the scholarly monopoly that controlled the Scrolls for many years, and discusses Golb's role in the struggle to make the texts available to the public. Pleading for an end to academic politics and a commitment to the search for truth in scrolls scholarship, *Who Wrote the Dead Sea Scrolls?* sets a new standard for studies in intertestamental history "This book is 'must reading'.... It demonstrates how a particular interpretation of an ancient site and particular readings of ancient documents became a straitjacket for subsequent discussion of what is arguably the most widely publicized set of discoveries in the history of biblical archaeology...." Dr. Gregory T. Armstrong, 'Church History' Golb "gives us much more than just a fresh and convincing interpretation of the origin and significance of the Qumran Scrolls. His book is also... a fascinating case-study of how an idee fixe, for which there is no real historical justification, has for over 40 years dominated an elite coterie of scholars controlling the Scrolls...." Seeks to demonstrate the benefits of practicing Christian spirituality, outlining a basic relationship with God that is enriched by the Holy Spirit and Christian tradition. Original.

We are saved by faith when we trust that Jesus died for our sins. This is the gospel, or so we are taught. But what is faith? And does this accurately summarize the gospel? Because faith is frequently misunderstood and the climax of the gospel misidentified, the gospel's full power remains untapped. While offering a fresh proposal for what faith means within a biblical theology of salvation, Matthew Bates presses the church toward a new precision: we are saved solely by allegiance to Jesus the king. Instead of faith alone, Christians must speak about salvation by allegiance alone. The book includes discussion questions for students, pastors, and church groups and a foreword by Scot McKnight.

What do Christians believe about God the Father, Jesus Christ, the church, salvation, eternal life, and more? This contemporary classic from theologian R. C. Sproul provides a matchless introduction to the basics of the Christian faith.

*Affirming the Apostles' Creed*

*Together We Believe*

*Saving Christianity?*

*What We Believe*

*The Heidelberg Catechism, in German, Latin and English*

*Know the Creeds and Councils*

*What Christians Ought to Believe*

In every generation, the Christian church must interpret and restate its bedrock beliefs, answering the challenges and concerns of the day. This accessible overview walks readers through centuries of creeds, councils, catechisms, and confessions—not with a dry focus on dates and places, but with an emphasis on the living tradition of Christian belief and why it matters for our lives today. As a part of the KNOW series, *Know the Creeds and Councils* is designed for personal study or classroom use, but also for small groups and Sunday schools wanting to more deeply understand the foundations of the faith. Each chapter covers a key statement of faith and includes a discussion of its historical context, a simple explanation of the statement's content and key points, reflections on contemporary and ongoing relevance, and discussion questions.

A clear and frank exploration of the future of Christianity and whether it needs to be saved. We live in confusing times. Our society has shifted on its moral axis, and many are asking whether Christianity needs to be reinvented—or even reimagined—in order to save it. With *Newsweek* declaring “The Decline and Fall of Christian America” on its cover and *The Daily Beast* questioning “Does Christianity Have a Future?” bloggers and Christian commentators are

discussing whether we need a “new of kind of Christianity.” In *Saving Christianity?* Dr. Michael Youssef explores this train of thought and its pitfalls. He describes how similar discussions in Christianity’s recent past explored the very same question. *Saving Christianity?* will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible. We dare not abandon this “mere faith,” as Dr. Youssef describes it, because it is the light for all humanity—and especially for those of us living in today’s chaotic times. After reading *Saving Christianity?* you’ll have a renewed confidence in the future of the church and the central place it will occupy for generations to come.

This six-session study, based on Alister McGrath's book *I Believe*, introduces us to the Apostles' Creed and the essential truths about God the Father, the person and work of Jesus Christ, and the Holy Spirit. The Apostles' Creed is an ideal starting point for this vital process of consolidating our grasp of the faith.

What books were left out of the Bible and why? First issued in 1926, this is the most popular collection of apocryphal and pseudepigraphal literature ever published. Here, in one place, are the infancy gospels, the letter of Jesus to Abgarus, the Gospel of Nicodemus, the Legends of Paul and Thecla, the Epistles of Clement and Barnabus, the Shepherd of Hermas, the Books of Adam and Eve, the Secrets of Enoch, the Psalms and Odes of Solomon, the many Testaments of the Patriarchs, and many more ancient books which were highly revered, but ultimately left out of the Bible.

Your Entrance Into the Apostles' Creed

Authentic Spirituality

*One of the most significant developments within contemporary American Christianity, especially among younger evangelicals, is a groundswell of interest in the Reformed tradition. In Reformed Resurgence, Brad Vermurlen provides a comprehensive sociological account of this phenomenon--known as New Calvinism--and what it entails for the broader evangelical landscape in the United States. Vermurlen develops a new theory for understanding how conservative religion can be strong and thrive in the hypermodern Western world. His paradigm uses and expands on strategic action field theory, a recent framework proposed for the study of movements and organizations that has rarely been applied to religion. This approach to religion moves beyond market dynamics and cultural happenstance and instead shows how religious strength can be fought for and won as the direct result of religious leaders' strategic actions and conflicts. But the battle comes at a cost. For the same reasons conservative Calvinistic belief is experiencing a resurgence, present-day American evangelicalism has turned in on itself. Vermurlen argues that in the end, evangelicalism in the United States consists of pockets of subcultural and local strength within the "cultural entropy" of secularization, as religious meanings and coherence fall apart.*

*Do miracles still happen today? What's the most spectacular miracle that's ever occurred? How is a miracle different from a coincidence? What effect should miracles have in my life? If you wonder about divine phenomena—their veracity, importance, frequency, source—Christian apologist Lee Strobel has answers to satisfy your mind and your heart. A former skeptic, Lee Strobel was convinced by the miracle of the resurrection that Jesus is the Son of God. This launched him on a two-year investigation of whether God is still performing miracles today. After witnessing multiple events in which God unmistakably intervened in people's lives in dramatic and well-documented ways, he was a skeptic no more. Through his research he also explored the existence of fake miracles, how God may use dreams and prayer to perform miracles, and whether miracles matter anymore. These frequently asked questions uncovered some astonishingly profound answers. Using the popular question-and-answer format, Lee will lead you on a voyage of discovery and discernment. You'll emerge with a deeper faith and a more profound sense of the lengths that God will go to strengthen the faith of His people.*

*The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave*

Leadership Principles from a Renowned Agent of Change Cultures and organizations do not change without strong leadership. While many leadership books focus on management or administration, the central focus of *The Conviction to Lead* is on changing minds. Dr. Mohler was the driving force behind the transformation of Southern Seminary from a liberal institution of waning influence to a thriving evangelical seminary at the heart of the Southern Baptist Convention. Since then he has been one of the most prominent voices in evangelicalism, fighting for Christian principles and challenging secular culture. Using his own experiences and examples from history, Dr. Mohler demonstrates that real leadership is a transferring of conviction to others, affecting their actions, motivations, intuition, and commitment. This practical guide walks the reader through what a leader needs to know, do, and be in order to affect change.

Modern Christians have often hesitated to embrace the ancient creeds because of our "nothing but the Bible" tradition. In *What Christians Ought to Believe* Michael Bird opens our eyes to the possibilities of the Apostle's Creed as a way to explore and understand the basic teachings of the Christian faith. Bringing together theological commentary, tips for application, and memorable illustrations, *What Christians Ought to Believe* summarizes the basic tenets of the Christian faith using the Apostle's Creed as its entryway. After first emphasizing the importance of creeds for the formation of the Christian faith, each chapter, following the Creed's outline, introduces the Father, the Son, and the Spirit and the Church. An appendix includes the Apostles' Creed in the original Latin and Greek. *What Christians Ought to Believe* is ideally suited for both the classroom and the church setting to teach beginning students and laypersons the basics of what Christians ought to affirm if they are to be called Christians.

*Deeper Than Words*

*The Conviction to Lead*

The president of Southern Baptist Theological Seminary reveals how understanding and living out of the oldest summary of Christian belief leads to a confident, bold, joy-filled existence in a world of confusion and uncertainty. The Apostles' Creed has shaped and guided Christian faith for almost two thousand years. Few documents in the history of the church have similar influence on the life of ordinary believers. Shared by Protestant, Roman Catholic, and Eastern Orthodox traditions, the Apostles' Creed is perhaps the most compelling and formidable statement of Christian doctrine the world has ever known. But do we know what it really means--and how it applies to us today? In *The Apostles' Creed*, renowned theologian and pastor R. Albert Mohler Jr. works line-by-line and phrase-by-phrase through each section of the Creed, explaining in clear terms what it means and how it equips Christians to live faithfully in a post-Christian culture. From understanding the nature of the Trinity and the miracle of the Incarnation to the world-shaking truth of the resurrection and the hope of Christ's return, the theological heritage contained in this ancient statement has the power to shape us for vibrant and steadfast living today. The Apostles' Creed shows us how.

*Acts* is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

The most significant issue on the religious scene is whether it is possible, or even desirable, to believe in God. Kaufman's valuable study does not offer a doctrine of God, but instead explores why God is a problem for many moderns, the dimensions of that problem, and the inner logic of the notion of God as it has developed in Western culture.

Alister McGrath unpacks the content of the Apostles' Creed and introduces us to the essential truths about God the Father, the person and work of Jesus Christ, and the Holy Spirit.

Living the Apostles' Creed

The Miracles Answer Book

Salvation by Allegiance Alone

Why God Calls Men to Love and Lead Their Families

*In this distinctive volume on the life of Jesus, Robert Peterson presents the biblical doctrine of Christ's saving work in a fresh and comprehensive way. Peterson's ability to explain the relationship between text and doctrine, to uncover connections that have eluded many others, and to organize the material in a way that makes it clear to seminarians and pastors and accessible to the layman, makes this volume a work to be noted. Peterson is as sound as they come, and his extensive preaching and teaching ministry enables him to make complex theological matters comprehensible to nonspecialists. Salvation Accomplished by the Son aims to glorify Christ by presenting the saving work of Jesus in greater scope than has previously been done, and to encourage Christians to worship and serve him. This book explains in detail what Christ has done to rescue us, both his deeds and the biblical pictures illustrating them. Offered here is a substantive, significant, and enduring treatise on a key Christian doctrine—the work of Christ.*

*That the man who has been called "the greatest British theologian of all time" should have no adequately researched biography of his life and times would be incredible if it were not a fact. But as Dr. Toon, an able historian who specializes in the Puritan era, shows in this book, John Owen was even more than just a great theologian. He exercised a profound influence on youth as Dean of Christ Church, and Vice Chancellor in the University of Oxford; he was also a statesman of no mean order, whose wisdom often prevented excesses into which his contemporaries would have fallen in their untampered zeal; but above all, he was a spiritual shepherd with a true pastor's heart who delighted in nothing so much as to feed the flock of God. Dr. Toon, who has been engaged for over four years on almost continuous research, has produced a volume full of new information as well as an assessment of the tremendous influence of this outstanding leader. The current worldwide interest in the Puritan period underlines the timeliness and importance of this new work. John Owen achieved national recognition when at the comparatively early age of thirty he preached before the House of Commons at St. Margaret's, Westminster. Yet his achievements would eventually be recorded in higher archives than any mere earthly ones, for he was to become a revered and redoubtable servant of the King of kings. Like many other renowned servants of God, John Owen cared little for personal aggrandizement and by his own command not one of his diaries has been preserved; and since the extant letters in which he lays bare his soul are very few, his biographer is hard put to find those personal touches which have helped to establish biography as an important part of English literature. Nevertheless this carefully researched study has been produced to help meet the need for a fuller life of this remarkable man.*

*To learn more about YOUCAT at the special website for it - [click here](#) YOUCAT is short for Youth Catechism of the Catholic Church, which was launched on World Youth Day, 2011. Developed with the help of young Catholics and written for high-school age people and young adults, YOUCAT is an accessible, contemporary expression of the Catholic Faith. The appealing graphic format includes Questions-and-Answers, highly-readable commentary, summary definitions of key terms, Bible citations and inspiring and thought-provoking quotes from Saints and others in the margins. What's more, YOUCAT is keyed to the Catechism of the Catholic Church, so people can go deeper. It explains: What Catholics believe and why (doctrine)How Catholics celebrate the mysteries of the faith (sacraments)How Catholics are to live (moral life)How they should pray (prayer and spirituality) The questions are direct and honest, even at times tough; the answers straightforward, relevant, and compelling. YOUCAT will likely become the "go-to" place for young people to learn the truth about the Catholic faith. Illustrated.*

*A groundbreaking book from the president of the Southern Baptist Theological Seminary that teaches readers how to participate in the radical, transformative prayer that Jesus taught his first disciples. The Lord's Prayer has been domesticated and tamed, turned into a safe series of comforting words and made familiar by repetition. In reality, writes Dr. Albert Mohler, the Lord's Prayer turns the world upside down, toppling every earthly power and announcing God's reign over all things, in heaven and on earth. The Lord's Prayer is the most powerful prayer in all the Bible, taught by Jesus to his own disciples. This generation of Christians desperately needs to relearn the Lord's Prayer and learn from Christ himself how we are to unleash the power and discipline of prayer*
