

The Unholy Bible

The Book of Hymns is the world's first text to offer traditional biblical hymns and prayers of a Satanic nature. Through this book, you shall engage in your first rituals. These rituals engage the five Satanic Vices, and aim to empower you through the embrace of these vices. You will master Ignis, through spellworks of vengeance and protection. Through Pestilence, you will plague your adversaries and revitalize your well-being. With Blasphemy, you will attain the bountiful fruits of demonic wisdom. All of this is just the beginning. If you feel drawn to the Left-Hand Path, to Satanism, to demonology and/or occultism, you will absolutely find some use for this text. The Book of Hymns is a close companion text to our infamous Unholy Bible, as is the Book of Kings.

"A handbook for traditional Satanists, The Infernal Gospel is a compendium of unholy knowledge that aims to offer clearness in an unclear world. It was dissatisfaction that acted as the catalyst for this hellish manuscript, and those that served as its foundation - namely, the Unholy Bible. Alongside the Unholy Bible, the Book of Kings and Book of Hymns were penned - and together, these books aimed to illuminate traditional Satanism. Now, these three world-renowned manuscripts have been rewritten and amalgamated into one - the book that you hold within your hands - The Infernal Gospel."- Author's Preface, The Infernal Gospel.

German scholar Gerd Ludemann asks the question of how we can continue to be Christians in the light of what he sees as "unholy" elements in Scripture, and in response points to the person of Jesus and his example.

An assemblage of the less inspiring parts of the Bible. Includes passages describing god's violence, hatred and injustice. Shows how the Bible encourages and even demands immorality and human rights abuses. Details well over 400 clear contradictions within the Bible itself, as well as many more passages where the Bible contradicts known reality, contains absurdities or is just utterly nonsensical. Makes clear that the Bible is anything other than a holy book and that the god of the Bible is anything other than loving and just. Shows that the Bible is far from being the "inerrant word of god".

Revelation

Book of Crowns

Unholy Hands on the Bible

Book of Appetites

Hebrew Literature from the Time of David to the Beginnings of Greek Inlfuence (1000-300 BC)

In this book I try to describe, as clearly and simply as possible, the Christian journey from a life lived in worldliness and defeat to a life lived in and through the grace of God. I use the Biblical story of Israel’s journey from Egypt to Canaan in an allegorical sense to show how God, through the activities and resources of the Holy Trinity, tries to bring us to that place of living in grace, and how the devil, through the unholy trinity (the world, the flesh, and demonic resistance) seeks to thwart that journey. I focus on three fronts in the battle between the two trinities. On the first front, the devil works indirectly through the world system (Egypt) to deny us our freedom that we have due to the atonement. Living under the illusion of pleasure, we end up in extreme bondage. On the second front, the devil works indirectly through our flesh (Amalek) to hinder us from following the leadership of the Holy Spirit as He attempts to guide us into God’s grace. On the third front, we can expect to experience a more direct conflict with the devil and his spiritual forces (Canaan). These demonic forces will try to oppose and negate all the benefits of God’s promised grace that comes into our lives through Christ. XXXXX

What do you get when you buy this volume? You get all six of the Works of Dean John W. Burgon, which in effect gives you an excellent introduction to Textual Criticism in The Traditional Text of the New Testament. In The Causes of the Corruption of the Traditional Text of the Gospels you will learn how the Gnostics, Manecheans, Ebionites, Ariams, and other heretics sought to halt the spread of Christianity by putting out corrupt manuscripts. Discover the motivation that caused the critics to elevate these adulterated manuscripts to a place of adoration. See for yourself the overwhelming evidence against the thousands of changes in the popular new versions that dilute the Scriptures. The Last Twelve Verses According to the Gospel of Mark shows that over 2,000 manuscripts and as many Greek lectionaries contain these verses without any brackets or doubting footnotes. Did you know that except for the NKJV, MKJV, LITV, the nine other major new versions have bracketed the last 12 verses of Mark (or in a footnote indicated that they do not believe they are authentic). WHY? It's a mystery. There are only three (3) Greek manuscripts that do not have these verses. And in 200 pages of proofs, Burgon shows that those two are so edited at the place where these verses belong that anyone can see the scribes were looking at these verses in the older mss. they were copying. As Dr. Gordon H. Clark wrote, If a version brackets these verses, then you know that they are not going by the evidence. The Revision Revised is a Critique of the English Revised Version of 1881, with additional applications to the Modern Translations. There is an excellent critique of the Westcott and Hort textualtheories. Proof of the Genuineness of God Manifested in the Flesh contains an unanswered and unanswerable defense of 1 Timothy 3:16. The Woman Taken In Adultery gives a defense of the authenticity of John 7:53-8:11. Conflation and The 'Neutral' Text by Edward Miller, M.A. gives an additional critique of Dr. Hort's theories. Get this volume, and arm yourself to fight for the God-breathed words that God has preserved for you that you might have life and faith. Every one of His words are precious. We need not give up thousands of them...

The Unholy Bible is the world's first text of traditional Satanic belief. Through this book, you shall become familiar with numerous facets of the Left-Hand Path. Everything from Satanic tenets, vices, and celebrations, to rituals, altar construction, and devils - this bible is a primer like no other.The Unholy Bible is especially focused for those that are interested in Satanism and/or devilry. By the contents of this bible, you may find your calling upon the Left-Hand Path - and you may set yourself upon the pursuit of forbidden power.Within this book you will read about the five Infernal Tenets; the five Satanic Vices; grand celebrations and Satanic holidays, how to construct altars; how, when, and why to perform rituals; the nature of devils and how to summon them; alchemy, precognition, consciousness, and further occult practices; how to renounce prior religious indoctrinations, and further.All of this is merely the beginning of what the Unholy Bible discusses, and what it may offer the disciple that travels the Left-Hand Path.

This comprehensive ground-breaking southern African-centred collection spans the breadth of disability research and practice. Reputable and emerging scholars, together with disability advocates adopt a critical and interdisciplinary stance to prove, challenge and shift commonly held social understanding of disability in traditional discourses, frontiers and practices in prominent areas such as inter/national development, disability studies, education, culture, health, religion, gender, sports, tourism, ICT, theatre, media , housing and legislation. This handbook provides a body of interdisciplinary analyses suitable for the development of disability studies in southern Africa. Through drawing upon and introducing resources from several disciplines, theoretical perspectives and personal narratives from disability activists, it reflects on disability and sustainable development in southern Africa. It also addresses a clear need to bring together interdisciplinary perspectives and narratives on disability and sustainable development in ways that do not undermine disability politics advanced by disabled people across the world. The handbook further acknowledges and builds upon the huge body of literature that understands the social, cultural, educational, psychological, economic, historical and political facets of the exclusion of disabled people. The handbook covers the following broad themes:
• Disability inclusion, ICT and sustainable development
• Access to education, from early childhood development up to higher education
• Disability, employment, entrepreneurship and community-based rehabilitation
• Religion, gender and parenthood
• Tourism, sports and accessibility
• Compelling narratives from disability activists on societal attitudes toward disability, media advocacy, accessible housing and social exclusion. Thus, this much-awaited handbook provides students, academics, practitioners, development partners, policy makers and activists with an authoritative framework for critical thinking and debates that inform policy and practice in incomparable ways, with the view to promoting inclusive and sustainable development.

The Unholy in Holy Scripture

The Unholy Legacy of Abraham

Delomelanicon: Novem Portis

Companion to the Unholy Bible

What are the consequences of living according to the Holy Laws of the Bible, Torah or Koran? The Unholy Legacy of Abraham discusses the biological basis of belief in religion before going on to analyse the Bible, Koran and Torah and the effets of living strictly by the guidance of these holy texts.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Britain's most popular philosopher on all that it means to be human in a secular age.

Learn more about the ideas and beliefs key to the teachings of the most widely printed religious book of all time, in this perfect introduction to The Bible. The Bible Book features breakdowns of some of the most well-known passages ever written from The Bible. Looking at more than 100 of the most important Old and New Testament stories through beautiful and easy-to-follow spreads, The Bible Book profiles key figures, from Adam and Eve to Peter and Paul, locatons, such as Jerusalem and Rome and essential theological theories, like the Trinity, to help create a clear insight into Christianity. Packed with biblcal quotes, flowcharts and infographics explaining significant concepts clearly and simply, The Bible Book is perfect for anyone with an interest in religion.

How White Christian Nationalists Powered the Trump Presidency, and the Devastating Legacy They Left Behind

Unholy Mess

From the Hebrew Bible to the Second World War

From the author of the New York Times bestselling Abraham Lincoln: Vampire Hunter, comes Unholy Night, the next evolution in dark historical revisionism. They're an iconic part of history's most celebrated birth. But what do we really know about the Three Kings of the Nativity, besides the fact that they followed a star to Bethlehem bearing strange gifts? The Bible has little to say about this enigmatic trio. But leave it to Seth Grahame-Smith, the brilliant and twisted mind behind Abraham Lincoln: Vampire Hunter and Pride and Prejudice and Zombies to take a little mystery, bend a little history, and weave an epic tale. In Grahame-Smith's telling, the so-called "Three Wise Men" are infamous thieves, led by the dark, murderous Balthazar. After a daring escape from Herod's prison, they stumble upon the famous manger and its newborn king. The last thing Balthazar needs is to be slowed down by young Joseph, Mary and their infant. But when Herod's men begin to slaughter the first born in Judea, he has no choice but to help them escape to Egypt. It's the beginning of an adventure that will see them fight the last magical creatures of the Old Testament; cross paths with biblical figures like Pontius Pilate and John the Baptist; and finally deliver them to Egypt. It may just be the greatest story never told.

This Delomelanicon, which means "Book of Summoning the Darkness" or "Invocation of Darkness" is a book of concealment about embracing the darkness hidden within the subconscious in order to have unconditionally self-acceptance. The verses in this book use Greek and Hebrew mythology as allegories about the chthonic or subconscious primal survival instincts of the mind. It is Kabbalistic as it focuses on the Dark Tree which is the roots of the Kabbalistic Tree of Life, usually called by the Right Hand Path of magic as the Qlippoth or Tree of Death. This is the opposite of the biblical Book of Revelations which is about ascending from earth to heaven or Crown of Life which is the Crown of the Kabbalistic Tree of Life, instead this Book of Concealment is about descending from earth to hell, which is Kingdom on the Kabbalistic Tree of Life or root chakra in the chakras system in order to understand our animal instincts.

The Book of Appetites, formerly known as the Book of Hymns, is the world's first text to offer biblical hymns and prayers of a theistic Satanic nature. Through this book, you shall engage in your first Satanic prayers and rituals. These rituals engage the Five Appetites - carnal thirsts and desires that all mortals crave, in one way or another. The Book of Appetites is a close companion text to our infamous Unholy Bible, as is the Book of Crowns.

Necrophiliic classical polymath Jacob Rabinowitz took a look at biblical texts available in English translation and found them wanting. The Unholy Bible contains his retranslation of the most egregiously Bowdlerized texts. These new versions are intended to make Good King James, Jerry Falwell, Mother Theresa and other sanctimonious hegemonists of That Old Time Religion froth at the mouth and jump into the sea. At the very least, he will disrupt their dreams.

The Abyssal Bible

Holy Hustle! a Bible Parody

Containing All 66 Books of Both the Old and New Hustles

The Unholy Bible: The Book of Concealment

Whenever we read the obscene stories, the voluptuous debaucheries, the cruel and torturous executions, the unrelenting vindictiveness with which more than half the Bible is filled, it would be more consistent that we called it the word of a demon than the word of God...

Adultery...

The Abyssal Bible is recognized as the first official manuscript of modern origin, written for the faith of Aphotism. Aphotism is a faith that extends beyond the confines of humanity, into worlds beyond worlds, and to the darkest reaches of the multiverse. It ventures to the places where legends whisper of, and where the weak of mind dare not imagine - to impossible, all-consuming eternity.

Five biblical books in new translations: Song of Solomon, Psalms (selected), Lamentations of Jeremiah, Job, and Ecclesiastes.

A Secular Bible

Martin Luther Against the Idol of Me, Myself, and I

Unholy Scripture for Fans and Bands

Hebrew Literature of the Kingdom Period (1,000-300 BCE)

A Psychological Interpretation of William Blake

Do you feel empty even though your life is full? Have you lost the ability to focus on what really matters because your home, your schedule, and your mind are cluttered with the insignificant? Do you long for a deeper relationship with God that isn't crowded out by the unholy mess you've accumulated? Then this book is exactly what you need. Unholy Mess will: Open your eyes to the pervasiveness of clutter and its far-reaching effects. Encourage you to examine how your clutter is holding you back from the peaceful and focused Christian life you desire. Provide inspiration from Scripture for a healthy relationship with your possessions and a deeper relationship with God. Share stories of the freedom that comes from letting go. Give you practical steps to overcome the obstacles, organize your home, and maintain the order. Reading Unholy Mess will empower you to find the simplicity that lies beneath the clutter, to rekindle your passion for God, and to enjoy a peaceful and ordered life. Get started by clicking the Buy Now button at the top of the page.

Its the same sinful, human pitfall throughout all of time: we look inward to worship the self instead of Jesus Christ. Anything we fear, love, or trust more than the true God is, after all, our god.

Like Moses delivering forth the Ten Commandments, Chunklet magazine presents you with The Rock Bible—the complete rules for living an authentic life of rock 'n' roll. Here are hundreds of wise and witty guidelines for Drummers: “If you're one of those drummers who sets up at the front of the stage, back the hell up. You are the goalies of rock; play your position.” Singers: “When you feel like stage-diving, first make sure the people in the front like your music enough to catch you.” Guitarists: “No one's looking at your guitar strap. Don't ever spend more than the cost of an average meal on something that can be replaced by a particularly hearty piece of string.” Keyboardists: “There's only one person who will look more ridiculous and offensive in leather pants than the lead singer: the keyboard player.” Onstage Antics: “Being wasted onstage works for only about 5 percent of bands, and yours isn't one of them.” Fans: “Fans that dress like the band are just asking to be pummeled. If you want to be in the band that badly, you might as well bring your gear to the show and play along from the audience.” And unholy words on much, much more.

A new series opens with this tale of Judas Iscariot and Mary Magdalene and will culminate with the story of their contemporary heir, who becomes the Anti-Christ.

The Unholy Trinity

What the Bible Says About Clutter

The Devil's Unholy Bible

Unholy Night

The Book of Crowns, formerly known as the Book of Kings, is the world's first text to offer traditional biblical verses of a Satanic nature. Through this book, you shall witness infernal wonders: the creation of Hell, defilement of Eden, crowning of demonic kings, and further - all through the perspective of devils. The Book of Crowns is a close companion text to our infamous Unholy Bible, as is the Book of Appetites.

Reading this book could be classed as a sin This book is pure evil just like The Devil Himself. This is his story, his bible in full gory detail! The Devil is an angel who rebelled against God. He is the sworn enemy of not only God, but also of humankind. He is relentless in his mission: to kill, destroy, or enslave us. We're warned, "...be watchful. Your adversary The Devil prowls around like a roaring lion, seeking someone to devour."1 The tempter, the slanderer, and the liar seeks to deceive entire nations, the world, and individuals. He twists and distorts what is true, and there is power in his lies. His intent is to keep people isolated from God, so they will listen only to him, joining in him in his rebellion and experiencing destruction. This book is jam packed with sinful, gory, shocking and controversial material that will take you away from the bliss of heaven and will lead you down the path to the fiery depths of hell: Some Of The Chapters Include: Bible Stories That Are About The Devil: From The Garden Of Eden To The End Of Days. How Jesus Could Of Faked His Miracles. Making A Pact With The Devil: War In The Name Of The Gods/Religions. Celebrity Sinners According To God How To Summon Demons. How To Perform Death Curses & Hex Spells. Who Is More Evil, God Or The Devil? Who Has Killed The Most Humans According To The Bible? Ways To Commit Suicide: The Suiciders Manual: Bad God: What The Bible Says About Various Subjects & Discriminating Against Others. Criticism Of Holy Texts Such As The Bible & Quran. Lists Of Religious & Racial Jokes/Slurs: An A To Z Guide Of Demons: Their Names, Powers & Forms: Scary Games To Play Alone In The Dark Or With Friends. A Fucked Up World Of Religious Sexual Abuse, Murder, Idiotic Beliefs & Shocking Scandals: Ways To Annoy & Piss Other Just About Anyone. Everyone's A Sinner & Going To

Hell: What God Despises But The Devil Likes: So are you ready to join the Dark Lord's rebellion and read The Codex Diablo: The Devil's Bible? It's sinfully Good!

Is much of what the Christian churches preach, and religious conspiracy books claim, mainly 'smoke and mirrors'? Readers can decide for themselves after reading this fascinating book.

Unholy is a complete 201 year old edition of the Bible that was planned, prepared and published in London for making slaves in The British West Indies Islands. Unholy transforms our knowledge and understanding of Western Civilization's long journey from freedom through slavery to freedom

Unholy the Slaves Bible

Book of Kings

Literature and Poverty

Unholy Grail

Obstacles to Living in the Fullness of God.Æs Grace

The Book of Kings is the world's first text to offer traditional biblical verses of a Satanic nature. Through this book, you shall witness the creation of Hell; the defilement of Eden; crowning of demonic kings, and further - all through the perspective of devils.If you feel drawn to the Left-Hand Path, to Satanism, to demonology and/or occultism, you will absolutely find some use for this text.

The Book of Kings is a close companion text to our infamous Unholy Bible, as is the Book of Hymns.

Literature and Poverty offers an engaging overview of changes in literary perceptions of poverty and the poor. Part I of the book, from the Hebrew Bible to the French Revolution, provides essential background information. It introduces the Scriptural ideal of the 'holy poor' and the process by which biblical love of the poor came to be contested and undermined in European legislation and public opinion as capitalism grew and the state took over from the Church; Part II, from the French Revolution to World War II, shows how post-1789 problems of industrialization, population growth, war, and urbanization came to dominate much European literature, as poverty and the poor became central concerns of major writers such as Dickens, Dostoyevsky, and Hugo. David Aberbach uses literature - from the Bible, through Shakespeare, Wordsworth, Zola, Pushkin, and Orwell - to show how poverty changed from being an endemic and unavoidable fact of life, to a challenge for equality that might be attainable through a moral and rational society. As a literary and social history of poverty, this book argues for the vital importance of literature and the arts in understanding current problems in International Development.

"In terrifying detail, Unholy illustrates how a vast network of white Christian nationalists plotted the authoritarian takeover of the American democratic system. There is no more timely book than this one."—Janet Reitman, author of Inside Scientology Why did so many evangelicals turn out to vote for Donald Trump, a serial philanderer with questionable conservative credentials who seems to defy Christian values with his every utterance? To a reporter like Sarah Posner, who has been covering the religious right for decades, the answer turns out to be far more intuitive than one might think. In this taut inquiry, Posner digs deep into the radical history of the religious right to reveal how issues of race and xenophobia have always been at the movement's core, and how religion often cloaked anxieties about perceived threats to a white, Christian America. Fueled by an antidemocratic impulse, and united by this narrative of reverse victimization, the religious right and the alt-right support a common agenda—and are actively using the erosion of democratic norms to roll back civil rights advances, stock the judiciary with hard-right judges, defang and deregulate federal agencies, and undermine the credibility of the free press. Increasingly, this formidable bloc is also forging ties with European far right groups, giving momentum to a truly global movement. Revelatory and engrossing, Unholy offers a deeper understanding of the ideological underpinnings and forces influencing the course of Republican politics. This is a book that must be read by anyone who cares about the future of American democracy.
