

The Mindful Dragon A Dragon Book About Mindfulness

For decades, traditional medicine had very little to offer for individuals suffering from multiple sclerosis and other autoimmune diseases. Today, medical science has brought us wave upon wave of immunomodulatory medications to try to slow disease progression. Unfortunately, these medications come with their own health- and life-threatening side effects. And sometimes, they just stop working. "Fighting the Dragon: How I Beat Multiple Sclerosis" is the story of one woman's thirty year battle with multiple sclerosis and what she did to reclaim her life when she realized she would need an assisted living facility within a few years. The book contains detailed descriptions of what worked and what did not, where she got the help she needed (and how the reader can locate these resources within his/her own community), and the logic behind the non-conventional therapies. "Fighting the Dragon" is a narrative of courage-courage driven by desperation, a story written by a patient who decided, when her neurologist told her, "You will never walk normally again," that she would dance. "Fighting the Dragon" is also a book the MS patient can take to his/her physician . . . it contains well-researched, easy-to-follow guidelines for what to do and how. The information is also applicable to a wide range of other autoimmune conditions, cancers, and AIDS. * * * * * Excerpt: . . . if your car kept breaking down and the mechanic you took it to kept doing the same thing to fix it-but it did not stay fixed, you would question the mechanic's competence. Maybe the mechanic pulled out a technical manual. "See. I fixed it exactly as the manual said. This is the industry-approved way to solve this problem." When the car broke down again a week later, would you be satisfied? Probably not. You might decide it is time to replace the car. But that might be too expensive. So, what to do? If you were smart, you would probably try to find a new mechanic. You might ask your friends who they would recommend. You might search on the Internet to see if other people had the same experience with their cars . . . and what caused the problem. You might telephone some repair shops to get some idea of what they thought the problem might be. If you found a new mechanic and that mechanic looked over the car and said, "I have a solution that is not in any industry-approved repair manuals, but it is safe and it works,"-would you walk away and go back to the first mechanic who never got it right? Why is your health worth any less than your car?

Grey Malkin is not just the Queen's beloved cat, he is also her confidant and staunchest friend. In this story, Grey Malkin has an adventure without the Queen and has to deal with a perilous situation including a baby dragon.

Sorcerers, wizards, and witches use magic for evil; but, as long as there are dragons in the world, there will be champions ready to stand against them. Borys knows little of such matters, but he does have a faint memory that seems to suggest that dragons are to blame for the death of his parents. He yearns to know more about these creatures, and in his quest for answers, he comes across a mystical craft that takes him down the abominable path of magic. Hell now learn more than he ever bargained for about these elusive creatures. And hell also discover terrible things he can do with his newfound powers. Alanna almost drowns at her fathers marina. She lives only because David jumps in the water after her, even though he doesnt know how to swim. David becomes a local hero, but Alanna cannot understand why she survived. Now, shes back in town seeking answers. Heroes and villains alike are about to discover that nothing touched by magic remains unchanged, especially in a world of sorcerers, wizards, witches, and Dragons.

Fenicus Flint, a young dragon, lives with the last of his fading species in a secluded mountain sanctuary known as Berathor Valley. When he awakens from an accident that leaves him injured and temporarily unable to fly, Fenicus discovers that the peace and tranquility of his homeland has been shattered; Berathor is in ruins and his loved ones abducted. With few clues to guide him, the young dragon embarks on a dangerous quest beyond the sheltering walls of his homeland to find his loved ones before their flame is extinguished forever.

Although start-ups represent a major phenomenon in the USA, they also create skepticism and even suspicion, perhaps because of the excesses of the Internet bubble. Apple, Microsoft, Intel, Cisco, Yahoo and Google were all start-ups and these success stories show that the phenomenon is not mere speculation. The goal of this book is to show start-ups from a different angle. Start-ups are created by individuals who are passionate and who have dreams. Therefore this work should not only be read by specialists of innovation or by high tech entrepreneurs, but also by anyone interested in the history and economics of start-ups. The book is presented in two parts: it begins with a presentation of Silicon Valley start-ups, which ends with a description of the ecosystem of this region. The second part is dedicated to Europe, where the start-up phenomenon has failed in comparison. The main message is that it is absolutely necessary to take more inspiration from Silicon Valley.

Help Your Dragon Understand Empathy. A Cute Children Story To Teach Kids Empathy, Compassion and Kindness.

What if ... You could save a rare species from extinction? What if you could travel through time, to any location at any point in history? What if you could thwart the assassination attempt of a leader? Would you take the risk? In the fifth book of this compelling, metaphysical journey, the Joy Council intervenes to prevent dragons from being lured to their deaths as the new dragon prince's life is endangered. A new world must be created if the dragons have any chance of escaping a 900-year-old relentless tracker. But don't get too comfortable, because a plot to kill Commander Ashtar results in the deportation of those who are not native residents of Earth. In this exhilarating otherworldly adventure, readers will meet a myriad of interesting characters, travel through time and space, and experience a voyage unlike anything you can imagine.

'You have only one part of the Summoning Ring, ' said the dragon to Fianna. 'And neither the knowledge nor the strength to use it even if it were complete.' Fianna is the only child of King Stannard and Queen Fiona, and has always expected to become the next Keeper of the Dragon Throne. She exiles herself from court when her father decides to take a second wife. Recalled to Secundus castle after Stannard's death, she has to contend with the split loyalties among the royal knights. In desperation, she agrees to summon the dragons to support her claim to the throne. Their challenge sends her to meet them in their Sacred Mountains. In the woods of the unicorn herd, the Prancer loses his milk-brother to an attack by a dragon. He travels across the human kingdoms to seek the killer, discovering the complexities of human relationships and the delights of ale along the way. They meet at the Sacred Mountains. And so begins a story of love, friendship--and betrayal.

"After a human dignitary couple is killed, their son is adopted by Sharpclaw, a local dragon ambassador. On top of his mountain home, Sharpclaw must get used to interacting with an uncommon species, and must raise the boy and teach him to stand up for himself. Whilst trying to fit in a society where mythical creatures are the norm, James, with the help of Sharpclaw, must find out the ultimate fate of his parents." Previously known simply as 'A Boy and a Dragon'. This is the first book in the 'Tales from Mythvale' series. Others include: Tales from Mythvale: A Boy and a Dragon (Release year: 2013) Tales from Mythvale: An Arion and an Adventure (Release year: 2014) Tales from Mythvale: A Dinner with Dragons (Release year: 2015) Tales from Mythvale: The Phoenix Games (Release year: 2016) Tales from Mythvale: An American Pegasus (Release year: 2017) Each 'Tales from Mythvale' book is an individual story; no prior knowledge or reading of any other book in the series is required. "He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naive innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Train Your Dragon To Be Responsible

Kyra St. Croix is a strong, feisty, independent woman who is not afraid to tell speak her mind. An incredibly powerful white witch born of the High Priestess and a human father, she hasn't let a little thing like lack of height stop her from having the life she knows she deserves. Early on she learned to use all she was given to achieve her goals and twenty-five years ago, turned her back on her birthright hoping that one day Destiny would bring her the love she was promised. Her belief that she will doing anything for that love is stretched to the breaking point when the One she waited for will not accept who she is and can only see what she is. Now, the Hope she has always clung to may be Kyra's worst enemy. There Are No Coincidences... Royce O'Reilly is the oldest and most respected member of the MacLendon Force. Since joining the Golden Fire Clan, he has been proud to watch all whom he calls brethren become fierce warriors, ever faithful to eradicating those that would destroy all they hold dear. His life has been dedicated to the training and guidance of the younger Guardsmen, one of his proudest accomplishments. One hundred and fifty-six years of life have given him immeasurable joy and now that three of his brethren have found and mated the One the Universe made for them, hope has been restored not only to the honorable Guardsman but also to dragon kin. Unfortunately, Royce is learning that Hope can be fickle and the Universe has a sick sense of humor, especially when they have made his Destiny in the form of a five-foot two-inch bundle of powerful Earth witch named Kyra St. Croix. The Universe Does Not Make Mistakes... Two souls...destined for a Great Love decreed by Fate. But Fate has Her hands full with this couple and if that wasn't enough, the traitor has an army ready to destroy all they both hold dear. Can Royce forget the past and believe in the future? Can Kyra forgive a betrayal that cuts deep and believe Love will always find a way? Can they defeat an evil with no conscience, only the desire for vengeance? The Universe, the Goddess and Fate have their work cut out for them if Kyra is to know the love of her dragon. Fate Will Not Be Denied...

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

Mindful Dragon

Powerful Ring-Witches, Mayra and Wolfe have fled their kingdom with the dragons they rescued, accompanied by their witch-warrior friends. But once they reach the dragon’s icy homeland, they find an empty Aerie. Where are the female dragons and their younglings? Barely do the witches have time to rest before they are winging their way to rescue the stolen dragons. But the dragons are keeping a secret from Mayra and Wolfe, and the witches quickly find themselves trapped in a vast system of caverns with Hagan, an evil, fanatical dragon. Having found a powerful talisman so horrifying that Mayra can scarcely believe it, Hagan knows he has the upper claw, and Mayra is running out of time. The female dragons and their tiny offspring will be killed unless Mayra permits Hagan to collect his terrible treasure from its hiding place. But if she doesn’t wrest the talisman from Hagan before he can use it, he will take control of all the dragons. Can Mayra and Wolfe rescue the dragons—large and small—and find the talisman before all that the mighty dragons hold dearest to them is destroyed? Mayra and Wolfe once battled with dragons at their sides and easily won against humans. But they know the tides have turned; Hagan is a wielder of dark dragon magic. And he dares the humans to battle him—the most savagely horrific dragon ever hatched—a dragon that even other dragons fear.
