The Elementals

John Sallis's thought is oriented to two overarching tasks: to bring to light the elemental in nature and to show how the imagination operates at the very center of human experience. He undertakes these tasks by analyzing a broad range of phenomena, including perception, the body, the natural world, art, space, and the cosmos. In every case, Sallis develops an

The struggle for power heats up in book two of this heart-stopping adventure series about siblings with magical shapeshifter powers, from New York Times bestselling author Amie Kaufman. After the fateful battle between the ice wolves and the scorch dragons, Anders and his twin sister, Rayna, have been reunited. But there's no time to celebrate. The temperature all over Vallen is starting to drop. And Anders quickly learns that the wolves have stolen a weather-altering artifact called the Snowstone, and every dragon, including Rayna, is now in danger. Desperate to broker

must work together to find a way back home, but the home they left is no longer the world they knew. Never before seen images!

When Becca Chandler saves Chris Merrick from being beaten up in the school parking lot, she has no idea how dramatically this one action will change her life. Because Chris Merrick is no ordinary guy and neither are his three older brothers. The Merrick boys are Elementals. Hot. Powerful. Dangerous. Marked for death.

In BOOK 1: REINTRODUCTION, the Elementals proved themselves by claiming the Stone Key. In BOOK 2: RELEASE, along with Royal Protector Aelek, the Elementals assisted in the rescue of Princess Yiseem, who had been kidnapped for mysterious reasons by the evil General Ruin. In BOOK 3: REFORM, we follow the knife-wielding Aelek as he reveals that Yiseem's father, the king of Corvelt, has been protecting another Stone Key. Meanwhile, Ruin is more determined than ever to get his scaly coils around the Elemental talisman. And now, the twisted Devidisian general has help, in the form of Jack Diamond, a young assassin in dark glasses, with twin arsenals implanted in his forearms and a penchant for

disappearance of a friend, who must face the truth The Elementals is on one level an intriguing coming-of-age novel about a young woman, Ariel Silverman, facing the challenges of her first years away at college in Berkeley, California, while her mother battles cancer at home in Los Angeles. But the book takes on deeper, stranger meanings when we realize that Ariel is haunted by the disappearance of her best friend, Jeni, who vanished without a trace a few years before, closing Ariel's heart and changing her forever. Ariel wonders if she will ever be fully alive, until she meets three mysterious, beautiful and seductive young people living in a strange old house in the Berkeley hills. Through them Ariel
