

Thomas Rockster Net

Almal is baie opgewonde oor Thomas se kans om 'n sepiester te wees. Hy het immers 'n rol gekry in Die Malans van Marthageheim, die gewildste TV-reeks ooit! En sy mede-ster is boonop die aantreklike Fleur Vermaak. Maar dis die minste van Thomas se probleme...

Thomas-hulle sien uit na 'n wonderlike langaweek by die see. Maar dan begin dinge lelik skeefloop... Thomas ontdek 'n deurtjie in die vloer van hulle strandhuis, en dit lei reguit na die skuilplek van die gevaarlike perlemoensmokkelaar Sharky Fotruin ...

Pretty Mess meets #Girlboss in this part memoir, part entrepreneurial manifesto from The Real Housewives of New Jersey’s “Powerhouse in Pigtails.” Margaret Josephs is a hustler. She’s a tough cookie. She speaks her mind. She never leaves the house without lipstick on. She’s also a devoted wife, mother, daughter, businesswoman, lifestyle expert, and fan-favorite star of the reality TV series The Real Housewives of New Jersey. Sounds pretty glamorous, right? Well, things are never exactly as they seem. Before she arrived where she is today, “The Marge” was born to young immigrant parents. Raised by a single party-girl mother who left her physically abusive father when she was one and a half, she was taught that it was more important to look good than to feel good. No structure. No rules. No blueprint for future success or stability. But like most people who struggle through atypical childhoods, destructive relationships, and career challenges, she forced herself to wake up every morning and put one high heel in front of the other, even if she didn’t know where she was going. Margaret took the cards she was dealt and eventually turned them into a winning hand, and she wants to arm fans with the ability to do the same. In Caviar Dreams, Tuna Fish Budget, she’ll talk about how to launch a lifestyle brand, how to work with family members, and how to be an uncompromising woman in a man’s world. She also spills stories from her personal life about the son Real Housewives viewers don’t know exists, the time Joan Rivers gave her the best advice she ever got, the rendezvous she had with a famous rock star, and the affair with her contractor that ended her marriage but gave her the happily ever after. Caviar Dreams, Tuna Fish Budget takes readers along Margaret’s wild, bumpy journey to entrepreneurial success and reality TV fame, written in her trademark no-nonsense, tongue-in-cheek voice with the perfect combination of grit and glitz.

Documenting Danny Marianino's days as a metalhead from childhood into adulthood, Don't Ever Punch a Rockstar somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. Don't Ever Punch a Rockstar combine elements of Get in The Van, Emails from and Asshole and Shit My Dad Says all in one hot mess of a story. Praise for the book - "Danny Marianino's Never Punch A Rockstar is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2, Danzig, 0." - STEVEN BLUSH, author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S. ROBINSON, singer for Oxbow & author of FIGHT: Everything You Ever Wanted to Know About Ass Kicking But Were Afraid You'd Get Your Ass Kicked For Asking "With Don't Ever Punch a Rock Star author Danny Marianino has written an entertaining, humorous and humble autobiography. The often times laugh-out-loud recollections of Danny's life up to and following the infamous run-in with the drama-queen of dark metal is more than engaging and, with the inclusion of hate mail, zany rumors, message board threats and internet tough guys, you're sure to get a good giggle while learning what truly transpired that fateful night in Tuba City." - DUSTIN LAVALLEY, author of Spinner "As we have always said on the streets of NY - don't start none -there wont be none - and if you do, at least keep your hands up and guard your grill. Way to K.O. rock star attitudes Danny Boy!" - John Joseph author of The Evolution of a Cro-Magnon and Meat is For Pussies

The best-selling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible exercises, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated Twelfth Edition reflects the latest updates to English usage and grammar and features a two-color design and lay-flat binding for easy photocopying. Clear and concise, with easy-to-follow explanations, offering “ just the facts ” on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music: Elvis Presley. His real name wasnâ€™t Tom Parker â€” indeed, he wasnâ€™t an American at all, but a Dutch immigrant called Andreas van Kujik. And he certainly wasnâ€™t a proper military colonel: he purchased his title from a man in Louisiana. But while the Colonel has long been acknowledged as something of a charlatan, this book is the first to reveal the extraordinary extent of the secrets he concealed, and the consequences for the career, and ultimately the life, of the star he managed. As Alanna Nashâ€™s prodigious research has discovered, the Colonel left Holland most probably because, at the age of twenty, he bludgeoned a woman to death. Entering the US illegally, he then enlisted in the army as â€” Tom Parkerâ€™. But, with supreme irony for someone later styling himself as Colonel, Parkerâ€™s military career ended in desertion, and discharge after a psychiatrist had certified him as a psychopath. He then became a fairground barker, working sideshows with a zeal for small-scale huckstering and the casual scam that never left him. And by the height of Elvisâ€™s success, Parker had become a pathological gambler who, at the same time as he was taking, amazingly, a full 50% of Presleyâ€™s earnings, frittered away all his wealth in the casinos of Las Vegas. As Nash shows, therefore, the often baffling trajectory of Elvis Presleyâ€™s career makes perfect sense once the secret imperatives of the Colonelâ€™s life are known. Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there. Even at his most famous, Elvis was still being booked to play out-of-the-way towns in North Carolina â€” because the former fairground barker (who shamelessly negotiated as such even with top record company and film executives) knew them from his days on the circus circuit. And Elvis was trapped playing years of arduous seasons in Las Vegas â€” two shows nightly, seven days a week, until boredom and despair brought on the excessive drug use that killed him â€” because for Parker he was â€œan open chitâ€” whose huge earnings prevented his managerâ€™s losses at the gambling tables being called in. Alanna Nash knew Parker towards the end of his life, and has now uncovered the whole story, improbable, shocking, and never less than compelling, of how this larger-than-life man made, and then unmade, popular musicâ€™s first and greatest superstar.

Diet and Health examines the many complex issues concerning diet and its role in increasing or decreasing the risk of chronic disease. It proposes dietary recommendations for reducing the risk of the major diseases and causes of death today: atherosclerotic cardiovascular diseases (including heart attack and stroke), cancer, high blood pressure, obesity, osteoporosis, diabetes mellitus, liver disease, and dental caries.

The U.S. Army ’s Special Forces are known for their highly specialized training and courage behind enemy lines. But there ’s a group that ’s even more stealthy and deadly. It ’s comprised of the most feared operators on the face of the earth—the soldiers of Ghost Recon.

Secrets of the Rock Star Programmers: Riding the IT Crest

In this delightful novel death is a begining, a new start. Liz is killed in a hit a run accident and her 'life' takes a very unexpected turn. At nearly sixteen she knows she will never get married, never have children, and perhaps never fall in love. But in Elsewhere all things carry on almost as they did on earth except that the inhabitants get younger, dogs and humans can communicate (at last) new relationships are formed and old ones sadly interrupted on earth are renewed. Full of the most ingenious detail and woven around the most touching and charming relationships this is a novel of hope, of redemption and re-birth. It is a novel that tells of sadness with heart-breaking honesty and of love and happiness with uplifting brilliance.

'n Skooltoer na Namibie saam met al sy pelle. Thomas kan skaars aan iets cooler dink. Boonop gaan hulle die geheimsinnige Kolmanskop besoek - 'n ou spookdorp wat byna onder die woestynsand begrawe le.

Thomas is nie lus om te trek nie. En hy is nog minder lus om 'n nuwe halfboetie of -sussie te kry, al is sy stiefma, Louisa, eintlik nogal cool. Boonop is hulle nuwe blyplek 'n stokou Victoriaanse huis. Sommer gou begin allerlei vreemde dinge in die nuwe huis gebeur ...

A chilling allegory for the field of modern medicine.

With 28 new chapters, the third edition of The Practice of System and Network Administration innovates yet again! Revised with thousands of updates and clarifications based on reader feedback, this new edition also incorporates DevOps strategies even for non-DevOps environments. Whether you use Linux, Unix, or Windows, this new edition describes the essential practices previously handed down only from mentor to protégé. This wonderfully lucid, often funny cornucopia of information introduces beginners to advanced frameworks valuable for their entire career, yet is structured to help even experts through difficult projects. Other books tell you what commands to type. This book teaches you the cross-platform strategies that are timeless! DevOps techniques: Apply DevOps principles to enterprise IT infrastructure, even in environments without developers Game-changing strategies: New ways to deliver results faster with less stress Fleet management: A comprehensive guide to managing your fleet of desktops, laptops, servers and mobile devices Service management: How to design, launch, upgrade and migrate services Measurable improvement: Assess your operational effectiveness; a forty-page, pain-free assessment system you can start using today to raise the quality of all services Design guides: Best practices for networks, data centers, email, storage, monitoring, backups and more Management skills: Organization design, communication, negotiation, ethics, hiring and firing, and more Have you ever had any of these problems? Have you been surprised to discover your backup tapes are blank? Ever spent a year launching a new service only to be told the users hate it? Do you have more incoming support requests than you can handle? Do you spend more time fixing problems than building the next awesome thing? Have you suffered from a botched migration of thousands of users to a new service? Does your company rely on a computer that, if it died, can't be rebuilt? Is your network a fragile mess that breaks any time you try to improve it? Is there a periodic “hell month” that happens twice a year? Twelve times a year? Do you find out about problems when your users call you to complain? Does your corporate “Change Review Board” terrify you? Does each division of your company have their own broken way of doing things? Do you fear that automation will replace you, or break more than it fixes? Are you underpaid and overworked? No vague “management speak” or empty platitudes. This comprehensive guide provides real solutions that prevent these problems and more!

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Should we pay children to read books or to get good grades? Should we allow corporations to pay for the right to pollute the atmosphere? Is it ethical to pay people to test risky new drugs or to donate their organs? What about hiring mercenaries to fight our wars? Auctioning admission to elite universities? Selling citizenship to immigrants willing to pay? In What Money Can't Buy, Michael J. Sandel takes on one of the biggest ethical questions of our time: Is there something wrong with a world in which everything is for sale? If so, how can we prevent market values from reaching into spheres of life where they don't belong? What are the moral limits of markets? In recent decades, market values have crowded out nonmarket norms in almost every aspect of life—medicine, education, government, law, art, sports, even family life and personal relations. Without quite realizing it, Sandel argues, we have drifted from having a market economy to being a market society. Is this where we want to be?In his New York Times bestseller Justice, Sandel showed himself to be a master at illuminating, with clarity and verve, the hard moral questions we confront in our everyday lives. Now, in What Money Can't Buy, he provokes an essential discussion that we, in our market-driven age, need to have: What is the proper role of markets in a democratic society—and how can we protect the moral and civic goods that markets don't honor and that money can't buy?

How to Survive in Business and Life

Thomas@sms.net

Volume 1: DevOps and other Best Practices for Enterprise IT

Rock The World with LinkedIn v2.1 teaches LinkedIn users how to create a LinkedIn presence for themselves and for their business. With this book will be empowered to attract inbound business and career opportunities like never before. Your LinkedIn profile becomes a magnet for prospects, customers, partners and even employers. They see in you what they are looking for and they reach out to you more ready to buy, partner or hire. Your company gets a LinkedIn makeover as well. If you are on a team, there is specific material that makes you LOOK like you are all on the same team. If you market, there is special material for you too. Integrated Alliances invented corporate LinkedIn training in 2006 and this book correlates with those programs as well as the public programs that cater to individuals. Learn more about Integrated Alliances and their LinkedIn training programs for companies at www.IntegratedAlliances.com. Beyond the business side, the book is entertaining. It uses the allure of classic rock music to guide you through the process - Pink Floyd, The Eagles, John Mellencamp, Bachman Turner Overdrive, over 50 in all. It also includes URL's and links to music videos from each of these artists as well. This book rocks and it helps you make your LinkedIn presence rock as well!

In the final book of Ginger Voight's Groupie Trilogy, Andy and Vanni have returned to Los Angeles to prepare for the birth of their child. A reformed Ladies' Man, Giovanni Carnevale now embarks on a life of monogamy with the woman he loves, but the ghosts of his past still continue to haunt their newfound happiness.The Wilke family wants to see him pay for the damage he has done to their precious Baylee, who still lies in a vegetative state. For her brother, Donny, money will never be enough to make up for what Vanni has done, but that is where the Wilke family first seeks their revenge, demanding millions of dollars in restitution.To ensure he has enough money to make up for his mistakes as well as provide for his baby, Vanni takes on the job as judge for a new reality talent show called "Fierce," where he champions an unlikely contestant, proving him to be a man of substance more than anyone could have imagined. Graham tries to move on, but when he discovers that Andy is pregnant he cannot stop dreaming of what might have been. Maggie watches on helplessly, as hopelessly in love with him as he is with someone else. She considers moving on before he shatters what is left of her heart. The biggest threat to Vanni and Andy's Happily Ever After is Holly Neal, who returns to Los Angeles claiming to carry Vanni's baby. Graham and Andy suspect she is up to her old tricks, but Vanni knows truly turning over a new leaf means he has to do right by all the people he has wronged - including a child he may have conceived with another woman. In the end, it is Andy and their baby who may pay the biggest price of all for his sins, when Baylee's death sends her psychotic brother over the edge. Everything blows literally to pieces, forcing Vanni - and Graham - to give it all for the sake of love.

Kaapstad word deur 'n reeksmoordenaar geteister. Die Romeo-en-Juliet-moordenaar se slagoffers is almal tieners. Verliefde paartjies... En almal word op dieselfde manier gevind.

Most priests take confessions. This one is giving his. 'The most hotly anticipated hard-rock autobiography of the year' 'Rob Halford has written one of the most candid and surprising memoirs of the year. . . Confess is a riproaring tale, a funny, often shocking and genuinely emotional story' The Telegraph 'The Metal God shares stories from a life like no other, spending over 50 years in the heavy metal bubble, facing adversity head-on but always with a wry smile and horns held firmly aloft' Kerrang 'Raw and searingly moving, Confess will delight metal heads and music fans alike' GQ 'A unique and deeply revealing insight into the extraordinary life he has led' Metal Talk Rob Halford, front man of global iconic metal band Judas Priest, is a true 'Metal God'. Raised in Britain's hard-working heavy industrial heartland he and his music were forged in the Black Country. CONFESS, his full autobiography, is an unforgettable rock 'n' roll story - a journey from a Walsall council estate to musical fame via alcoholism, addiction, police cells, ill-starred sexual trysts and bleak personal tragedy, through to rehab, coming out, redemption... and finding love. Now, he is telling his gospel truth. Told with Halford's trademark self-deprecating, deadpan Black Country humour, CONFESS is the story of an extraordinary five decades in the music industry. It is also the tale of unlikely encounters with everybody from Superman to Andy Warhol, Madonna, Jack Nicholson and the Queen.

More than anything else, it's a celebration of the fire and power of heavy metal. Rob Halford has decided to Confess. Because it's good for the soul.

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes

“Engaging . . . [a] biography of three men bound by blood, music, and a lifelong struggle to strike a balance between the sacred and secular.”—Publishers Weekly Three cousins, inseparably bonded through music. Each became a star; their story would become a legend. J. D. Davis’s enthralling new biography of famous cousins Jerry Lee Lewis, Jimmy Swaggart, and Mickey Gilley, born within a twelve-month span in small-town Louisiana during the Great Depression, draws from exhaustive research and personal connections with friends and family. Davis recreates the irresistible and life-changing power of music that surrounded the cousins as boys and shaped their engagingly distinct paths to fame. With three personal journeys set alongside important landmarks in pop-culture history, Davis presents a unique tale of American music centered on the trials, tribulations, and achievements of three men who remain truly Unconquered. A ForeWord Reviews Book of the Year Award Honorable Mention for Biography “This is a good read, and not just for the hard-core fan. It will appeal to anyone interested in the dynamics of rock ’n’ roll, country music, and evangelical Christianity and what happens when the aesthetics and lifestyles of those three worlds collide. Highly recommended.”—Library Journal “God, the devil, and everything in between. This book is a great representation of the duality plane on which we exist.”—Leon Russell, legendary musician, Rock and Roll Hall of Fame member “Unconquered clearly depicts the fascinating story of three great musical artists who were cousins in real life but icons in the world of music. Each man conquered life’s roadblocks to achieve his ultimate goals.”—Tom Schedler, former Louisiana Secretary of State

Die nuwe skooljaar begin nie goed vir Thomas nie. Eers het hy en Hannes 'n nagmerrieoondervinding in 'n hyser en dan word hy vir 'n week lank geskors.

For philanthropists of the past, charity was often a matter of simply giving money away. For the philanthrocapitalists-the new generation of billionaires who are reshaping the way they give-it's like business. Largely trained in the corporate world, these "social investors" are using big-business-style strategies and expecting results and accountability to match. Bill Gates, the world's richest man, is leading the way: he has promised his entire fortune to finding a cure for the diseases that kill millions of children in the poorest countries in the world. In Philanthrocapitalism, Matthew Bishop and Michael Green examine this new movement and its implications. Proceeding from interviews with some of the most powerful people on the planet-including Gates, Bill Clinton, Warren Buffett, Oprah Winfrey, and Bono, among others-they show how a web of wealthy, motivated donors has set out to change the world.

Thomas se lewe suig harder as 'n stofsuier. Hy is kniediep in die moeilikheid omdat hy 'n lee koeldrankblikkie geskop het en dit per ongeluk die skoolhoof, meneer Volschenk, teen die kop getref het. Nou moet hy mure verf en allerhande goor werk by die skool doen om te keer dat ou Oros-man hom uit die skool skop.

An Introduction

A Collection of Hate Mail and Other Crazy Rumors

At fifteen, his poster hung on my bedroom wall. At twenty-five his body hovered over mine. Every girl's fantasy became my reality. I was dating a rockstar. Yet I was slowly falling for another man. The problem was-the two men-they shared a tour bus.

DBA Survivor is a book to help new database administrators understand more about the world of database administration. More and more people are moving into the DBA profession, and many are looking for a getting-started guide. Blogs are written about how to be an exceptional DBA and what to do in your first 100 days. This book takes a different approach, injecting some humor into helping you understand how to hit the ground running, and most importantly how to survive as a DBA. And it's not just survival that matters. Author Thomas LaRock wants much more for you than mere survival. He wants you to have excellence, competence, visibility, confidence, and service. These are the traits and characteristics of DBAs who truly succeed and become respected in their profession. Don't settle for just muddling through your job each day. Strive to excel. Aim to make a difference, for your clients, and for your colleagues. Focuses on the soft skills that distinguish truly exceptional DBAs Takes a humorous approach to keep readers engaged Written by a SQL Server "Most Valuable Professional" and board member of PASS

Dinge is in rep en roer oor die nuwe meisie in Thomas-hulle se klas: die aantreklike sepiester Fleur Vermaak. Hannes is dadelik tot sy ore toe verlief op Fleur, maar dit lyk asof sy net oe het vir een ou - Thomas! En Thomas sal nie daarvan droom om vir Alex te verneuk nie...

When the music-scene murders start happening again, Jackie Mayer is ready. He knows the secrets of the past. Or, least he thinks he does. But the gods of rock are darker than he thought, and the conspiracy he uncovers is more insidious than he could have imagined. THEY SOLD THEIR SOULS FOR ROCK 'N' ROLL!! Music, murder, magic, and mayhem. Rock fan Jackie Mayer possesses an uncanny, almost unearthly talent: he’s able to connect the legends, secrets, curses, whispers, mysteries, and conspiracies in the music world. He knows musicians hunger for fame and fortune – making them easy marks. Old Scratch likes nothing better than the burn of desire – whether a 19th century violin virtuoso, a young Blues man down in Memphis, or an occult-obsessed guitar genius. When a pattern of unsolved 1970s music-scene murders resumes in present-day Los Angeles, no one sees the connection except Jackie. Together with muck-raking music journalist Dorothy Buell, they soon uncover a vast conspiracy involving a legendary band, demonic possession, and sacrifices to the dark gods of rock. Jackie is drawn into the underbelly of the music world – and he’s going to have a devil of a time getting out alive. Collects the complete ten-issue series

Are you ready to head to New Orleans? Fall in love with the sexy series readers call "deliciously addictive" and "binge-worthy" from New York Times, Wall Street Journal, and USA Today bestselling author Meghan March. Beneath These Shadows is a STANDALONE romance set in the world of the Beneath series. You DO NOT have to read any other books in the series to enjoy it. The only permanent thing in my life is the ink I put on my clients. I drift from city to city, in and out of beds, from one tattoo shop to the next. Every time I start to put down roots, I rip them up. Until New Orleans. Until her. She’s everything I’m not. Full of fire and life. An innocent where I’m a sinner. I want to consume her. Protect her. Keep her. But first, I have to escape from beneath these shadows. The entire Beneath series is complete and each book in the Beneath series can be read as a standalone. Beneath This Mask, Beneath #1 Beneath This Ink, Beneath #2 Beneath These Chains, Beneath #3 Beneath These Scars, Beneath #4 Beneath These Lies, Beneath #5 Beneath These Shadows, Beneath #6 Beneath The Truth, Beneath #7 What reviewers are saying: "This book was sooo much more than a love story, it's a bad a * * action story as well!!!! just love reading Meghan's books, they are sooo good!!" ~iScream Books "Meghan March stays true to her word when she states that she writes unapologetically sexy romance because Beneath These Shadows was that and so much more." ~Michelle, Four Chicks Flipping Pages "This story held me captive from the first page to last, it had tender moments, funny ones, and all came to a climax that was worthy of the five stars bestowed upon it. This series is one of my favs and Bishop was an amazing addition!" ~Dawn, Two Unruly Girls _____ Topics: New Orleans, New Orleans romance, romance set in New Orleans, French Quarter, Mardi Gras, Bourbon Street, tattoos, tattooed bad boy, tattooed bad boy hero, tattoo shop, kidnapping, contemporary romance, alpha hero, alpha bad boy hero, protective bad boy hero, hidden identity, mob, suspense, romantic suspense, mystery, organized crime, innocent heroine, strong female.

Thomas en Hannes kan nie wag om 'n nuwe rekenaarspeletjie te toets wat hulle by Harry van die Cyber Tiger-internetkafee gekry het nie. Maar iets is verkeerd met die speletjie. 'n Geheimsinnige skerpioen verskyn op die rekenaarskerm en Hannes is oortuig die speletjie is in werklikheid 'n gevaarlike rekenaarvirus.

"A brave and breathtaking musical."--The New York Times

Thomas is moving to a new house, and he hates the idea with a passion. Even though his stepmother, Louisa, is quite cool, having a new half-brother or -sister is something Thomas is definitely not looking forward to. To make matters worse, the house they are going to live in is an ancient Victorian place.

The Saga of Cousins Jerry Lee Lewis, Jimmy Swaggart, and Mickey Gilley

What Money Can't Buy

The incredible story of a lead singer's rise to fame and his crushing fall when he lost his singing voice, his career, and his marriage--and then found a new calling more in tune with God than he ever thought possible. Mark Stuart was the front man of popular Christian rock band, Audio Adrenaline, at a time when the Christian music scene exploded. Advancing from garage band to global success, the group sold out stadiums all over the world, won Grammy Awards, and even celebrated an album going certified Gold. But after almost twenty years, Mark's voice began to give out. When doctors diagnosed him with a debilitating disease, the career with the band he'd founded and dedicated his life to building was gone. Then to his shock, his wife ended their marriage, and Mark believed he'd lost everything. Unsure of his future, Mark traveled to Haiti to help with the band's ministry, the Hands and Feet Project. When the devastating 2010 earthquake hit, media learned he was present and sought him out for interviews. Ironically, Mark became the scratchy voice for the struggling Haitians, drawing the world's attention to their dire circumstances. In the process, Mark found a greater purpose than he'd ever known before. In this gripping, compelling new book, Mark Stuart overlays his story with passages from the gospel of John, urging his readers to listen for God's voice and to embrace his big love that calls us into a big life.

Drie adrenalienbelaaide Thomas@-avonture in een omnibus!Die Thomas@-reeks is een van die grootste suksesverhale in die Afrikaanse kinderboekmark. Thomas hoor geheimsinnige voetstappe voor sy kamerdeur deure gaan onverklaarbaar oop en toe en sy rekenaar se drukker spoeg die een vreemde boodskap na die ander uit. Kan dit wees dat daar regtig 'n spook in die huis is? Saam met sy vriende Hannes Alex en Thabo probeer Thomas die raaisel van die huis oplos ... 'n raaisel wat hulle in groot gevaar laat beland.Thomas@skerpioen.netThomas en Hannes kan nie wag om 'n nuwe rekenaarspeletjie te toets wat hulle by Harry van die Cyber Tiger-internetkafee gekry het nie. Maar iets is verkeerd met die speletjie. 'n Geheimsinnige skerpioen verskyn op die rekenaarskerm en Hannes is oortuig die speletjie is in werklikheid 'n gevaarlike rekenaarvirus. Hoe ver sal die skurke gaan om die virus terug te kry?Thomas@agua.netThomas-hulle sien uit na 'n wonderlike langnaweek by die see. Maar dan begin dinge lelik skeefloop: Thomas ontdek 'n deurtjie in die vloer van hulle strandhuis en dit lei reguit na die skuilplek van die gevaarlike perlemoensmokelaar Sharky Fortuin ...

The main driver of inequality–returns on capital that exceed the rate of economic growth–is again threatening to generate extreme discontent and undermine democratic values. Thomas Piketty’s findings in this ambitious, original, rigorous work will transform debate and set the agenda for the next generation of thought about wealth and inequality.

Behavior Trees (BTs) provide a way to structure the behavior of an artificial agent such as a robot or a non-player character in a computer game. Traditional design methods, such as finite state machines, are known to produce brittle behaviors when complexity increases, making it very hard to add features without breaking existing functionality. BTs were created to address this very problem, and enables the creation of systems that are both modular and reactive. Behavior Trees in Robotics and AI: An Introduction provides a broad introduction as well as an in-depth exploration of the topic, and is the first comprehensive book on the use of BTs. This book introduces the subject of BTs from simple topics, such as semantics and design principles, to complex topics, such as learning and task planning. For each topic, the authors provide a set of examples, ranging from simple illustrations to realistic complex behaviors, to enable the reader to successfully combine theory with practice. Starting with an introduction to BTs, the book then describes how BTs relate to, and in many cases, generalize earlier switching structures, or control architectures. These ideas are then used as a foundation for a set of efficient and easy to use design principles. The book then presents a set of important extensions and provides a set of tools for formally analyzing these extensions using a state space formulation of BTs. With the new analysis tools, the book then formalizes the descriptions of how BTs generalize earlier approaches and shows how BTs can be automatically generated using planning and learning. The final part of the book provides an extended set of tools to capture the behavior of Stochastic BTs, where the outcomes of actions are described by probabilities. These tools enable the computation of both success probabilities and time to completion. This book targets a broad audience, including both students and professionals interested in modeling complex behaviors for robots, game characters, or other AI agents. Readers can choose at which depth and pace they want to learn the subject, depending on their needs and background.

Don't Ever Punch a Rockstar

'A heartfelt and witty collection of essays on everything from marriage and knitting to the inevitability of death' Guardian, 50 biggest books of autumn 'Profound and clever and funny and wise' Meg Mason, author of Sorrow & Bliss An irresistible collection of essays and memoir from the internationally bestselling, Women's Prize-winning author of The Dutch House Any story that starts well also end.' As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this as she explores family, friendship, marriage, failure, success, and what it all means. Ranging from the personal - her portrait of the three men she called her fathers; how a chance encounter with Tom Hanks led to one of the most important friendships of her life; how to answer when someone asks why you don't have children - to the sublime - the unexpected influence of Snoopy; the importance of knitting; the pleasure to be found in children's books - each essay transforms the particular into the universal, letting us all see our own worlds anew. Illuminating, penetrating, funny and generous, These Precious Days is joyful time spent in the company of one of our greatest living authors. 'Patchett's essays are both sharp and humane ... like a hugely enjoyable conversation with a particularly brilliant friend' Sadie Jones

Nadat Thomas laat een aand 'n geheimsinnige gesprek afluister, is hy doodseker sy pa is bang vir iets of iemand. Wie is die geheimsinnige Rus van wie hulle gepraat het? En waarom het Thomas en sy gesin skielik ekstra beskerming nodig?
