

Wiccapedia A Modern Day White Witch S Guide Moder

The curious history of magic and the powers of the occult, witchcraft, ritual, and the imagination, from their earliest appearances to modern times

A Book of Shadows is a journal where witches record their spells—and this keepsake one, by the authors of Wiccapedia, accompanies that stylish guide. It features basic information distilled from Wiccapedia on spells, key herbs and crystals, moon phases and magick, and more. In the journal portion, witches can note the details of their spellcraft, including the date, ingredients, phase of the moon . . . and results.

An accessible in-depth guide to Celtic water lore, including spells, rituals, water spirits, and merfolk
Let Annwyn Avalon, a practicing water witch herself, take you into the world of water magic. The water magic and lore in this book focuses on the Celtic tradition, but draws on other water magic traditions as well, and features rainwater, as well as lakes, rivers, oceans, canals, swamps, and other watery locations, together with the folk and magical customs that have been and are still practiced at these places. The book teaches the reader how to set up a water altar at home, how to connect with water spirits, and how to gather or create water witch tools. Readers are encouraged to visit local water sites but will also find an abundance of material to perform at home. Included are practical examples, visualizations, and exercises so any reader can start to take up spell work and establish their spiritual connection to water.

An eyewitness account of the Salem Witch Trials

Do you find yourself mesmerized by the beauty and power held within a simple crystal? Would you love to know how to use that power in your magic practice? If you answered yes to either of these questions, then you are going to want to continue reading. Crystals are naturally occurring crystalline structures. Every crystal out there is created through different means, which makes them even more special. That is also why there are some crystals that are rarer than others because they require such specialized conditions to be formed. Crystals have been used for centuries in many different ways. The most common is to use them for healing purposes. For the entire existence of the human race, we have fallen in love with crystals and other types of stones. The use of crystals dates back to the beginning of humankind even though we don't have a way to know exactly how they used them. Beads, stones, and crystals have been discovered inside of ancient graves the world over. Ancient beads were carved out of mammoth ivory, and these have been found in graves in Sungir, Russia that dates back 60,000 years to the Upper Paleolithic period, as well as beads that had been created from fossilized shark teeth and shells. The Ancient Greeks had quite a few properties, and names for crystals, and most of the names they are used are still used today. For example, crystal is the Greek word for ice because when they discovered clear quartz, they thought it was frozen water so solid that it would never/unfreeze. Eastern cultures often meditate with crystals. They pick out crystals that match the intention of their meditation. See, everything on Earth has a vibration, and crystals are no exception. Different crystals vibrate at different levels, and when you carry one with you, it helps to align you with its vibration. This is the main reason why they are used in spell work. It would make your intention come to fruition. This book is here to discuss this and much more. You will learn: The most commonly used crystals in magic Rituals you can perform using your crystals The best way to pick out your crystals Crystal spells that you can perform What crystal magic is The tools needed to achieve your goals ...And much more. Crystals are beautiful and powerful. They can be used as simple decorations in your home, and they can be used to improve your life. They are one of the easiest metaphysical items to bring into your life. Jewelry is made from them, and you can find them in all shapes and sizes. If you are serious about taking your Wiccan practice to the next level, then you want to get this book. You will learn so much about crystals that you will be able to bring their power into your life and your practice. Don't wait any longer. Grab your copy now!

Modern Enquiry Into the Nature of Witchcraft

At her core, the green witch is a naturalist, an herbalist, a wise woman, and a healer. She embraces the power of nature; she draws energy from the Earth and the Universe; she relies on natural objects like stones and gems to commune with the land she lives of; she uses plants, flowers, oils, and herbs for healing; she calls on nature for guidance, and she respects every living being no matter how small. In this book, you'll find sections for working with stones, candles, herbs, and sigils, along with personal and reflective writing space. This book helps you: Cast your green circle - Begin with simple directions for preparing your own sacred space for rituals, ceremonies, and solitary magical connection. Within your witchy kitchen - Discover the everyday essentials for any green witch's kitchen and the tools you'll need to create balms, salves, oils, and elixirs. Seek or be guided - Use this grimoire to look up the herb you need, or flip through it at random to catch information the universe is directing you to find. The book is loaded with knowledge and will be an invaluable tool in your practice of green witchcraft. Buy now.

Wicca Herbal Magic will give you the basics in a variety of different categories. You will be able to start your journey towards becoming a green witch much more easily.

In their follow-up to the popular Wiccapedia and other books in the Modern Witch series, Shawn Robbins and Leanna Greenaway offer readers an authoritative, in-depth guide to crystal magick and spells. Everything You Need to Know to Start Your Wiccan Journey: Learn about the history and practice of the Wiccan tradition, discover the incredible power of spellcasting for health, wealth and happiness, and explore the magical side of herbs & plants to connect with nature, as the earliest shamans did in the ancient world. The world we live in today seems wholly distant from the one our ancestors lived in—a world where humans and Nature were at one, their existence intertwined in the natural cycles of life. Wicca teaches us to appreciate the Earth, celebrating the intricate changes in the seasons and everything they bring. As you'll discover in this book, Wicca is a reincarnation of the very earliest religions, practiced for millennia before the advent of Christianity. Wiccans celebrate and share many of the same beliefs our ancestors held, with practices that honor the old ways while being compatible with contemporary life. For thousands of years, our ancestors believed that the Elements - Earth, Air, Fire, and Water - were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest particular outcomes. Through ritual and magic, Wiccans interact with the primal forces of the Elements in a variety of ways, calling upon them for assistance in the transformation of their realities. Interest in Wicca, Witchcraft, and contemporary magic has increased exponentially over the past few decades. The dramatic rise of this Nature-based religion is due at least in part to the Internet—just twenty years ago, people curious about these subjects often had little access to credible information, especially those without a good New Age or Occult bookstore nearby. But the appeal of Wicca is also growing in tandem with the increasing complexities of our modern, high-pressure mainstream society. You will discover: - The origin and history of Wicca and Witchcraft - The Wiccan holidays of the Wheel of the Year; the Sabbats and the Esbats - Core elements of Wiccan ritual - Principles of magic both ancient and modern - Choosing your Wiccan path - An overview of Wiccan covens, circles, and solitary practice - Magical tools & how to use them - Tips & guidelines for successful spellcasting - The phases of the moon & their importance - Spells for abundance, wealth, health, love and happiness - And much more! Whether you're just looking to learn more about the Wiccan way of life, or you want to start practicing Wicca yourself, you will have a solid understanding of the essence of Wicca after reading this book. Do you want to bring some magic into your kitchen? In this book, you'll find everything you need to know to turn your home into a magical place, perfect for practicing witchcraft. Includes more than 100 delicious recipes, simple spells, and much more. Historically, food has always been associated with magic. Cooking and magic have a lot in common: they combine the use of various elements and natural forces to create something new, the purpose of which is to improve the well-being of the operator. And it is precisely from the union of food and witchcraft that the "Magic in the kitchen" is born. This magical art, which until recently only interested the Wiccans, is now also practiced by people who simply cook with an attitude of respect for the Earth and understand the energy of food preparation. The Kitchen Witch combines over 100 carefully selected recipes with a range of information that will change your approach to cooking for every occasion: whether you cook for yourself, for your family or for a convivial banquet with friends. The intent of this book is simply to provide practical information, useful for anyone with any spiritual background and any level of cooking skills. You'll find plenty of information for both beginners and experienced culinary wizards, including: How the magical energies of natural foods work to help you manifest your goals What are the tools of food magic What rituals of cooking and eating to follow How to increase your well-being How to choose magically powerful foods to introduce into your routine Simple recipes, with many examples and easy to follow instructions and more more! At the end of this book, you will have a solid knowledge base to begin or improve your practice of culinary magic. Don't you think it's time to add some magic to your kitchen? Press the buy button! Would you like to learn everyday Witchcraft on your own, but you don't have more than 10 minutes a day? The solitary Witch's Green Book is a brief but complete manual of traditional witchcraft which can be useful to beginners and intermediate level Witches who practice mostly alone.
