

## Too Late To Die Young Nearly True Tales From A Lif

A love story with a difference - an unforgettable tale of life, loss and making each day count in the INTERNATIONAL NO. 1 BESTSELLING book of TIKTOK fame, clocking up 60 million views and counting! On September 5th, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: they're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: there's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure - to live a lifetime in a single day. Another beautiful, heartbreaking and life-affirming book from the brilliant Adam Silvera, author of More Happy Than Not, History Is All You Left Me, What If It's Us. Here's To Us and the Infinity Cycle series. PRAISE FOR ADAM SILVERA: 'There isn't a teenager alive who won't find their heart described perfectly on these pages.' Patrick Ness, author of The Knife of Never Letting Go 'Adam Silvera is a master at capturing the infinite small heartbreaks of love and loss and grief.' Nicola Yoon, author of Everything, Everything 'A phenomenal talent.' Juno Dawson, author of Clean and Wonderland 'Bold and haunting.' Lauren Oliver, author of Delirium

TOO FAST TO LIVE TOO YOUNG TO DIE: JAMES DEAN'S FINAL HOURS

With a voice as disarmingly bold, funny, and unsentimental as its author, a thoroughly unconventional memoir that shatters the myth of the tragic disabled life Harriet McBryde Johnson isn't sure, but she thinks one of her earliest memories was learning that she will die. The message came from a maudlin TV commercial for the Muscular Dystrophy Association that featured a boy who looked a lot like her. Then as now, Johnson tended to draw her own conclusions. In secret, she carried the knowledge of her mortality with her and tried to sort out what it meant. By the time she realized she wasn't a dying child, she was living a grown-up life, intensely engaged with people, politics, work, struggle, and community. Due to a congenital neuromuscular disease, Johnson has never been able to walk, dress, or bathe without assistance. With help, however, she manages to take on the world. From the streets of Havana, where she covers an international disability rights conference, to the floor of the Democratic National Convention in Chicago, to an auditorium at Princeton, where she defends her right to live against philosopher Peter Singer, she lives a life on her own terms. And along the way, she defies and debunks every popular assumption about disability. This unconventional memoir opens with a lyrical meditation on death and ends with a surprising sermon on pleasure. In between, we get the tales Johnson most enjoys telling from her own life. This is not a book "about disability" but it will surprise anyone who has ever imagined that life with a severe disability is inherently worse than another kind of life.

A tense and enthralling historical thriller in which British Naval Intelligence officer Ian Fleming attempts to foil a Nazi plot to assassinate FDR, Churchill, and Stalin. November, 1943. Weary of his deskbound status in the Royal Navy, intelligence officer Ian Fleming spends his spare time spinning stories in his head that are much more exciting than his own life...until the critical Tehran Conference, when Winston Churchill, Franklin Roosevelt, and Josef Stalin meet to finalize the D-Day invasion. With the Big Three in one place, Fleming is tipped off that Hitler's top assassin has infiltrated the conference. Seizing his chance to play a part in a real-life action story, Fleming goes undercover to stop the Nazi killer. Between martinis with beautiful women, he survives brutal attacks and meets a seductive Soviet spy who may know more than Fleming realizes. As he works to uncover the truth and unmask the assassin, Fleming is forced to accept that betrayal sometimes comes from the most unexpected quarters—and that one's literary creations may prove eerily close to one's own life. Brilliantly inventive, utterly gripping and suspenseful, Too Bad to Die is Francine Mathews's best novel yet, and confirms her place as a master of historical fiction.

Improving Care at the End of Life

Too Late to Die

Too Old to Cry, Too Young to Die

Better Living Through Criticism: How to Think about Art, Pleasure, Beauty and Truth

*When the end of life makes its inevitable appearance, people should be able to expect reliable, humane, and effective caregiving. Yet too many dying people suffer unnecessarily. While an "overtreated" dying is feared, untreated pain or emotional abandonment are equally frightening. Approaching Death reflects a wide-ranging effort to understand what we know about care at the end of life, what we have yet to learn, and what we know but do not adequately apply. It seeks to build understanding of what constitutes good care for the dying and offers recommendations to decisionmakers that address specific barriers to achieving good care. This volume offers a profile of when, where, and how Americans die. It examines the dimensions of caring at the end of life: Determining diagnosis and prognosis and communicating these to patient and family. Establishing clinical and personal goals. Matching physical, psychological, spiritual, and practical care strategies to the patient's values and circumstances. Approaching Death considers the dying experience in hospitals, nursing homes, and other settings and the role of interdisciplinary teams and managed care. It offers perspectives on quality measurement and improvement, the role of practice guidelines, cost concerns, and legal issues such as assisted suicide. The book proposes how health professionals can become better prepared to care well for those who are dying and to understand that these are not patients for whom "nothing can be done."*

*Can you solve the mystery of Evelyn Hardcastle? WINNER OF THE COSTA FIRST NOVEL AWARD WINNER OF THE BOOKS ARE MY BAG NOVEL AWARD A WATERSTONES THRILLER OF THE MONTH SHORTLISTED FOR THE SPECSAVERS NATIONAL BOOK AWARDS SHORTLISTED FOR THE BRITISH BOOK AWARDS DEBUT OF THE YEAR LONGLISTED FOR THE THEAKSTON OLD PECULIER CRIME NOVEL OF THE YEAR Gosford Park meets Groundhog Day by way of Agatha Christie and Black Mirror – the most inventive story you'll read Tonight, Evelyn Hardcastle will be killed ... Again It is meant to be a celebration but it ends in tragedy. As fireworks explode overhead, Evelyn Hardcastle, the young and beautiful daughter of the house, is killed. But Evelyn will not die just once. Until Aiden – one of the guests summoned to Blackheath for the party – can solve her murder, the day will repeat itself, over and over again. Every time ending with the fateful pistol shot. The only way to break this cycle is to identify the killer. But each time the day begins again, Aiden wakes in the body of a different guest. And someone is determined to prevent him ever escaping Blackheath... SELECTED AS A BOOK OF THE YEAR BY THE GUARDIAN, I PAPER, FINANCIAL TIMES AND DAILY TELEGRAPH AND CURRENTLY BEING ADAPTED BY NETFLIX INTO A SEVEN PART SERIES The mind-blowing new murder mystery from Stuart Turton, The Devil and the Dark Water, is OUT NOW.*

*Few could explain, let alone seek out, a career in criticism. Yet what A. O. Scott shows in Better Living Through Criticism is that we are, in fact, all critics: because critical thinking informs almost every aspect of artistic creation, of civil action, of interpersonal life. With penetrating insight and humour, Scott shows that while individual critics – himself included – can make mistakes and find flaws where they shouldn't, criticism as a discipline is one of the noblest, most creative and urgent activities. Using his own film criticism as a starting point – everything from an infamous dismissal of the international blockbuster The Avengers to his intense affection for Pixar's animated Ratatouille – Scott expands outwards, easily guiding readers through the complexities of Rilke and Shelley, the origins of Chuck Berry and the Rolling Stones, the power of Marina Abramovic and 'Ode on a Grecian Urn' Scott shows that real criticism was and always will be the breath of fresh air that allows true creativity to thrive. As he puts it: 'The time for criticism is always now, because the imperative to think clearly, never goes away.'*

*Everyone knew her. A lot of them like her. One of them killed her. Jeanne Clinton was a pretty and well-liked woman—though in her younger days she'd been known to be a bit wild. But she married an older man and settled down to a quiet, respectable life. Now she is dead, brutally murdered in her home. Dan Rhodes, the thoughtful, hard-working sheriff of Blacklin County, Texas, has enough to worry about already: a rash of burglaries in town and an election coming up against a hot-shot opponent. Now he's got to find a killer among the residents of his little town—a wily killer, bound and determined not to be caught. The deeper Rhodes digs into the hearts and minds of his neighbors, the more secrets he turned up...and the more violence he encounters. But Rhodes doesn't give up easily. And neither does the killer.*

Too Late to Die Young

**WARNING: DO NOT READ THIS BOOK! ...For amongst its contents you will find: two extraordinary adventurers... a missing magician's diary... a symphony of spells... and a deadly secret. But wait, you already know too much! It is too late. I'm afraid nothing will stop you now. Open the book if you must. But, please, tell no one.**

*A collection including the last complete unpublished short stories by F. Scott Fitzgerald, the iconic American writer of The Great Gatsby who is more widely read today than ever. I'd Die For You is a collection of the last remaining unpublished and uncollected short stories by F. Scott Fitzgerald, edited by Anne Margaret Daniel. Fitzgerald did not design the stories in I'd Die For You as a collection. Most were submitted individually to major magazines during the 1930s and accepted for publication during Fitzgerald's lifetime, but were never printed. Some were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald. They date from the earliest days of Fitzgerald's career to the last. They come from various sources, from libraries to private collections, including those of Fitzgerald's family. Readers will experience Fitzgerald writing about controversial topics, depicting young men and women who actually spoke and thought more as young men and women did, without censorship. Rather than permit changes and sanitizing by his contemporary editors, Fitzgerald preferred to let his work remain unpublished, even at a time when he was in great need of money and review attention. "I'd Die For You," the collection's title story, is drawn from Fitzgerald's stays in the mountains of North Carolina when his health, and that of his wife Zelda, was falling apart. With the addition of a Hollywood star and film crew to the Smoky Mountain lakes and pines, Fitzgerald brings in the cinematic world in which he would soon be living. Most of the stories printed here come from this time period, during the middle and late1930s, though the collection spans Fitzgerald's career from 1920 to the end of his life. The book is subtitled And Other Lost Stories in recognition of an absence until now. Some of the eighteen stories were physically lost, coming to light only in the past few years. All were lost, in one sense or another: lost in the painful shuffle of the difficulties of Fitzgerald's life in the middle 1930s; lost to readers because contemporary editors did not understand or accept what he was trying to write; lost because archives are like that, and good things can wait patiently in libraries for many centuries sometimes. I'd Die For You And Other Lost Stories echoes as well the nostalgia and elegy in Gertrude Stein's famous phrase "a lost generation," that generation for whom Fitzgerald was a leading figure. Written in his characteristically beautiful, sharp, and surprising language, exploring themes both familiar and fresh, these stories provide new insight into the bold and uncompromising arc of Fitzgerald's career. I'd Die For You is a revealing, intimate look at Fitzgerald's creative process that shows him to be a writer working at the fore of modern literature—in all its developing complexities.*

*Download a FREE sneak peek of Gilded by Marissa Meyer. In Gilded, #1 New York Times-bestselling author Marissa Meyer returns to the fairytale world with this haunting retelling of Rumpelstiltskin. Long ago cursed by the god of lies, a poor miller's daughter has developed a talent for spinning stories that are fantastical and spellbinding and entirely untrue. Or so everyone believes. When one of Serilda's outlandish tales draws the attention of the sinister Erlking and his undead hunters, she finds herself swept away into a grim world where ghouls and phantoms prowl the earth and hollow-eyed ravens track her every move. The king orders Serilda to complete the impossible task of spinning straw into gold, or be killed for telling falsehoods. In her desperation, Serilda unwittingly summons a mysterious boy to her aid. He agrees to help her... for a price. Love isn't meant to be part of the bargain. Soon Serilda realizes that there is more than one secret hidden in the castle walls, including an ancient curse that must be broken if she hopes to end the tyranny of the king and his wild hunt forever.*

*Message from a dead girl... It's too late to call back. Jenny will never speak to Liza again. But it seems that even from beyond the grave, Liza is begging her sister for help... They say it's a serial killer. Is it? Jenny can't afford to trust anyone. Now she's here, in Wisteria, anonymously registered at the Chase College theater camp where her sister died. The daughter of a famous theatrical family, Jenny distrusts actors, loathes acting. Yet here in the college's darkened theatre, Liza seems to be speaking to her. Suddenly Jenny is mousting Liza's last lines, sharing Liza's last days, a drama starring Brian, the stage manager, who seems to follow her everywhere...dangerously attractive Mike...Paul, who was obsessed with Liza...motherly, suffocating assistant director Maggie...and Walker, the director, bristling with hostility and resentment against Liza and Jenny's famous father. Does he suspect Jenny's true identity? How can anyone know the visions that may be driving Jenny straight into the killer's arms?*

**NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE** A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, To Paradise, coming in January 2022.

**\*Kazuo Ishiguro's new novel Klara and the Sun is now available to preorder\*** One of the most acclaimed novels of the 21st Century, from the Nobel Prize-winning author Shortlisted for the Man Booker Prize Kazuo Ishiguro imagines the lives of a group of students growing up in a darkly skewed version of contemporary England. Narrated by Kathy, now thirty-one, Never Let Me Go dramatises her attempts to come to terms with her childhood at the seemingly idyllic Hailsham School and with the fate that has always awaited her and her closest friends in the wider world. A story of love, friendship and memory, Never Let Me Go is charged throughout with a sense of the fragility of life. 'Exquisite.' Guardian 'A feat of imaginative sympathy.' New York Times What readers are saying: 'A book I will return to again and again, and one that keeps me thinking even after finishing it. 5/5 stars' 'I loved it, every single word of it.' 'It took me wholly by surprise.' 'Utterly beautiful.' 'Essentially perfect.'

The International Bestseller 'Dr Michael Greger reveals the foods that will help you live longer' Daily Mail 'This book may help those who are susceptible to illnesses that can be prevented with proper nutrition' His Holiness the Dalai Lama Why rely on drugs and surgery to cure you of life-threatening disease when the right decisions can prevent you from falling ill to begin with? How Not To Die gives effective, scientifically-proven nutritional advice to prevent our biggest killers – including heart disease, breast cancer, prostate cancer, high blood pressure and diabetes – and reveals the astounding health benefits that simple dietary choices can provide. Based on the latest scientific research, the internationally bestselling How Not To Die examines each of the most common diseases to reveal what, how and why different foods affect us, and how increasing our consumption of certain foods and avoiding others can dramatically reduce our risk of falling sick and even reverse the effects of disease. It also shares Dr Greger's 'Daily Dozen' – the twelve foods we should all eat every day to stay in the best of health. With emphasis on individual family health history and acknowledging that everyone needs something different, Dr Michael Greger offers practical dietary advice to help you live longer, healthier lives.

In the tradition of John Green's The Fault in Our Stars and Me and Earl and the Dying Girl, this incredibly moving and harrowing true story of a teenager diagnosed with cancer is “a resounding affirmation of how music can lift one’s spirits beyond gray skies and bad news (Kirkus Reviews).” Punk’s not dead in rural West Virginia. In fact, it blares constantly from the basement of Rob and Nat Rufus—identical twin brothers with spiked hair, black leather jackets, and the most kick-ass record collection in Appalachia. To them, school (and pretty much everything else) sucks. But what can you expect when you’re the only punks in town? When the brothers start their own band, their lives begin to change: they meet friends, they attract girls, and they finally get invited to join a national tour and get out of their rat box little town. But their plans are cut short when Rob is diagnosed with a rare form of cancer that has already progressed to Stage Four. Not only are his dreams of punk rock stardom completely shredded, there is a very real threat that this is one battle that can’t be won. While Rob suffers through nightmarish treatments and debilitating surgery, Nat continues on their band’s road to success alone. But as Rob’s life diverges from his brother’s, he learns to find strength within himself and through his music. Die Young with Me is a “raw, honest picture of the weirdness of growing up” (Marky Ramone) and the story of a brave teen’s battle with cancer and the many ways music helped him cope through his recovery.

**When a squad of combat engineers blows up a decrepit building in the waning days of the Vietnam War, they set off an obsession in a CIA agent, which leaves a decades-long trail of blood coast to coast across the United States. Private investigator Harley Napoleon, hired by the widow of one of the engineers, gets snared in a web of lies and threats as he tries to solve the puzzle of what happened back then and winds up at odds with a present-day mobster, congressman, and general.**

**The first inside story of one of TV's most popular and beloved dramas, Grey's Anatomy. More than fifteen years after its premiere, Grey's Anatomy remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as “McDreamy,” “seriously,” and “you’re my person.” And the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of Isaiah Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's How to Save A Life takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no Grey's Anatomy fan should be without.**

**An Instant New York Times Bestseller! If I Stay meets Your Name in Dustin Thao's You've Reached Sam, a heartfelt novel about love and loss and what it means to say goodbye. Seventeen-year-old Julie Clarke has her future all planned out—move out of her small town with her boyfriend Sam, attend college in the city; spend a summer in Japan. But then Sam dies. And everything changes. Heartbroken, Julie skips his funeral, throws out his belongings, and tries everything to forget him. But a message Sam left behind in her yearbook forces memories to return. Desperate to hear him one more time, Julie calls Sam's cell phone just to listen to his voice mail recording. And Sam picks up the phone. The connection is temporary. But hearing Sam's voice makes Julie fall for him all over again and with each call, it becomes harder to let him go. What would you do if you had a second chance at goodbye? A 2021 Kids' Indie Next List Selection A Cosmo.com Best YA Book Of 2021 A Buzzfeed Best Book Of November A Goodreads Most Anticipated Book**

**When it was released in 1955, the film Rebel Without a Cause had a revolutionary impact on moviemaking and youth culture, virtually giving birth to our concept of the American teenager. For the first time, Live Fast, Die Young tells the complete story of the explosive making of Rebel, a film that has rocked every generation since its release. Set against a backdrop of the Atomic Age and an old Hollywood studio system on the verge of collapse, it vividly evokes the cataclysmic, immensely influential meeting of four of Hollywood's most passionate artists. When James Dean, Natalie Wood, Sal Mineo, and director Nicholas Ray converged, each was at a crucial point in his or her career. The young actors were grappling with fame, their burgeoning sexuality, and increasingly reckless behavior. As Ray engaged his cast in physical melees and psychosexual seductions of startling intensity, the on- and off-set relationships between his ambitious young actors ignited, sending a shock wave through the film. Through interviews with the surviving members of the cast and crew and firsthand access to both personal and studio archives, Lawrence Frascella and Al Weisel reveal Rebel's true drama -- the director's affair with sixteen-year-old Wood, his tempestuous "spiritual marriage" with Dean, and his role in awakening the latent homosexuality of Mineo, who would become the first gay teenager to appear on film. Complete with thirty photographs, including ten never-before-seen photos by famed Dean photographer Dennis Stock, Live Fast, Die Young tells the absorbing inside story of an unforgettable and absolutely essential American film -- a story that is, in many ways, as provocative as the film itself.**

## An Old Man, a Young Man, and Life's Greatest Lesson, 20th Anniversary Edition Never Too Late to Die

### They Both Die at the End

### Too Fast to Live, Too Young to Die

Nine case histories and dialogues with thirty-five teen-age cancer patients--all terminally ill--describe their fears, initial reactions to their illnesses, and their hope and goals for the future

There is no field of journalism more mythologised or more derided than rock journalism - with good reason, according to Andrew Mueller. An Almost Famous for Generation X, It's Too Late To Die Young Now is Mueller's hilarious and heartfelt eulogy to a life that seems even less probable now than it did at the time.

**#1 NEW YORK TIMES BESTSELLER** • A special 20th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Disabled young people will be proud to see themselves reflected in this hopeful, compelling, and insightful essay collection, adapted for young adults from the critically acclaimed adult book, Disability Visibility: First Person Stories from the Twenty-First Century that “sheds light on the experience of life as an individual with disabilities, as told by none other than authors with these life experiences.” --Chicago Tribune, “Best books published in summer 2020” (Vintage/Knopf Doubleday edition). The seventeen eye-opening essays in Disability Visibility, all written by disabled people, offer keen insight into the complex and rich disability experience, examining life's ableism and inequality, its challenges and losses, and celebrating its wisdom, passion, and joy. The accounts in this collection ask readers to think about disabled people not as individuals who need to be “fixed,” but as members of a community with its own history, culture, and movements. They offer diverse perspectives that speak to past, present, and future generations. It is essential reading for all.

Before I Die

**Tessa has just a few months to live. So she compiles her bucket list, her To Do Before I Die list. Number one is sex. Released from the constraints of 'normal' life, Tessa tastes new experiences to make her feel alive while her failing body struggles to keep up. Heartbreaking yet astonishingly life-affirming, Before I Die will take you to the very edge.**

**Drawing on letters, diaries, and tape-recorded conversations, the author recounts his friendship with Dean, including their sexual relationship, and reveals Dean's feelings about his success, his parents, and death**

**The Seven Graces of Ageless Aging synthesizes and simplifies the components of conscious aging into a primer for individuals who are concerned about their own aging process and for those caring for the elderly who seek an enlightened understanding of how all of us may approach aging more consciously and, gracefully. In short, these Seven Graces can serve as stepping-stones toward attaining emotional or spiritual wholeness as we age.**

**What would you change if you could travel back in time? Down a small alleyway in the heart of Tokyo, there’s an underground café that’s been serving carefully brewed coffee for over a hundred years. Local legend says that this shop offers its customers something else besides coffee—the chance to travel back in time. The rules, however, are far from simple: you must sit in one particular seat, and you can’t venture outside the café, nor can you change the present. And, most important, you only have the time it takes to drink a hot cup of coffee—or risk getting stuck forever. Over the course of one summer, four customers visit the café in the hopes of traveling to another time: a heartbroken lover looking for closure, a nurse with a mysterious letter from her husband, a waitress hoping to say one last goodbye and a mother whose child she may never get the chance to know.**

**Heartwarming, wistful and delightfully quirky, Before the Coffee Gets Cold explores the intersecting lives of four women who come together in one extraordinary café, where the service may not be quick, but the**

**I'm in the middle of a full-blown spaz-attack, and I don't care. I don't care at all. At home I always try to act normal, and spaz-attacks definitely aren't normal. Here, people understand. They know a spaz-attack signals that I'm excited. They're excited too, so they squeal with me; some even spaz on purpose, if you can call that spazzing . . . An unforgettable coming-of-age novel about what it's like to live with a physical disability It's the summer of 1970. Seventeen-year-old Jean has cerebral palsy, but she's always believed she's just the same as everyone else. She's never really known another disabled person before she arrives at Camp Courage. As Jean joins a community unlike any she has ever imagined, she comes to question her old beliefs and look at the world in a new light. The camp session is only ten days long, but that may be all it takes to change a life forever. Henry Holt published Harriet McBryde Johnson's adult**

**memoir, Too Late to Die Young, in April 2005. Ms. Johnson has been featured in The New York Times Magazine and has been an activist for disability rights for many years.**

**ONE OF THE PROGRESSIVE'S BEST BOOKS OF THE YEAR One in five people in the United States lives with a disability. Some disabilities are visible, others less apparent—but all are underrepresented in media and popular culture.**

**Now, just in time for the thirtieth anniversary of the Americans with Disabilities Act, activist Alice Wong brings together this urgent, galvanizing collection of contemporary essays by disabled people. From Harriet McBryde Johnson's account of her debate with Peter Singer over her own personhood to original pieces by authors like Keah Brown and Haben Girma; from blog posts, manifestos, and eulogies to Congressional testimonies, and beyond: this anthology gives a glimpse into the rich complexity of the disabled experience, highlighting the passions, talents, and everyday lives of this community. It invites readers to question their own understandings. It celebrates and documents disability culture in the now. It looks to the future and the past with hope and love.**

**You Fell In Love With The Victors of The Hunger Games. Now Prepare To Meet The Villains Of The Blood Veil. After the publication of a salacious tell-all book, the remote city of Ilvernath is thrust into the spotlight. Tourists, protesters, and reporters alike flock to its spellshops and historic ruins to witness an ancient curse unfold: every generation, seven families name a champion among them to compete in a tournament to the death. The winner awards their family exclusive control over the city's high magick supply, the most powerful resource in the world. In the past, the villainous Lowes have won nearly every tournament, and their champion is prepared to continue his family's reign. But this year, thanks to the influence of their newfound notoriety, each of the champions has a means to win. Or better yet--a chance to rewrite their story. But this is a story that must be penned in blood.**

**Andrew Mueller is Australian by birth, a Londoner by choice, a wanderer by nature, and a journalist by profession. Unable to decide between being a rock critic, travel writer, or foreign correspondent, he hit upon the novel, if time-consuming, solution of trying to be all three at once. In Rock and Hard Places, published originally in the U.K. in 1999, now re-envisioned and updated and available for the first time in the United States, he travels to Lebanon with the Prodigy, comes to America with Radiohead, and goes all over the place with U2. He ventures to Bosnia Herzegovina with an aid convoy in the middle of the war, sees Def Leppard play in a cave in Morocco, and attempts to ask the Taliban not only what they think they're up to, but who they fancy for the World Cup. He flings himself head first down the Cresta Run, sits in Stalin's armchair, chases ambulances through Moscow, chases some kind of lost tribe in India, wakes up at least once in a park in Reykjavik, and strongly advises avoiding the seafood salad in Sapporo Airport. He's funny. Occasionally he makes a point.**

E. Schwab's genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.**

An astonishing collection of over 700 original scans of printed ephemera and memorabilia from the prime years of the punk and post-punk movements. Since finding punk in the summer of 1976, Andrew Krivine has amassed one of the world's largest collections of punk graphic design and memorabilia, with part of his collection exhibiting at the Cranbrook Art Museum in Michigan, before moving to the New York Museum of Arts and Design, and many other such spaces around the world in 2020 and 2021. This book represents the cream of that collection--over 700 original scans of posters, flyers, covers, and ads from the prime years of the movement, which changed the world of graphic design forever. Too Fast to Live tells of one man's obsession with creating an unparalleled collection of punk memorabilia. The illustrative content of the book is verified, critically assessed, and given provenance by an array of graphic design experts, academics, and commentators, among them Steven Heller (former art director at the New York Times), Russ Bestley, Professor Rick Poynor, Malcolm Garrett, and Pulitzer and National Book Award-winning editor Michael Wilde. The unique mix of imagery and text makes this arguably the most essential and definitive work on the graphic design revolution within the punk and post-punk movements of America and the U.K.

Ben Mattlin lives a normal, independent life. Why is that interesting? Because Mattlin was born with spinal muscular atrophy, a congenital weakness from which he was expected to die in childhood. Not only did Mattlin live through childhood, he became one of the first students in a wheelchair to attend Harvard, from which he graduated and became a professional writer. His advantage? Mattlin's life happened to parallel the growth of the disability rights movement, so that in many ways he did not feel that he was disadvantaged at all, merely different. Miracle Boy Grows Up is a witty, unsentimental memoir that you won't forget, told with engrossing intelligence and a unique perspective on living with a disability in the United States.

What is a jaded rock journalist doing dodging landmines to talk to mercenaries and terrorists? And what kind of conversation can a man who prefers hunting for perfect three-minute pop songs and tubes of beer have with devotees of fasting and ferocity? Sarajevo. Jerusalem. Kabul. Belfast. Kosovo. Gaza. Basra. New York City. Every place where recent history advertises the stubbornness, intolerance, bloodlust, and cowardice that sully our collective record, there the intrepid Andrew Mueller goes, skidding around the globe from failed state to ravaged war zone to desolate no-man's-land to try to unpick why we humans seem so prone to plucking war from the jaws of peace. En route, he meets various influential panjandrums (Al Gore, Gerry Adams, Bono, Paddy Ashdown), any number of assorted warlords and revolutionaries, and a sprinkling of peacemakers and do-gooders. He also manages to get shot at, locked up, and taken on a tour by one of the world's most infamous terrorist organizations. It's like a Bond film with much, much less sex, and might appear for that and other reasons to be substantially a story of disappointment. Yet it's a surprisingly sunny book given the mire in which he finds himself.
