

Top 10 Iceland Eyewitness Top 10 Travel Guide Paperback May 21 2012

Winner of the André Simon Drinks Book of the Year Award. Winner of the IACP award in Wine, Beer & Spirits A stunning box set, complete with seven vintage maps in a pull-out drawer. Based on six years of on-the-ground research and unprecedented access to actual Champagne growers, Champagne is the first book to actually describe producers and wines based on their terroir - enlightening readers by showing them exactly where, how, and by whom these great wines are made. Champagne is one of the most iconic, sought-after wines in the world, beloved by serious wine collectors as well as everyday wine drinkers. However, it is also one of the most misunderstood wines out there - obscured by a multimillion-pound marketing industry that makes it difficult for consumers to honestly judge value and understand what they're drinking. Included in the stunning box set are the Louis Larmat vinicultural maps - the only detailed wine maps of the region, which were commissioned by the French government in the mid-1940s and have never appeared in print in English.

Dreaming of your next adventure? Showcasing the most amazing places in the world and the best time of year to visit them, this simply stunning book will have you reaching for your passport in seconds. Combining an inspiring narrative with sumptuous photography, Where to Go When brings to life over 100 destinations across the globe - discover when to explore Costa Rica's rainforests, journey into the clouds in Nepal, sail between Croatia's cypress-clad islands, or gaze at the saw-toothed crags of Canada's Rocky Mountains. With a chapter dedicated to each month of the year, picking your next port-of-call is easy - and we suggest an alternative time to visit each place if you can't make it that month. So whether you're looking for festivals and culture, an unforgettable journey, natural wonders, rest and relaxation, or active adventures, you're sure to find something to fire your imagination. Patrick Leigh Fermor's Mani compellingly revealed a hidden world of Southern Greece and its past. Its northern counterpart takes the reader among Sarakatsan shepherds, the monasteries of Meteora and the villages of Krakora, among itinerant peddlars and beggars, and even tracks down at Missolonghi a pair of Byron's slippers. Roumeli is not on modern maps: it is the ancient name for the lands from the Bosphorus to the Adriatic and from Macedonia to the Gulf of Corinth. But it is the perfect, evocative name for the Greece that Fermor captures in writing that carries throughout his trademark vividness of description. But what is more, the pictures of people, traditions and landscapes that he creates on the page are imbued with an intimate understanding of Greece and its history.

Kormak's Saga, The Saga of Halfred Troublesome-Poet, The Saga of Gunnlaug Serpent-Tongue, The Saga of Bjorn, Champion of the Hitardal People, Viglund's Saga Set in the farmsteads of Viking age Iceland at a time when the old ethos of honour and heroic adventure merged with new ideas of romantic infatuation, each of these sagas features poet heroes, complex love triangles, and travels to foreign lands.

Welcome to Iceland, a very small nation with a very large number (two hundred and sixty five) of (mostly) very small museums. Founded in the backyards of houses, begun as jokes or bets or memorials to lost friends, these museums tell the story of an enchanted island where bridges arrived only at the beginning of the 20th century, and waterproof shoes only with the second world war. A nation formerly dirt poor, then staggeringly rich, and now building its way to affluence once again. A nation where, in the remote and wild places, you might encounter still a shore laddie, a sorcerer or a ghost. From Reykjavik's renowned Phallogological Museum to a house of stones on the eastern coast; from the curious monsters which roam the remote shores of Blðudalur to a museum of whales which proves impossible to find, here is an enchanted story of obsession, curation, and the peculiar magic of this isolated island.

Whether you are looking for spa getaways, stunning glaciers and geysers, the bewitching Northern Lights or the vibrancy of Reykjavik, Eyewitness Top 10 Iceland is the perfect companion.
