Holly Black's acclaimed Modern Faerie Tales series is now available in this special bind-up edition featuring all three books! Sixteen-year-old Kaye is a modern nomad. Fierce and independent, she travels from city to city with her mother's rock band until an ominous attack forces Kaye back to her childhood home. Move over, Charlotte Brontë. The authors of the New York Times bestselling My Lady Jane are back with an irreverent spin on Jane Eyre's tale of mischief, romance, and supernatural mayhem perfect for fans of The Princess Bride or A Gentleman's Guide to Vice and Virtue. You may think you know the story. Penniless orphan Jane Eyre begins a new life as a governess at Thornfield Hall, where she meets one dark, brooding Mr. Rochester—and, Reader, she marries him. Or does she? Prepare for an adventure of Gothic proportions, in which all is not as it seems, a certain gentleman is hiding more than skeletons in his closets, and one orphan Jane Eyre, aspiring author Charlotte Brontë, and supernatural investigator Alexander Blackwood are about to be drawn together on the most epic ghost hunt this side of Wuthering Heights.

Whether featuring tattooed demon hunters, angst-y vampires, supernatural gumshoes, or pixelated pixies, Urban Fantasy mashes up old-school tales with pop culture, creating iconic characters, diverging moralities, and complex settings. Urban fantasy is finally showcased in this star-studded collection, representing all three of its distinct styles, including the playful new mythologies of Charles de Lint, the sexy paranormal romances of Patricia Briggs, and the gritty urban noir of Neil Gaiman.

Seventeen-year-old Jayna wishes she could spend every second of the day with Andrew. He's her first love, and he understands her like nobody else can. Jayna just wishes Andrew's prejudiced family could accept her - but when they're alone together, it hardly seems to matter. But something strange has happened to Andrew. He looks . . . different. Pale and drawn, as if he hasn't been outside for days, with mysteriously cold green eyes. He won't go out in the sunlight, and he's unnaturally fast and strong. And now he wants Jayna to join him. Now she has to make the choice: to lose Andrew forever, or to be with him always - no matter the cost.

The Book of Blood and Shadow

After sixteen-year-old vampire Pearl Sange is stabbed through the heart by a were-unicorn, she develops non-vampire-like traits that lead her to save her high school classmates from the Vampire King of New England.

It was like a nightmare, but there was no waking up. When the night began, Nora had two best friends and a boyfriend she adored. When it ended, she had nothing but blood on her hands. Chris was dead. Adriane couldn't speak. And Max, Nora's sweet, smart, soft-spoken Prince Charming, was gone. He was also—according to the police, according to her parents, according to everyone—a murderer. Desperate to prove his innocence, Nora's determined to follow the trail of blood, no matter where it leads. But Chris's murder is just one piece in a puzzle that spans continents and centuries. Solving it may be the only way she can save her own life.

Alexis is the last girl you'd expect to sell her soul. She already has everything she needs--an adorable boyfriend, the perfect best friend, and a little sister who's finally recovering after being possessed by an evil spirit, then institutionalized. Alexis is thrilled when her sister joins a club; new friends are just what Kasey needs. It's strange, though, to see how fast the girls in The Sunshine Club go from dorky and antisocial to gorgeous and popular.

A tantalizing selection of stories from some of the best female authors who've helped define the modern vampire. Bram Stoker was hardly the first author—male or female—to fictionalize the folkloric vampire, but he defined the modern iconic vampire when Dracula appeared in 1897. Since then, many have reinterpreted the ever-versatile vampire over and over again—and female writers have played vital roles in proving that the vampire, as well as our perpetual fascination with it, is truly immortal. These authors have devised some of the most fascinating, popular, and entertaining of our many vampiric variations: suavely sensual . . . fascinating but fatal . . . sexy and smart . . . undead but prone to detection . . . tormented or terrifying . . . amusing or amoral . . . doomed or deadly . . . badass and beautiful . . . cutting-edge or classic . . . Blood Sisters collects a wide range of fantastical stories from New York Times bestsellers Holly Black, Nancy Holder, Catherynne M. Valente, and Carrie Vaughn, and critically acclaimed writers Chelsea Quinn Yarbro and Tanith Lee, all of whom have left their indelible and unique stamps on the vampire genre. Whether they are undeniably heroes and heroines or bloodthirsty monsters (or something in between), the undead are a lively lot. This anthology offers some of the best short fiction ever written by the “blood sisters” who know them best: stories you can really sink your teeth into.

Tana lives in a world where walled cities called Coldtowns exist. In them, quarantined monsters and humans mingle in a decadently bloody mix of predator and prey. The only problem is, once you pass through Coldtown's gates, you can never leave. One morning, after a perfectly ordinary party, Tana wakes up surrounded by corpses. The only other survivors of this massacre are her exasperatingly endearing ex-boyfriend, infected and on the edge, and a mysterious boy burdened with a terrible secret. Shaken and determined, Tana enters a race against the clock to save the three of them the only way she knows how: by going straight to the wicked, opulent heart of Coldtown itself. The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black.

The Edgar Award-winning author of Never Trust a Dead Man puts a terrifying spin on what should be a typical night in a small town. Sixteen-year-old Kerry has got a tough night ahead of her. What begins as a simple lost-and-found trip to the laundromat to rescue her little brother's stuffed koala bear turns into a nightmarish odyssey of murder, vampires, and—quite possibly—true love. “Interview with a Vampire for the learner's permit set.” —The Horn Book “A freshly written thriller, an offbeat love story, an engaging twist on the vampire novel, and an exciting tale of moral complexity Point [this] book at the Lois Duncan fans as well as Anne Rice followers, and get out of the way.” —The Bulletin “[Vande Velde] is a master at taking traditional fairy-tale-like themes and making them fresh and totally unique. Desperate for help, Casey and her friends find themselves running through the putrid subway tunnels, searching for a way out. But every manhole is sealed shut, and every noise echoes eerily in the dark, reminding them they're not alone. They're being hunted. This repackaged edition of a classic sci-fi tale from a master storyteller explores the life of a vampire on a Mars-like colony as she struggles to hide her true nature. On the rosy sands of a distant Earth colony, Sabella lives a quiet life in her isolated home—carefully hiding her vampirism from society. Sabella may not be undead, but she is painfully allergic to sunlight, possesses supernatural strength and speed, and feeds on fresh blood. In her youth, Sabella seduced a number of men, killing them all for fear of discovery. But with age comes control, and Sabella has sworn off of drinking human blood. After four years of staying clean, Sabella receives an invitation to her Aunt Cassi's funeral—along with several thousand credits to ensure she attends the reading of the will. But when Sabella arrives at the funeral, she discovers that the funds were a ruse. Before her death, Cassi—a devout Christian Revivalist—discovered the truth about Sabella and tasked her manservant, John Trim, to hunt Sabella down. Trim hires private investigator Sand Vincent to get close to Sabella and suss out the truth. But Sand is only human—and Sabella anything but. As Sand becomes enthralled by Sabella's charm, Sabella must combat her own instincts to keep him alive—and society's suspicions away.

Doug Lee is undead quite by accident—attacked by a desperate vampire, he finds himself cursed with being fat and fifteen forever. When he has no luck finding some goth chick with a vampire fetish, he resorts to sucking the blood of cows under cover of the night. But it’s just not the same. Then he meets the new Indian exchange student and falls for her—hard. Yeah, he wants to bite her, but he also wants to prove himself to her. But like the laws of life, love, and high school, the laws of vampire existence are complicated—it’s not as easy as studying Dracula. Especially when the star of Vampire Hunters is hot on your trail in an attempt to boost ratings. . . . Searing, hilarious, and always unexpected, Fat Vampire is a satirical tour de force from one of the most original writers of fiction today.
