The second novel by Donna Tartt, bestselling author of The Goldfinch (winner of the 2014 Pulitzer Prize), The Little Friend is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother’s Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents’ yard. Twelve years later Robin’s murder is still unsolved and his family remains devastated. So it is that Robin’s sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson--sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town’s rigid lines of race and caste and burrows deep into her family’s history of loss. Filled with hairpin turns of plot and “a bustling, ridiculous humanity worthy of Dickens” (The New York Times Book Review), The Little Friend is a work of myriad enchantments by a writer of prodigious talent.

The graded readers series of original fiction, adapted fiction and factbooks especially written for teenagers. Settle in for a sweet treat with this classic Christmas story from #1 New York Times bestselling author Debbie Macomber. Emma Collins has always believed that the world is divided into two kinds of people: those who love fruitcake and those who don't. She's firmly in the second category, so it's ironic that her first major assignment for the Puyallup, Washington, Examiner is a series of articles about...fruitcake. At least it's a step up from writing obituaries. Her task is to interview the finalists in a fruitcake recipe contest, and that means traveling around the state. Actually...flying around the state. Local pilot Oliver Hamilton, who's starting an airfreight business, has agreed to take her wherever she needs to go, in exchange for free advertising. Unfortunately Emma hates small planes--almost as much as she hates fruitcake. But in the weeks leading up to Christmas, Emma discovers Oliver is not quite the Scrooge he sometimes seems. It all reminds her that there's something about Christmas. Something special... Originally published in 2005

With his fine cat Tabby at his side, Mr. Putter bakes a Christmas cake for his neighbor Mrs. Teaberry.

Ah, the sweet memories of Christmas. Gifts under the tree. Cookies for Santa. And, of course, the annual fruitcake. For young David Valdes Greenwood, the indomitable “little fruitcake” at the center of these tales, nothing is sweeter than the promise of the holidays. A modern-day Tiny Tim, he holds fast to his ideal of what Christmas should be, despite the huge odds against him: Sub-zero Maine winters. A host of eccentric relatives. And his constant foil: a frugal, God-fearing Grammy who seems determined to bring an end to all his fun. A book that's “fa-la-la-licious” (Louisville Courier Journal) and filled with funny, charming Yuletide memories (from building a Lego® manger to hunting for the perfect Christmas tree), A Little Fruitcake will inspire even the biggest Grinches around. Cardinal George Pell pleaded not guilty before a jury to child sexual assault charges in 2018. The public knew little of the proceedings because the trial judge had imposed a suppression order, prohibiting the media from publicising the evidence and court proceedings. Fr Frank Brennan SJ was asked by the Australian Catholic bishops to follow the proceedings and to offer commentary on the conduct of the proceedings once the suppression orders were lifted. The bishops asked that the commentary be seen, as far as possible, to be clear, objective and impartial. Cardinal Pell granted Brennan access to the published transcript of the proceedings. At the first trial, the jury could not reach agreement. So Pell was tried again when the jury convicted him of all five charges. Brennan attended critical parts of both trials, as well as the unsuccessful appeal before Victorian Supreme Court and the successful appeal in the High Court of Australia with all seven members of the nation's highest court acquitting Pell of all charges on 7 April 2020. After the initial conviction and after the ultimate acquittal, Brennan wrote a series of articles and was interviewed in the media. This book provides a chronology of his reportage, including an assessment of the flawed adverse findings made against Pell by the Royal Commission into Institutional Responses to Child Sexual Abuse. Brennan identifies the failures of the Victoria police, prosecution authorities, and Victoria's two most senior judges. Brennan concludes that these failures 'did nothing to help the efforts being made to address the trauma of institutional child sexual abuse. As a society we need to do better, and the legal system needs to play its part.'

One of NPR’s Best Books of the Year From the author of Nothing to Declare, a moving travel narrative examining healing, redemption, and what it means to be a solo woman on the road. In February 2008, a casual afternoon of ice skating derailed the trip of a lifetime. Mary Morris was on the verge of a well-earned sabbatical, but instead she endured three months in a wheelchair, two surgeries, and extensive rehabilitation. One morning, when she was supposed to be in Morocco, Morris was lying on the sofa reading Death in Venice, casting her eyes over these words again and again: “He would go on a journey. Not far. Not all the way to the tigers.” Disaster shifted to possibility and Morris made a decision. When she was well enough to walk again, she would go “all the way to the tigers.” So begins a three-year odyssey that takes Morris to India on a tiger safari in search of the world’s most elusive apex predator. Written in over a hundred short chapters accompanied by the author’s photographs, this travel memoir offers an elegiac, wry, and wise look at a woman on the road and the glorious, elusive creature she seeks.

How far will four friends go for immortality? This novel is Hugo and Nebula Award-winning author “Robert Silverberg at his very best” (George R. R. Martin). After Eli, a scholarly college student, finds and translates an ancient manuscript called The Book of Skulls, he and his friends embark on a cross-country trip to Arizona in search of a legendary monastery where they hope to find the secret of immortality. On the journey with Eli, there’s Timothy, an upper-class WASP with a trust fund and a solid sense of entitlement; Ned, a cynical poet and alienated gay man; and Oliver, a Kansas farm boy who escaped his rural origins and now wants to escape death. If they can find the House of Skulls where immortal monks allegedly reside, they’ll undergo a rigorous initiation. But do those eight grinning skulls mean the joke will be on them? For a sacrifice will be required. Two must die so that two may live forever . . . Stretching the boundary between science fiction and horror, Robert Silverberg masterfully probes deeper existential questions of morality, brotherhood, and self-determined destiny in what Harlan Ellison refers to as “one of my favorite nightmare novels.” This ebook features an illustrated biography of Robert Silverberg including rare images from the author’s personal collection.
