unique, not merely on account of the vastness of the contending armies, but also on account of the power of the weapons employed. In fact, the war has very properly been described as an engineer's war,

## Access Free Today Class

Automotive  
Answers Electrical

and such, indeed,  
it is, as the  
engineer is wholly  
responsible for the  
tremendous  
development in  
every warlike  
instrument which  
has taken place  
since 1870. He is  
responsible, too,  
not merely for the  
development, but
