Join the adventures of Arco Dakota and Rosalyn Le Bow as they guide your students along the path to successful string playing with the most exciting, yet systematic and logically sequenced instruction of its kind.

Resources that serves as an outstanding reference source for music-related books, recordings, CD-ROMs, software, videos, movies, magazines, games, teaching aids, catalogs, and directories (including a directory of national sources for finding a qualified teacher).

(Amadeus), Itzhak Perlman, Kennedy, Midori, and Sarah Chang were among Dorothy DeLay's students during her five decades as a violin teacher at Juilliard. For more than ten years, the author was granted access to DeLay's classes and lessons at Juilliard and the Aspen Music Festival and School, and this book reveals DeLay's deep intuition of each student's needs. An exploration of the mysteries of teaching and learning, it includes a feast of anecdotes about an extraordinary character.

Lully) * Minuet in G (L. van Beethoven) * Minuet (L. Boccherini)

Were you just Googling this: Help! My child hates school?Is your child depressed, unmotivated, resentful, or angry when its time to go to school each morning?Does your child come home from school and share stories of being bullied, made fun of, or just plain feeling unheard or understood? Does your child possess unusual talents that go unrecognized or unused at school, worse, is he or she seen as strange, weird, or abnormal by teachers or peers? If you answered yes to any of these questions, or your child just plain hates to go to school, help has arrived. Dr. Mara Linaberger tackles the real issues behind why your kid hates school and uncovers ways to turn the situation around, allowing you to craft a plan to get your child out of misery and back to thriving.Help! My Child Hates School is dedicated to frustrated parents everywhere who are serious about their child's happiness and are ready to take action. Along the way, Dr. Linaberger, an educational innovator with over 25 years of experience, will share stories, tips, and tricks to help you instill a love for learning in your child!If your child cant last another day in school, and youve had it with the fighting, crying, and coering, Help! My Child Hates School is for you. Join the thousands of parents who are taking back their right to co-create an amazing future for their child and tackle all of your fears and questions along the way!

The bestselling authors of the classic Difficult Conversations teach us how to turn evaluations, advice, criticisms, and coaching into productive listening and learning We swim in an ocean of feedback. Bosses, colleagues, customers—but also family, friends, and in-laws—they all have “suggestions” for our performance, parenting, or appearance. We know that feedback is essential for healthy relationships and professional development—but we dread it and often dismiss it. That’ s because receiving feedback sits at the junction of two conflicting human desires. We do want to learn and grow. And we also want to be accepted just as we are right now. Thanks for the Feedback is the first book to address this tension head on. It explains why getting feedback is so crucial yet so challenging, and offers a powerful framework to help us take on life’ s blizzard of off-hand comments, annual evaluations, and unsolicited advice with curiosity and grace. The business world spends billions of dollars and millions of hours each year teaching people how to give feedback more effectively. Stone and Heen argue that we’ ve got it backwards and show us why the smart money is on educating receivers—in the workplace and in personal relationships as well. Coauthors of the international bestseller Difficult Conversations, Stone and Heen have spent the last ten years working with businesses, nonprofits, governments, and families to determine what helps us learn and what gets in our way. With humor and clarity, they blend the latest insights from neuroscience and psychology with practical, hard-headed advice. The book is destined to become a classic in the world of leadership, organizational behavior, and education.

This book discusses assessment and its role in teaching and learning music in the classroom. For improving learning and raising standards, it puts the case for formative assessment, day-by-day, rather than summative assessment at the end of key stages. The advice is relevant to classroom and instrumental teachers, and the academic community.

A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it... Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they had perfect school marks and exceptional musical abilities. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a screaming child who would sooner freeze outside in the cold than be forced to play the piano? Battle Hymn of the Tiger Mother is a story about a mother, two daughters, and two dogs. It was supposed to be a story of how Chinese parents are better at raising kids than Western ones. But instead, it's about a bitter clash of cultures, a fleeting taste of glory, and how you can be humbled by a thirteen-year-old. Witty, entertaining and provocative, this is a unique and important book that will transform your perspective of parenting forever.

*Over the years, many examination pieces have captured the imagination of teachers and students, but these stars of one syllabus are often forgotten. This is a collection of the best Grade 4 (Early Intermediate) pieces ever. Titles include: Knight Rupert (Schumann) * Rondo in F (Mozart) * Waltz (Heller) * Sonata in G, first movement (Haydn) and more.*

Becker) * Gavotte in D Major (J. S. Bach) * Bourr?e (J. S. Bach) This title is available in SmartMusic.*

This is a very popular violin method which features a colorful and creative assortment of solos and studies for the beginning student. Frank Zucco is amaster teacher who has taught music to thousands of beginning students. His authoritative knowledge and experience are clearly shown in this fine method. The Mel Bay Violin Method is a modern approach, teaching sound fundamentals of violin performance. Topics covered include time signatures, reading music, pizzicato, articulations, and more. By the time the student has finished this book, he or she will have played in all major and minor keys with up to four accidentals in the key signature. Several of the tunes include accompaniment chords, and others are duets for teacher and student. Third position is also introduced with several practice tunes. The video is 116 minutes and covers the first 77 pages. Includes access to online video.

This is the full eBook version of Violin Basics (Pupil's Book) in fixed-layout format. Violin Basics is a landmark method by two of the leading figures in music education. Comprising pupil's tutor book, teacher's accompaniment book, and online audio, Violin Basics provides everything you need to get playing. This Pupil's Book starts at absolute beginner level and progresses to Grade 1 level. The step-by-step technical progression is supported by fun exercises and warm-ups, a wide range of imaginative repertoire, music theory, and general musicianship activities. Audio of all the accompaniments are available online.

***NOW A MAJOR FILM** CHLOE GRACE MORETZ 'Just listen . Adam says with a voice that sounds like shrapnel.' I open my eyes wide now. I sit up as much as I can. And I listen. 'Stay,' he says. Everybody has to make choices. Some might break you. For seventeen-year-old Mia, surrounded by a wonderful family, friends and a gorgeous boyfriend decisions might seem tough, but they're all about a future full of music and love, a future that's brimming with hope. But life can change in an instant. A cold February morning . . . a snowy road . . . and suddenly all of Mia's choices are gone. Except one. As alone as she'll ever be, Mia must make the most difficult choice of all. Haunting, heartrending and ultimately life-affirming, If I Stay will make you appreciate all that you have, all that you've lost - and all that might be. Includes interviews with the stars of the film, Chloe Moretz and Jamie Blackley.*

This picture-book biography of violin virtuoso Itzhak Perlman will inspire young readers to follow the melody within themselves A 2021 Schneider Family Book Award Young Children Honor Book Before becoming one of the greatest violinists of all time, Itzhak Perlman was simply a boy who loved music. Raised by a poor immigrant family in a tiny Tel Aviv apartment, baby Itzhak was transformed by the sounds from his family's kitchen radio—graceful classical symphonies, lively klezmer tunes, and soulful cantorial chants. The rich melodies and vibrant rhythms spoke to him like magic, filling his mind with vivid rainbows of color. After begging his parents for an instrument, Itzhak threw his heart and soul into playing the violin. Despite enormous obstacles—including a near-fatal bout of polio that left him crippled for life—Itzhak persevered, honing his extraordinary gift. When he performed on the Ed Sullivan Show sat only 13, audiences around the world were mesmerized by the warmth, joy, and passion in every note. Gorgeously illustrated with extensive back matter, this picture-book biography recounts Itzhak's childhood journey—from a boy with a dream to an internationally acclaimed violin virtuoso.

In Le Corbusier's Formative Years we learn what made Le Corbusier the person, and the designer that he was. Using twenty years of research, H. Allen Brooks has unearthed an incredible wealth of documents that show every facet of the formative years of this influential architect. "There is much in this fine volume for anyone interested not just in architecture, but in the roots of human creativity and in the origins of the most powerful artistic current of our century. . . . This book is a life's work of scholarship. It has been well spent."—Toronto Globe and Mail

In eleven chapters, this book orients the reader the concepts and practices of psychological report writing. New topics include the rationale of the psychological report, the distinctions between testing reports and assessment reports, an examination of the characteristics of the consumers of psychological reports, and how to meet their needs. For psychologists, consultants, and all those interested in psychology.

The Voice of the Violin by Andrea Camilleri is the fourth in the bestselling Inspector Montalbano series. The commissioner kept looking at him with an expression that combined contempt and commiseration, apparently discerning unmistakable signs of senile dementia in the inspector. "I'm going to speak very frankly, Montalbano. I don't have a very high opinion of you." "Nor I of you," the inspector replied bluntly. Montalbano's gruesome discovery of a naked young woman suffocated in her bed immediately sets him on a search for her killer. Among the suspects are her aging husband, a famous doctor; a shy admirer, now disappeared; an antiques-dealing lover from Bologna; and the victim's friend Anna, whose charms Montalbano cannot help but appreciate. But it is a mysterious, reclusive violinist who holds the key to this murder . . . The Voice of the Violin is followed by the fifth novel in this compelling mystery series, Excursion to Tindari.

The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

Hana has signed up to play the violin at the talent show, even though she's only had three lessons. Her brothers predict disaster. But Hana practices and practices, inspired by her grandfather, or Ojii-chan, who played the violin every day when she visited him in Japan. As Hana takes the stage, doubt is all she can hear, until she recalls her grandfather's words of encouragement, and shows the audience how beautiful music can take many forms.
