Named a Notable Translation of 2015 by World Literature Today "The Moon" has been selected as one of Vancouver Poetry House's 10 Best Poems of 2015 "This poem, translated from the original Spanish, unfolds as a litany of the many ways the moon has been described. One long, complex sentence links all the previous iterations, while a second, much shorter sentence isolates the image of yet another moon. The prose-poem form seems to contain the patch of night sky from which that new apprehension--the moon reflected in the vision of a solitary witness, the poem's speaker--arrives." --New York Times Magazine, Featured Poem, "The Moon" "The poems are thoughtful and intelligent, frequently referencing mythology, literature, architecture; they require time to ponder, read, and re-read....Reflective souls will find much that resonates here." --San Diego Book Review "It is not hard to see why this collection won the Paz Prize for Poetry. Pintado seems a worthy successor to Octavio Paz, whose own poems owe so much to surrealism and the world of dreams." --Midst of Things "Cuban-American Pintado, recipient of the Paz Prize for Poetry, meditates on myths, legends, labyrinths, and the relationships between love, fears, and dreams in this bilingual collection." --Publishers Weekly, Fall 2015 Announcements "Translator Hilary Vaughn Dobel does an excellent job of reproducing Pintado's tone and diction; her translation stands confidently on its own, without hewing any more closely than necessary to the original. While much of the poetry in Nueve monedas does rhyme in Spanish, Vaughn Dobel has not sought to reproduce that rhyme in English, the right decision in this case because of how Pintado uses rhyme in his own work, more often to end enjambed lines than not, a subtle use more suggestive of English-language New Formalists than the more baroque Spanish-language poets of midcentury." --World Literature Today "The urgency and presence in Pintado's poems feel as if the poet's very life depended on writing them. They are possessed by a unique, intangible quality that arrests the reader and commands attention. His work is intimate yet boundless, moving easily between form

and free verse, prose poems and long poems, whether capturing the everyday streets of Miami Beach or leading us into the mythic and mystical worlds of his imagination." --Richard Blanco, author of *The Prince of Los Cocuyos: A Miami Childhood* Translated by Hilary Vaughn Dobel. *Nine Coins/Nueve monedas* is a palimpsest of love, fears, dreams, and the intimate landscapes where the author seeks refuge. These poems appear like small islands of salvation, covered with the brief splendor of the coins people sometimes grab hold of, taking the form of a very personal and often devastating map. Each poem is a song at the edge of an abyss; an illusory gold coin obtained as a revelation; a song of hope and understanding. The volume's dreamlike geography prompts the reader to revisit the thread, the labyrinth, and the Minotaur's legends. The night streets of South Beach, Alexandria, and many other cities, lit by the fading torches, seem to guide us in conversation with characters who are long dead. The Paz Prize for Poetry is presented by the National Poetry Series and The Center at Miami Dade College. This annual award--named in the spirit of the late Nobel Prize-winning poet, Octavio Paz--honors a previously unpublished book of poetry written originally in Spanish by an American resident. An open competition is held each May, when an esteemed Spanish-speaking poet selects a winning manuscript. The book will be published in a bilingual edition by Akashic Books. The winning poet will also receive a \$2,000 cash prize.

Vivid, powerful and absorbing, this is a first-person account of one of the most startling military episodes in history: the overthrow of Montezuma's doomed Aztec Empire by the ruthless Hernan Cortes and his band of adventurers. Bernal Díaz del Castillo, himself a soldier under Cortes, presents a fascinatingly detailed description of the Spanish landing in Mexico in 1520 and their amazement at the city, the exploitation of the natives for gold and other treasures, the expulsion and flight of the Spaniards, their regrouping and eventual capture of the Aztec capital.

*Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.*

*Ésta no es una historia cualquiera. En 1809, un anciano caballero que responde al nombre de Diedrich Knickerbocker desaparece del hotel en el que se hospedaba, dejando en su habitación un par de alforjas que contienen un montón de hojas manuscritas. Ante la imposibilidad de dar con su paradero, los dueños del hotel envían una nota de aviso a varios diarios con la esperanza de que alguien les ayude a encontrarlo, pues se teme por su salud mental y, además, se ha marchado sin saldar su cuenta. Es probable que por ello se vean obligados a vender el curioso legajo de las alforjas para su publicación. Y así sucedió, y el presente libro cosechó un gran éxito entre los lectores de la época, quienes no supieron hasta más adelante que nunca*

*existieron tales hospederos y jamás vivió tal historiador: tras Knickerbocker se esconde el magistral Washington Irving, en una singular y amena obra que nos lleva a los orígenes de la ciudad de Nueva York. Como señala el propio Irving en su epílogo, «quedé sorprendido al descubrir el escaso número de mis conciudadanos que eran conscientes de que Nueva York había sido con antelación Nueva Ámsterdam, que habían oído los nombres de sus primeros gobernadores neerlandeses». Un relato que verdaderamente hizo historia.*

*In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as A Room of One's Own, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call*

The only authorized edition of the twentieth-century classic, featuring F. Scott Fitzgerald's final revisions, a foreword by his granddaughter, and a new introduction by National Book Award winner Jesmyn Ward. Nominated as one of America's best-loved novels by PBS's The Great American Read. The Great Gatsby, F. Scott Fitzgerald's third book, stands as the supreme achievement of his career. First published in 1925, this quintessential novel of the Jazz Age has been acclaimed by generations of readers. The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, of lavish parties on Long Island at a time when The New York Times noted "gin was the national drink and sex the national obsession," it is an exquisitely crafted tale of America in the 1920s. Un libro fantástico y fácil de utilizar dirigido a lectores serios que deseen adentrarse en el mundo de la Biblia para entenderla mejor y vivirla fielmente en el mundo de hoy. ¿Cómo leer la Biblia? ¿Cómo interpretarla? ¿Cómo

aplicarla? Este libro salva las distancias entre los acercamientos hermenéuticos que son demasiado simples y los que son demasiado técnicos. Empieza recogiendo los principios generales de interpretación para, después, aplicar esos mismos principios a los diferentes géneros y contextos, a fin de que el lector pueda entender el texto bíblico y aplicarlo a su propia situación. Duvall y Hays sugieren que los textos bíblicos no significan lo que el lector quiere. Los autores bíblicos tenían en mente un significado concreto, y Dios nos ha dado las herramientas necesarias para llegar a ese significado. Este libro contiene ejercicios prácticos que nos guían a través del proceso de interpretación tanto del Antiguo como del Nuevo Testamento, y hace un énfasis especial en la aplicación de las enseñanzas bíblicas a la vida real. El propósito de este libro es, fundamentalmente, dar esperanza a aquéllos que atraviesan por la misma situación que una vez vivió la autora Darielys Tejera. Pretende además sacar a la luz una historia con la cual el lector pueda identificarse, y crear una conciencia entre los demás de que el suicidio sí ocurre, y que cuando ocurre, la víctima nunca está sola porque hay muchos que pasan por lo mismo. A algunos se les dan talentos, mientras que otros tienen que encontrar por sí solos su razón de ser. Mis talentos los descubrí. Mi razón de ser la tuve que buscar hasta que la encontré. Mi razón de ser era y es ayudar a otros. Por eso decidí escribir este libro. Creo que todos estamos en este mundo para, en un momento u otro, de una manera o otra, salvar a alguien, aunque no siempre

***From the daring Peruvian essayist and provocateur behind Sexographies comes a fierce and funny exploration of sex, pregnancy, and motherhood that delves headlong into our fraught fascination with human reproduction. Women play all the time with the great power that's been conferred upon us: it's fun to think about reproducing.***

*Or not reproducing. Or walking around in a sweet little dress with a round belly underneath that will turn into a baby to cuddle and spoil. When you're fifteen, the idea is fascinating, it attracts you like a piece of chocolate cake. When you're thirty, the possibility attracts you like an abyss. Gabriela Wiener is not one to shy away from unpleasant truths or to balk at a challenge. She began her writing career by infiltrating Peru's most dangerous prison, going all in at swingers clubs, ingesting ayahuasca in the Amazon jungle. So at 30, when she gets unexpectedly pregnant, she looks forward to the experience the way a mountain climber approaches a precipitous peak. With a scientist's curiosity and a libertine's unbridled imagination, Wiener hungrily devours every scrap of information and misinformation she encounters during the nine months of her pregnancy. She ponders how pleasure and pain always have something to do with things entering or exiting your body. She laments that manuals for pregnant women don't prepare you for ambushes of lust or that morning sickness is like waking up with a hangover and a guilty conscience all at once. And she tries to navigate the infinity of choices and*

*contradictory demands a pregnant woman confronts, each one amplified to a life-and-death decision. While pregnant women are still placed on pedestals, or used as political battlegrounds, or made into passive objects of study, Gabriela Wiener defies definition. With unguarded humor and breathtaking directness, Nine Moons questions the dogmas, upends the stereotypes, and embraces all the terror, beauty, and paradoxes of the propagation of the species. Praise for Sexographies “No other writer in the Spanish-speaking world is as fiercely independent and thoroughly irreverent as Gabriela Wiener. Constantly testing the limits of genre and gender, Wiener’s work as a cronista (which roughly translates, but is by no means a direct synonym, of nonfiction writer) has bravely unveiled truths some may prefer remain concealed about a range of topics, from the daily life of polymorphous desire to the tiring labor of maternity.”*

*—Cristina Rivera Garza, author of The Iliac Crest “This collection of essays [opens] on the outskirts of Lima, jumps to a swinger’s party in Barcelona, and next a squirt expert’s apartment. This book can feel psychologically hazardous to read; it pushes you to answer the questions Wiener asks herself: Would I?*

*Could I? Will I?" —Angela Ledgerwood, Esquire Best Books of 2018 "These are essays of unabashed honesty and uncommon freedom of mind, bravely reported and beautifully composed. I hadn't known how hungry I'd been for this book, how I'd needed it and wanted other books to be it.*

*Sexographies is an antidote and a revelation, and Gabriela Wiener is a brilliant documenter of sex and life as they really are." —Kristin Dombek, author of The Selfishness of Others*

*"In her native Peru, Gabriela Wiener has a reputation as a gonzo journalist who takes an active role in whatever subject she*

*—Sarah Murdoch, Toronto Star "Reading*

*Gabriela Wiener is a joy. Over the years, her work has made me cry, laugh, hurt, and most importantly, dream. Her essays are daring, intimate, and honest, containing the self-awareness of a poet and the sharp focus of a marksman. I'd follow her anywhere." —Daniel Alarcón, author of At Night We Walk in Circles*

*"One of the most interesting writers of this generation is Gabriela Wiener, a Peruvian journalist best known for her high-spirited explorations of female sexuality.... Wiener is witty and fast-paced; many of her experiences, sexual and otherwise, are hard-won, territories explored and sometimes conquered, despite her neurotic misgivings, with courage and aplomb. Part of her appeal lies in the fact that she sometimes writes about sexual topics that have not been well explored, especially by women, and a sense of incredulity is part of the pleasure of reading her work. 'Is she really going to do that?' the reader wonders. 'Is she really going to write (and so openly) about doing that?' And then she does, and there's a slight but perceptible shift in the world because she did." —Lisa Fetchko, Los Angeles Review of Books*

*"With sizzling prose and journalistic attentiveness, Wiener honors the no-clothes rule. She exposes her readers to not only her body, but*

*also to the neuroses, fears, and fantasies that come with it. True to the first-person style of gonzo journalism, each of Wiener's fifteen transgressive crónicas pull readers into penetrative commentaries on infidelity, abortion, and threesomes, not to mention the ever-elusory 'Ninja Squirt.'... Sexographies strikes the delicate balance between carnal and curious.... It [expands] the meaning of what pleasure in life can be, sexual or otherwise." —Madeline Day, The Paris Review*

*"What Peruvian essayist and "gonzo" journalist, Wiener, does in this collection is endlessly fascinating. Whether experiencing sexual subcultures or an ayahuasca trip, she uses herself as the point of departure to delve into the infinite manifestations of being human." — Keaton, Brazos Bookstore (Houston, TX), Best Nonfiction Books of 2018*

*"Gabriela Wiener is a Peruvian sex writer, and Sexografias is a book of her collected essays. However, she doesn't just stay on the carnal, and uses her explorations of egg donation, swingers parties, cruising, and squirting as channels into meditations on motherhood, death, and immigration, all while staying sharp and funny and wild." — Alejandra Oliva, Remezcla*

That's exactly what the intrepid explorers in Jules Verne's *Five Weeks in a Balloon* set out to do in this novel, an early entrant in the literature describing European exploration of Africa. As part of the larger, ongoing movement throughout Latin America to reclaim non-Hispanic cultural heritages and identities, indigenous writers in Mexico are reappropriating the written word in their ancestral tongues and in Spanish. the Western societies with which these peoples coexist. To contribute to this process and serve as a bridge of intercultural communication and understanding, this groundbreaking, three-volume anthology gathers works by the leading generation of writers in thirteen Mexican indigenous languages: Nahuatl, Maya, Tzotzil, Tzeltal, Tojolabal, Tabasco Chontal, Purepecha, Sierra Zapoteco, Isthmus Zapoteco, Mazateco, Ñahñu, Totonaco, and Huichol. Volume Three contains plays by six Mexican indigenous writers. Their plays appear first in their native language, followed by English and Spanish translations. Montemayor and Frischmann have abundantly annotated the Spanish, English, and indigenous-language texts and added glossaries and essays that introduce the work of each playwright and discuss the role of theater within indigenous communities. These supporting materials make the anthology especially accessible and interesting for nonspecialist readers seeking a greater understanding of Mexico's indigenous peoples.
