

## The Hunger Games The Special Edition Hunger Games

The definitive, richly illustrated, full-color guide to all the districts of Panem, all the participants in the Hunger Games, and the life and home of Katniss Everdeen>Welcome to Panem, the world of the Hunger Games. This is the definitive, richly illustrated, full-color guide to all the districts of Panem, all the participants in The Hunger Games, and the life and home of Katniss Everdeen. A must-have for fans of both The Hunger Games novels and the new Hunger Games film.

Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called ‘The Hunger Games’. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister’s place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature. Facing fears can be scary... Owyly and Wormy love making new friends, and when they spot an unfamiliar animal flying through the trees, they can’t wait to meet her! Unfortunately, Shadow the flying squirrel doesn’t want to be friends with Owyly because she’s afraid of him. Wormy tries to convince Shadow that she can trust Owyly, but she’s still scared... When Wormy gets stuck high up in a tree, Owyly’s own fear of flying keeps him grounded. Can Owyly overcome his fears? And will Shadow be able to do the same?Through a unique blend of words and symbols, Owyly can be read by the youngest readers, and is a great introduction to graphic novels!

[Moves and counter moves. The Hunger Games series follows the birth of a rebellion that takes on the Capitol’s overbearing power. As we read about Katniss’s journey from protecting her sister to embodying the hope of those long oppressed, political themes surface again and again. What does it mean to be a responsible political figure when living in a prison state? Who is the most effective political leader in the rebels’ midst? This book explores these questions and others as it examines the ways that The Hunger Games series mirrors some of America’s political questions.

Emotional Ethics of The Hunger Games

The Hunger Games Box Set

A Critique of Pure Treason

***The New York Times bestselling Hunger Games is now a major motion picture -- and here is the ultimate guide to the all the tributes in the 74th annual Hunger Games!***

***This Special Edition of The Hunger Games includes the most extensive interview Suzanne Collins has given since the publication of The Hunger Games; an absorbing behind-the-scenes look at the creation of the series; and an engaging archival conversation between Suzanne Collins and YA legend Walter Dean Myers on writing about war. The Special Edition answers many questions fans have had over the years, and gives great insight into the creation of this era-defining work. In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV.Sixteen-year-old Katniss Everdeen regards it as a death sentence when she steps forward to take her sister's place in the Games. But Katniss has been close to death before-and survival, for her, is second nature. Still, if she is to win, she will have to start making choices that weigh survival against humanity and life against love.***

***Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death.***

***Outside the arena, Coriolanus starts to feel for his doomed tribute... and must weigh his need to follow the rules against his desire to survive no matter what it takes. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister's place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.***

Approaching the Hunger Games Trilogy

The Hunger Games Book 2: Catching Fire - Special Sales Edition

Desire, Intent and Action in the Novels

*A philosophical exploration of Suzanne Collins's New YorkTimes bestselling series, just in time for the release ofThe Hunger Games movie Katniss Everdeen is "the girl who was on fire," but she is alsothe girl who made us think, dream, question authority, and rebel.The post-apocalyptic world of Panem's twelve districts is a dividedsociety on the brink of war and struggling to survive, while theCapitol lives in the lap of luxury and pure contentment. As everturn in the Hunger Games trilogy, Katniss, Peeta, Gale, and therrmany allies wrestle with harrowing choices and ethical dilemmas that push them to the brink. Is it okay for Katniss to break below to ensure her family's survival? Do ordinary moral rules applyin the Arena? Can the world of The Hunger Games shine alight into the dark corners of our world? Why do we often enjoywatching others suffer? How can we distinguish between what's Realand Not Real? This book draws on some of history's most engagingphilosophical thinkers to take you deeper into the story and isstems, such as sacrifice, altruism, moral choice, and gender. Gives you new insights into the Hunger Games series and its keycharacters, plot lines, and ideas Examines important themes such as the state of nature, war,celebrity, authenticity, and social class Applies the perspective of some of world's greatest minds, such as Charles Darwin, Thomas Hobbes, Friedrich Nietzsche, Plato, andImmanuel Kant to the Hunger Games trilogy Covers all three books in the Hunger Games trilogy as essential companion For Hunger Games fans, this book willtake you He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death.*

*Suzanne Collins' dystopian trilogy envisions a world where survival and violence quite literally take the center stage. To maintain order, suppress independence, and punish past rebellions, the Capitol selects two participants, or tributes, from each of the twelve districts to fight in an annual televised death match called the Hunger Games. This compelling edition explores Suzanne Collins' The Hunger Games through the lens of violence. The book provides biographical information about the author and offers a perspective on her influences. A series of essays, which discuss aspects of the novel, focusing on Katniss, her struggles, and the meaning and impact of violence, allow readers to gain a greater insight into the intersection between social issues and literature.*

This 10th Anniversary Edition of THE HUNGER GAMES contains more than fifty pages of new bonus material, including the most extensive interview Suzanne Collins has given since the publication of The Hunger Games, which provides an absorbing behind-the-scenes look at the creation of the series; and an engaging archival conversation between Suzanne Collins and YA legend Walter Dean Myers on writing about war. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister’s place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.

"This book addresses Suzanne Collins's work from a number of literary and cultural perspectives in an effort to better understand both its significance and appeal. Assuming that readers are familiar with all three volumes of The Hunger Games, the book also avoids plot summary and character analysis, instead focusing on the significance of the story and its characters"--Provided by publisher

First in the ground-breaking HUNGER GAMES trilogy. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister’s place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.

The 2012 film The Hunger Games and its three sequels, appearing quickly over the following three years, represent one of the most successful examples of the contemporary popularity of youth-oriented speculative film and television series. This book considers “The Hunger Games” as an intertextual field centred on this blockbuster film franchise but also encompassing the successful novels that preceded them and the merchandised imagery and the critical and fan discourse that surrounds them. It explores the place of The Hunger Games in the history of speculative fiction centred on adolescents; in the history of speculative fiction centred on adolescents; in a network of continually evolving and tightly connected popular genres; and in the popular history of changing ideas about girlhood from which a successful action hero like Katniss Everdeen could emerge.

***The second book in the ground-breaking HUNGER GAMES trilogy. After winning the brutal Hunger Games, Katniss and Peeta return to their district, hoping for a peaceful future. But their victory has caused rebellion to break out ... and the Capitol has decided that someone must pay. As Katniss and Peeta are forced to visit the districts on the Capitol's Victory Tour, the stakes are higher than ever. Unless they can convince the world that they are still lost in their love for each other, the consequences will be horrifying. Then comes the cruellest twist: the contestants for the next Hunger Games are announced, and Katniss and Peeta are forced into the arena once more.***

***An exciting dystopian fantasy thriller series, The Hunger Games began its life as a trilogy of books by Suzanne Collins, the first released in 2008. An immediate success, the first instalment had a first printing of 50,000 hardcover copies, which quickly ballooned to 200,000. Spending one hundred consecutive weeks on the New York Times bestseller list, the book was put into development for release on the big screen. The first film, starring Academy Award-winning actress Jennifer Lawrence, broke box office records, and all of its sequels are expected to follow suit.Fan Phenomena: The Hunger Games charts the series' success through the increasingly vocal online communities that drive the young adult book market. Essays here consider the fashion that the series has created and how the costumes, memorabilia, merchandising, and branding have become an ever bigger part of the fandom experience. Issues explored include debates over the movie stars' race and size, which tap into greater issues within the fan community and popular culture in general and the current argument that has divided fans and critics: whether or not the third book, Mockingjay, should be split into two films.***

***Emotional Ethics of The Hunger Games expands the 'ethical turn' in Film Studies by analysing emotions as a source of ethical knowledge in The Hunger Games films. It argues that emotions, incorporated in the thematic and aesthetic organization of these films, reflect a crisis in moral standards. As such they cultivate ethical attitudes towards such phenomena as totalitarianism, the culture of reality television, and the society of spectacle. The focus of the argument is on cinematic aesthetics, which expresses emotions in a way that highlights their ethical significance, running the gamut from fear through guilt and shame, to love, anger and contempt. The central claim of the book is that these emotions are symptomatic of some moral conflict, which renders The Hunger Games franchise a meaningful commentary on the affective practice of cinematic ethics. "The Hunger Games movies have become iconic symbols for resistance across the globe. Tarja Laine proposes that this is not caused by their status as exciting cinematic spectacles, but by their engaging our emotions. Laine uses The Hunger Games as key texts for understanding our world, demonstrating that ethics do not originate from rational considerations, far removed from those mucky things called emotions. But rather that emotions are at the core of cinematic ethics." —William Brown, Author of Supercinema: Film-Philosophy for the Digital Age "In this elegantly written exploration of the relationship between aesthetics and emotion in The Hunger Gamestrilogy, Tarja Laine illuminates the power of film to embody ethical conflict. Deftly intertwining film-philosophy and close analysis, Laine traces how these films mobilise complex emotions, nuancing our thinking about cinema and the spectator. Laine's book takes The Hunger Games films seriously, demonstrating with verve why they matter." —Catherine Wheatley, Senior Lecturer in Film Studies, King's College London, UK "In this fresh, engaging, and insightful study of The Hunger Games film trilogy, Tarja Laine explores the crucial role that emotions play in appreciation of the ethical qualities of the movies. She forges productive dialogues between a range of film theory, scholarship on moral philosophy, and debates on ethics, as she performs a multi-layered investigation of the aesthetic qualities of the trilogy, the multiple emotions embodied in these qualities, and the philosophical-ethical insights that are in turn embedded in these emotions. The cinematic connection between emotions and ethics that emerges through Laine's detailed textual analyses confronts us with complex moral dilemmas while enriching our aesthetic experience." —Sarah Cooper, Professor, Film Studies Department, King's College London, UK***

See the very best of literature in a whole new light with BrightSummaries.com!

An international bestseller and the inspiration for a blockbuster film series, Suzanne Collins’s dystopian, young adult trilogy The Hunger Games has also attracted attention from literary scholars. While much of the criticism has focused on traditional literary readings, this innovative collection explores the phenomena of place and space in the novels--how places define people, how they wield power and are conceptualized, carved out, imagined and used. The essays consider wide-ranging topics: the problem of the trilogy’s Epilogue; the purpose of the love triangle between Katniss, Gale and Peeta; Katniss’s role as “mother”; and the trilogy as a textual “safe space” to explore dangerous topics. Presenting the trilogy as a place and space for multiple discourses--political, social and literary--this work in conversation with the world in which it was written, read, and adapted.

In exclusive collaboration with Lionsgate, Assouline presents Tim Palen. Photographs from The Hunger Games. Compiled in one deluxe volume, Palen’s evocative and powerful portraits capture each character from the series with striking intimacy and transform the high-octane adventure of the films into exquisite visual art. Through Palen’s unique lens, Katniss, Peeta, and the citizens of Panem become characters the world has embraced. Photographs by Tim Palen

THE BALLAD OF SONGBIRDS AND SNAKES will revisit the world of Panem sixty-four years before the events of The Hunger Games, starting on the morning of the reaping of the Tenth Hunger Games. On returning to the world of The Hunger Games, Suzanne Collins said, “With this book, I wanted to explore the state of nature, who we are, and what we perceive is required for our survival. The reoccurring theme of the novel is the struggle for survival. The world of Panem is commonly referred to as the Dark Days-as the country of Panem struggles back to its feet-provides fertile ground for characters to grapple with these questions and thereby define their views of humanity.”

Year of the Jungle: Memories from the Home Front

Catching Fire

The Unofficial Recipes of The Hunger Games

The Politics of The Hunger Games

The Hunger Games

For 21st-century young adults struggling for personal autonomy in a society that often demands compliance, the bestselling trilogy, The Hunger Games remains palpably relevant despite its futuristic setting. For Suzanne Collins' characters, personal agency involves not only the physical battle of controlling one's body but also one's response to such influences as morality, trauma, power and hope. The author explores personal agency through in-depth examinations of the lives of Katniss, Peeta, Gale, Haymitch, Cinna, Primrose, and others, and through an analysis of themes like the overabundance of bodily imagery, social expectations in the Capitol, and problem parental figures. Readers will discover their own "dandelion of hope" through the examples set out by Collins' characters, who prove over and over that human agency is always attainable.

NEW YORK TIMES bestselling author Suzanne Collins has created a deeply moving autobiographical picture book about a father who must go off to the war in Vietnam -- and the daughter who stays behind.When young Suzy's father leaves for Vietnam, she struggles to understand what this means for her and her family. What is the jungle like? Will her father be safe? When will he return? The months slip by, marked by the passing of the familiar holidays and the postcards that her father sends. With each one, he feels more and more distant, until Suzy isn't sure she'd even recognize her father anymore.This heartfelt and accessible picture book by Suzanne Collins, the NEW YORK TIMES bestselling author of the Hunger Games series, is accompanied by James Proimos's sweet and funny illustrations. This picture book will speak to any child who has had to spend time away from a parent.

This collection of fresh essays on Suzanne Collins's epic trilogy spans multiple disciplines. The contributors probe the trilogy's meaning using theories grounded in historicism, feminism, humanism, queer theory, as well as cultural, political, and media studies. The essayists demonstrate diverse perspectives regarding Collins's novels but their works have three elements in common: an appreciation of the trilogy as literature, a belief in its permanent value, and a need to share both appreciation and belief with fellow readers. The 21 essays that follow the context-setting introduction are grouped into four parts: Part I "History, Politics, Economics, and Culture," Part II "Ethics, Aesthetics, and Identity," Part III "Resistance, Surveillance, and Simulacra," and Part IV "Thematic Parallels and Literary Traditions." A core bibliography of dystopian and postapocalyptic works is included, with emphasis on the young adult category--itself an increasingly crucial part of postmodern culture.

Dans chaque district de Panem, une société reconstruite sur les ruines des États-Unis, deux adolescents sont choisis pour participer aux Hunger Games. La règle est simple : tuer ou se faire tuer. Celui qui remporte l'épreuve, le dernier survivant, assure la prospérité à son district pendant un an. Katniss et Peeta sont les « élus » du district numéro douze. Les voilà catapultés dans un décor violent, semé de pièges, où la nourriture est rationnée et, en plus, ils doivent remporter les votes de ceux qui les observent derrière leur télé... Alors que les candidats tombent comme des mouches, que les alliances se font et se défont, Peeta déclare sa flamme pour Katniss à l'antenne. La jeune fille avoue elle-aussi son amour. Calcul ? Idylle qui se conclura par la mort d'un des amants ? Un suicide ? Tout est possible, et surtout, tout est faussé au sein des Hunger Games...
