Exploring story elements in multiple ways, close reading and text-based vocabulary practice, and determining meaning through text-dependent questions are just a few of the many skills students will walk away with after interacting with the rigorous and appealing cross-curricular lessons and activities in this resource. Written to support this all-time favorite, each activity and lesson work in conjunction with the text to teach students how to analyze and comprehend complex literature.

"Do you reckon Tom Sawyer was satisfied after all them adventures? No, he wasn't. It only just pisoned him for more." So Huck declares at the start of the first of these once celebrated but now little-known sequels to Adventures of Huckleberry Finn. These unjustly neglected works are among the most enjoyable of Mark Twain's novels. In Tom Sawyer Abroad, Tom, Huck, and Jim travel across the Atlantic in a futuristic air balloon to encounter lions, robbers, fleas, and some of the world's greatest wonders. In Tom Saywer, Detective, Tom and Huck journey down the Mississippi to help solve a mysterious crime. Told in Huck's voice and replete with down-hime backwoods Missouri wisdom, these two stories tackle every subject from the Crusades and chronometers to ghosts and swearing popes.--Publisher description.

With its high-interest adaptations of classic literature and plays, this series inspires reading success and further exploration for all students.These classics are skillfully adapted into concise, softcover books of 80-136 pages. Each retains the integrity and tone of the original book.

Included are eight pages of end-of-book activities to enhance the reading experience. A quality collection of treasured classics, fully illustrated and carefully adapted for children.

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books.The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

Grades 7-12

Exploring Literature is a complete teaching unit designed to give you everything needed to help students understand and appreciate fine literature. This exciting approach includes classroom-tested activities sure to save you hours of valuable preparation time.

Here is the story of Tom, Huck, Becky, and Aunt Polly; a tale of adventures, pranks, playing hookey, and summertime fun. Written by the author sometimes called "the Lincoln of literature," The Adventures of Tom Sawyer was surprisingly neither a critical nor a financial success when it was first published in 1876. It was Mark Twain's first novel. However, since then Tom Sawyer has become his most popular work, enjoying dramatic, film, and even Broadway musical interpretations.

Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading.Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide, in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it!Teachers, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning.

The Adventures of Tom Sawyer: An Instructional Guide for Literature

The Adventures of Huckleberry Finn Study Guide

An imaginative and mischievous boy named Tom Sawyer lives with his Aunt Polly and his half-brother, Sid, in the Mississippi River town of St. Petersburg, Missouri. After playing hooky from school on Friday and dirtying his clothes in a fight, Tom is made to whitewash the fence as punishment on Saturday. At first, Tom is disappointed by having to forfeit his day off. However, he soon cleverly persuades his friends to trade him small treasures for the privilege of doing his work. He trades these treasures for tickets given out in Sunday school for memorizing Bible verses and uses the tickets to claim a Bible as a prize. He loses much of his glory, however, when, in response to a question to show off his knowledge, he incorrectly answers that the first two disciples were David and Goliath. Tom falls in love with Becky Thatcher, a new girl in town, and persuades her to get "engaged" to him. Their romance collapses when she learns that Tom has been "engaged" before-to a girl named Amy Lawrence. Shortly after being shunned by Becky, Tom accompanies Huckleberry Finn, the son of the town drunk, to the graveyard at night to try out a "cure" for warts.

The vital resource for grading all assignments from the American Literature course, including options to help personalize the coursework for the individual student to develop: Essay writing skills, Higher ACT/SAT scores, Solid worldviews, and Strong vocabulary.

Cultural Influences of Early to Contemporary Voices

One of "our most insightful social observers"* cracks the great political mystery of our time: how conservatism, once a marker of class privilege, became the creed of millions of ordinary Americans With his acclaimed wit and acuity, Thomas Frank turns his eye on what he calls the "thirty-year backlash"—the populist revolt against a supposedly liberal establishment. The high point of that backlash is the Republican Party's success in building the most unnatural of alliances: between blue-collar Midwesterners and Wall Street business interests, workers and bosses, populists and right-wingers. In asking "what 's the matter with Kansas?"—how a place famous for its radicalism became one of the most conservative states in the union—Frank, a native Kansan and onetime Republican, seeks to answer some broader American riddles: Why do so many of us vote against our economic interests? Where's the outrage at corporate manipulators? And whatever happened to middle-American progressivism? The questions are urgent as well as provocative. Frank answers them by examining pop conservatism—the bestsellers, the radio talk shows, the vicious political combat—and showing how our long culture wars have left us with an electorate far more concerned with their leaders' "values" and down-home qualities than with their stands on hard questions of policy. A brilliant analysis—and funny to boot—What's the Matter with Kansas? presents a critical assessment of who we are, while telling a remarkable story of how a group of frat boys, lawyers, and CEOs came to convince a nation that they spoke on behalf of the People. *Los Angeles Times
