“Esofen signals with this book his presence in the top rank of authors of cultural criticism.” —American Spectator Play dates, soccer practice, day care, political correctness, drudgery without facts, television, video games, constant supervision, endless distractions: these and other insidious trends in child rearing and education are now the hallmarks of childhood. As author Anthony Esofen demonstrates in this elegantly written, often wickedly funny book, almost everything we are doing to children now constricts their imaginations. Ten Ways to Destroy the Imagination of Your Child takes square aim at these accelerating trends. This practical, insightful book is essential reading for any parent who cares about the paltry thing that childhood has become, and who wants to give a child something beyond the dull drone of today's culture.

Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors®.

The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

"This was amazing. I've never had a piece of literary fiction make me cry." - Reader Review Summer was bountiful. Winter was harsh and threatened to tear my family apart. When the danger came at night, Ma, Pa, my sister White-Ears and I fled from the safe place. It was supposed to be an adventure. Ma told me about the ocean and promised there would be lots of food. We would be a happy family again. But danger is never too far away. It was a cold and dark night when the strangers attacked. Snarling. Glowing green eyes and big teeth. The scent of blood everywhere. Ma and Pa held them off while I escaped with White-Ears. We are safe now, but White-Ears is horribly injured, and her illness is getting worse. I know I can help her get better. When she is healthy again, we will go to the ocean together, because Ma and Pa are waiting for us. Brilliant White Peaks is a raw, emotional journey told from a young wolf's perspective.

Written by authors born into the so-called " dilemma of intermarriage, " the stories in Half/Life explore the experience of being raised in a half-Jewish home. Though each essay is distinct, and the experiences are vastly different, each describes growing up without a streamlined identity, unsure of community or religious direction. From Jenny Traig, whose experiences led her to extreme devotion in the form of religious-obsessive compulsion (scrupulosity) to Thisbe Nissen, who finally felt Jewish after discovering a rosary in her boyfriend ' s sock drawer, these authors examine the complicated relationships they felt with the Jewish community and the world at large. By turns tragic and funny, religious and heartbreaking, angry and surprisingly familiar, Half/Life represents the altogether diverse memories and reflections of a handful of men and women who have spent a lifetime grappling with how to define themselves, or not. Resulting from that struggle is a complex exploration, and some truly brilliant prose.

Fyodor Dostoyevsky is a titanic figure among the world's great authors, and The Brothers Karamazov is often hailed as his finest novel. A masterpiece on many levels, it transcends the boundaries of a gripping murder mystery to become a moving account of the battle between love and hate, faith and despair, compassion and cruelty, good and evil.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

This carefully crafted ebook: “Demons (The Possessed / The Devils) - The Unabridged Garnett Translation” is formatted for your eReader with a functional and detailed table of contents. Demons is an 1872 novel by Fyodor Dostoyevsky. Though titled The Possessed in the initial English translation, Dostoyevsky scholars and later translations favour the titles The Devils or Demons. An extremely political book, Demons is a testimonial of life in Imperial Russia in the late 19th century. As the revolutionary democrats begin to rise in Russia, different ideologies begin to collide. Dostoyevsky casts a critical eye on both the liberal idealists, portraying their ideas and ideological foundation as demonic, and the conservative establishment's ineptitude in dealing with those ideas and their social consequences. The entire novel takes place in a small town outside of Petersburg and is narrated by a man named Mr. Govorov. Mr. Govorov does not witness every conversation first hand, but nonetheless the narrator describes the story as if he partook in every situation or as a chronicler, who had the events described to him. We know very little of Mr. Govorov, except that he is a close friend of Stephan Trofimovich. Fyodor Mikhailovich Dostoyevsky (1821 - 1881) was a Russian novelist, short story writer, essayist and philosopher. Dostoyevsky's literary works explore human psychology in the context of the troubled political, social, and spiritual atmosphere of 19th-century Russia. Many literary critics rate him as one of the greatest and most prominent psychologists in world literature.

Fyodor Dostoyevsky: The Complete Novels

USA Today gave it a 4-star rating, the Houston Chronicle called it "by far the best" and the New York Times says the "Hound takes the lead in a blaze of supplemental lists". The new 1996 edition of America's favorite guide to movies on video includes 1,000 new reviews.

First published in Germany in 1929, The End and the Beginning is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy Hungarian Empire, Hermynia Zur Muhlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband to begin a career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories and plays. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Muhlen's memoir - first published in 1970 and now edited by author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

Ten Ways to Destroy the Imagination of Your Child

Icons of Film

This book contains the classics novels of Fyodor Dostoyevsky in the chronological order of their original publication. - Poor Folk - The Double - Notes from Underground - Crime and Punishment - The Gambler - The Idiot - Demons - The Adolescent - The Dream of a Ridiculous Man - The Brothers Karamazov

A young Russian woman comes into her own in the midst of revolution and civil war in this "brilliant" novel set in "a world of furious beauty" (Los Angeles Review of Books). After the loves and betrayals of The Revolution of Marina M., young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the challenge of caring for these orphans, until they become the tool of tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. Chimes of a Lost Cathedral is the culmination of one woman's s journey through some of the most dramatic events of the last century -- the epic story of an artist who discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.

The magnificent second novel from the legendary author of One Flew Over the Cuckoo's Nest and Sailor Song is a wild-spirited and hugely powerful tale of an Oregon logging clan. A bitter strike is raging in a small lumber town along the Oregon coast. Bucking that strike out of sheer cussedness are the Stampers: Henry, the fiercely vital and overpowering patriarch; Hank, the son who has spent his life trying to live up to his father; and Viv, who fell in love with Hank's exuberant machismo but now finds it wearing thin. And then there is Leland, Henry's bookish younger son, who returns to his family on a mission of vengeance - and finds himself fulfilling it in ways he never imagined. Out of the Stamper family's rivalries and betrayals, Ken Kesey crafted a novel with the mythic impact of Greek tragedy.
