

## The God Of The Bible And The God Of The Philosopher

Given the popular-level conversations on phenomena like the Gospel of Thomas and Bart Ehrman's Misquoting Jesus, as well as the current gap in evangelical scholarship on the origins of the New Testament, Michael Kruger's Canon Revisited meets a significant need for an up-to-date work on canon by addressing recent developments in the field. He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds, mining the text itself for direction in understanding what the original authors and audiences believed the canon to be. Canon Revisited provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms, and read by pastors and educated lay leaders alike. In contrast to the prior volumes on canon, this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed. Rather than simply discussing the history of canon—rehashing the Patristic data yet again—Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative. In effect, this work successfully unites both the theology and the historical development of the canon, ultimately serving as a practical defense for the authority of the New Testament books.

Analyzes the stories of the Old and New Testaments in terms of their origins, and compares them with earlier myths and religions

“My purpose and effort in writing this “holy history” was always to persuade the reader to feel - to experience, in fact and in spirit - this, the greatest of stories.” This innovative, dramatic and highly readable retelling of the Bible - from the Creation to the Acts of the Apostles - in the style of an epic novel has sold 1.5 million copies worldwide. This blockbuster is now being reissued with a striking new cover for the 21st century.

Early Christology must focus not simply on "historical" but also on theological ideas found in contemporary Jewish thought and practice. In this book, a range of distinguished contributors considers the context and formation of early Jewish and Christian devotion to God alone—the emergence of "monotheism". The idea of monotheism is critically examined from various perspectives, including the history of ideas, Graeco-Roman religions, early Jewish mediator figures, scripture exegesis, and the history of its use as a theological category. The studies explore different ways of conceiving of early Christian monotheism today, asking whether monotheism is a conceptually useful category, whether it may be applied cautiously and with qualifications, or whether it is to be questioned in favor of different approaches to understanding the origins of Jewish and Christian beliefs and worship. This is volume 1 in the Early Christianity in Context series and volume 263 in the Journal for the Study of the New Testament Supplement Series>

***A brief rebuttal to several points of Biblical theology by this well known debater is the subject of this booklet which is one of the authors most popular books.***

***The Armor of God, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.***

***Despite living in a very connected world today, few of us have any real understanding of the history of nations. Secular scholars and scientists from various fields rarely consult the Bible's rich history on the subject. Yet if we consider what the Bible has to say about the global community's past—and future—achievements and mistakes, we discover a saga as fascinating as anything produced in Hollywood. In God & the Nations, Dr. Henry Morris does an unusual thing: he shows clearly that God is even more interested in the fate of each person as He is about the unfolding of national stories. Additionally, he delves into the mysterious world of Bible prophecy to proclaim the God of the Bible as truly unique. Morris, through this study of civilizations, reveals the origins and purpose for the whole world!***

***Sixty-six books, forty authors, written over nearly 2,000 years, in many different genres. A worldwide best-seller published in countless translations and languages. A book that has been sworn by in court, fought over, and quoted in arguments. Clearly, the Bible is no ordinary book. So how can we begin to read and understand the Bible as a whole? In this excellent overview, Vaughan Roberts paints the big picture, showing how the different parts of the Bible fit together under the theme of the kingdom of God. He offers us tools to read it with confidence, enthusiasm and understanding. Vaughan points us to the Bible's supreme subject, Jesus Christ, and the salvation God offers through him.***

***Is the God of the Old Testament Angry, Sexist and Racist?***

***What Kind of God?***

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

"As you take God's Word and apply its eternal principles to the everyday issues you face with your family, you will begin to create a godly heritage - a legacy that will impact that generations to come in ways you never dreamed possible." -Ken Ham Christian families are struggling in a culture hostile to Christian values, and increasingly find themselves searching for answers and strategies to be more effective. Parents also face a disturbing trend of young

people leaving home and leaving the church - and want to insure their children have a strong foundation of biblical faith and understanding. Discover how to create an incredible faith legacy in your family! Raising Godly Children in an Ungodly World presents empowering insight for: Surviving the culture wars as a family Educating children - the Bible offers guidance Practical tips for raising spiritually-healthy children Solutions to the root cause of dysfunctional families Discovering biblical authority as a parent Discipline - necessary and lovingly administered Ken Ham is joined by his brother, Steve Ham, in presenting this powerful look at how the principles and truth of Genesis are vital to the strong and lasting foundation of a family. Sharing their own stories of growing up in a "Genesis" family and sharing this legacy within their own families, it is an intensely personal and practical guide for parents.

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Meditations of a Christian Hedonist

***An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In God and Sex, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. God and Sex is certain to provoke, entertain, and enlighten readers.***

***Misunderstanding God of the Bible, having doubts and great questions about the things and decisions God made from the Old Testament answered in this book. Clarifying the difference between God of Old Testament and New Testament through the eyes of Jesus.***

Bible characters are intriguing people, and we can learn a lot from their lives. That's the idea behind Fascinating People of the Bible. For scores of Bible men and women—famous, not-so-famous, and infamous—a daily reading provides a brief, easy-to-read biography along with a devotional or inspirational takeaway. Bonus features—such as “Did You Know?”—provide additional detail on the background for each character. Read it as a daily devotional, or use it for a group study—Fascinating People of the Bible is sure to enhance your biblical knowledge and spiritual experience.

In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what

Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

A portrait of God as envisioned by early Israelites describes Him as an accessible inhabitant of a parallel spiritual world who was human-like in appearance and who often made Himself known to people. Reprint. 15,000 first printing.

WINNER OF THE 2019 DUFF COOPER PRIZE THE SUNDAY TIMES BESTSELLER 'With emotional and psychological insight, Barton unlocks this sleeping giant of our culture. In the process, he has produced a masterpiece.' Sunday Times The Bible is the central book of Western culture. For the two faiths which hold it sacred, it is the bedrock of their religion, a singular authority on what to believe and how to live. For non-believers too, it has a commanding status: it is one of the great works of world literature, woven to an unparalleled degree into our language and thought. This book tells the story of the Bible, explaining how it came to be constructed and how it has been understood, from its remote beginnings down to the present. John Barton describes how the narratives, laws, proverbs, prophecies, poems and letters which comprise the Bible were written and when, what we know - and what we cannot know - about their authors and what they might have meant, as well as how these extraordinarily disparate writings relate to each other. His incisive readings shed new light on even the most familiar passages, exposing not only the sources and traditions behind them, but also the busy hands of the scribes and editors who assembled and reshaped them. Untangling the process by which some texts which were regarded as holy, became canonical and were included, and others didn't, Barton demonstrates that the Bible is not the fixed text it is often perceived to be, but the result of a long and intriguing evolution. Tracing its

dissemination, translation and interpretation in Judaism and Christianity from Antiquity to the rise of modern biblical scholarship, Barton elucidates how meaning has both been drawn from the Bible and imposed upon it. Part of the book's originality is to illuminate the gap between religion and scripture, the ways in which neither maps exactly onto the other, and how religious thinkers from Augustine to Luther and Spinoza have reckoned with this. Barton shows that if we are to regard the Bible as 'authoritative', it cannot be as believers have so often done in the past.

A History of the Bible

Reading the Bible with a Missional Church

The Knowledge of the Holy

The Jefferson Bible

God has a bad reputation. Many think of God as wrathful and angry, smiting people right and left for no apparent reason. The Old Testament in particular seems at times to portray God as capricious and malevolent, wiping out armies and nations, punishing enemies with extreme prejudice. But wait. The story is more complicated than that. Alongside troubling passages of God's punishment and judgment are pictures of God's love, forgiveness, goodness and slowness to anger. How do we make sense of the seeming contradiction? Can God be trusted or not? David Lamb unpacks the complexity of the Old Testament to explore the character of God. He provides historical and cultural background to shed light on problematic passages and to bring underlying themes to the fore. Without minimizing the sometimes harsh realities of the biblical record, Lamb assembles an overall portrait that gives coherence to our understanding of God in both the Old and New Testaments.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Travel with Sean Gladding between the lines of the Scriptures to listen to the conversations of people wrestling with the Story of God for the first time. Whether by campfire in Babylon, at table in Asia Minor or by candlelight in Rome, you'll hear a tale that is at once familiar and surprising.

How does a missional mindset or perspective impact the way we read Scripture? How does the Bible speak to and through a missional disciple? And seriously, what kind of God is God? A missional reading of Scripture is pivotal to helping the church find its way back to its

true vocation and to helping newly forming missional communities follow the triune God revealed in Jesus. To the extent that the church is absorbed with itself and its own comfort and agendas, it has forsaken the God revealed in Jesus, whom we claim to follow. The mission of God will lead us to confront the injustices in our society, shed light on the lies we tell ourselves, and name the sickness in our midst. Reading the Bible with (and as) a missional church means we approach the Bible with the assumption that God is actually up to something in this world, that we are all called to play an active role in that something, and that the Bible is the story of that something. What kind of God is God? We invite you to read with us, and see for yourself.

Getting Lost and Found in the Bible

Discerning the Voice of God

Demolishing Supposed Bible Contradictions Volume 2

This detailed chronological study by a noted scholar describes the unfolding Old Testament concept of Messiah.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus's divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was, and is, God. But this is not what the original disciples believed during Jesus's lifetime—and it is not what Jesus claimed about himself. How Jesus Became God tells the story of an idea that shaped Christianity, and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts, and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all

things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus's followers had visions of him after his death—alive again—did anyone come to think that he, the prophet from Galilee, had become God. And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, *How Jesus Became God* will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity: Jesus was, and is, God.

*The Knowledge of the Holy* by A.W. Tozer illuminates God's attributes—from wisdom, to grace, to mercy—and in doing so, attempts to restore the majesty and wonder of God in the hearts and minds of all Christians. It teaches us how we can rejuvenate our prayer life, meditate more reverently, understand God more deeply and experience God's presence in our daily lives.

"Magisterial. . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

If you want to know God's heart, the best way is to read His Word. Back to the Bible president Woodrow Kroll takes the intimidation out of reading the Bible. Designed to help ordinary people connect with God through His Word, this book explores tangible ways to prepare yourself, define your expectations, and profit from the experience. The author also shares personal discoveries that have revolutionized his understanding of Scripture. You'll find simple keys to understanding the Bible and solid insights on making the intimate connection with God happen. Some people have read God's Book for years without ever meeting the Author. Do you struggle with the Bible, wondering how to find God in the pages of His Word? Wonder no more! God is waiting for people just like you—spiritual seekers who want to know the truth, who want to meet Him personally. In *How to Find God in the Bible*, Woodrow Kroll will take you on a fascinating journey of personal discovery. You'll learn how to understand the world's most important book, and why you can trust it completely. Inside you'll uncover insights that can change your life today. And—maybe for the first time—you'll encounter the God you've been looking for all along. *Story Behind the Book* As a well-known and respected Bible teacher, I have often been asked, "I read that same passage and I didn't see that in there. How do you find those insights that seem to be hidden to others?" I have written this book to help new believers and those struggling to make sense of their faith or the Bible. It reveals my "secrets" to making sense of

*the Bible and makes simple what some may view as complicated in God's Word.*

*The Bible is accurate and without error! Demolishing Supposed Bible Contradictions Volume 2 offers 40 powerful explanations to prove it. There is an increasing focus in our culture on dismissing the Bible and its authority. Generations of skeptics and the religion of evolution have influenced even some Christian leaders. By highlighting supposed errors or inconsistencies in the Bible, doubt is created in the minds of believers and stumbling blocks are put up for those trying to present the Gospel. But Biblical evidence disproves the toughest of critics while bringing to light the indestructible power of God's Word. Tim Chaffey, Ken Ham, and Bodie Hodge of Answers in Genesis highlight the answers to these debates and more: Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture? After His resurrection, did Jesus first appear to the eleven disciples on a mountain in Galilee or in Jerusalem behind closed doors? Can God be tempted? Why don't Christians follow all the Old Testament laws? Demolishing Supposed Bible Contradictions Volumes 1 and 2 are must-have references for every believer who wants to have an answer to give to those who ask a reason for their hope (1 Peter 3:15). Join the battle armed with the sword of Spirit, the truth that will defeat the lies aimed for this generation and those to follow.*

*JOAN OF ARC...Saint? Witch? Holy warrior? Agent of the devil? Lucky peasant? Adolescent prophet? 15th century mystic? God sent? Whatever the case, at seventeen years old Joan of Arc remains the youngest supreme military commander (male or female) in history. Her story attracts Catholics, Protestants, and nonbelievers alike. Her well documented accomplishments are universally accepted. But the question remains: HOW was she able to save France during the 15th century? Joan, for her part, always claimed that she was sent by God. But could this really be true? Although much has been written about her, no scripturally based examination of her case has been recorded. Until now. In this Revised and Expanded Edition, author Chris Snidow studies the many parallels between Joan and the saints and prophets of the Bible, providing striking and undeniable similarities between these powerful witnesses for God. Her interactions with God's messengers, fulfilled prophecies, humble spirit, bold actions, love of God, and prayer-centered life are all consistent with those of the great prophet/saints of Scripture. People have wrestled with the supernatural aspects of her case for centuries. Here and now, during this time of increasing New Age and other spiritualities, Joan of Arc makes a powerful witness for the triune God of the Bible. "This book is a fascinating read! I have thoroughly enjoyed learning more about ...how she has been a neglected figure among Protestants especially. Her life as revealed in this book is an inspiration and she is a true hero of the faith. What a fascinating figure!" Michael Craven, Center for Christ & Culture "Excellent work! Very interesting; FIVE stars-I have seen no others like it. Excellent study of Joan in relationship to the Bible. He makes a very strong case for her being sent by God, using frequent Bible quotations to make his points. Easy to read and keeps your attention. Well researched, and written...I HIGHLY recommend this book." ReviewScout.co.uk. "A great success!...not your typical Joan of Arc book, one full of scholastic, boring pretentiousness. Rather it is an easy read...and carries you along like a good detective story. The parallels between Joan and the prophets are great! ...This serious book has a sense of humor to it also, and so spurs the reader on to read it to the very end." Father Claude Girault, Recteur of the Cathédrale Sainte Croix, Orléans, France "Wow. Very impressive!" The Rev. Josh Acton, St Lukes Episcopal, Dallas, TX "Chris brings to life Joan of Arc's story in an unprecedented and original way..." Marie-Véronique Clin, co-author with Régine Pernoud of Joan of Arc- Her Story, and many others "I found this book very inspired, luminous, readable and enjoyed it very much...it makes you want to read it to the very end...and it speaks to the young people of today." Father Mengin, Former Rector of the Saint Joan of Arc Basilique of Domrémy, France "Fabulous! Refreshing! ..." Noelle Legué, Paris, France "Highly recommended! Chris Snidow's book is fascinating! Irrespective of whether the reader is Catholic, Protestant, or agnostic, I believe that their understanding of Joan of Arc will be greatly affected by this book, if not entirely changed...5 stars" Terence Moeller, Dramas of Kalalau "This book is excellent!" Brian Morgan, Park Falls, WI, USA "I read this book in one sitting. I couldn't put it down...a wonderful success." Jacques Lecat, lawyer, le Touquet, France "Chris Snidow*

*has created a wonderful book...I highly recommend this book...Chris' approach is unique in that he focuses on explaining HOW Joan of Arc was able to do what she did... well written and flows easily along ..."* 5 stars, Ben D. Kennedy, Maid of Heaven *"I was impressed and intrigued with his unique perspective ...his writing style is easy to read, very interesting, and informative. I highly recommend this book..."* Virginia Frohlick, Joan of Arc Center, Albuquerque, NM

*Joan of Arc and the God of the Bible*

*Myths of the Bible*

*The Gospel According to Mark*

For half a century, J. I. Packer's classic has helped Christians around the world discover the wonder, the glory, and the joy of knowing God. Now featured in the IVP Signature Collection, this thought-provoking work seeks to renew and enrich our understanding of God, bringing together knowing about God and knowing God through a close relationship with Jesus Christ.

Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's words are being heard and read by millions today words like: "Origin is a creature word... All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent." "You'll never find Him on your own... He is far away in one sense, but in another He is as near as your heartbeat, for the cross has bridged the gulf." "If there is anything God could learn, it would mean that God didn't know it before. If he didn't know it before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.
