Paranormal Factor: Supernatural Witness (Anthology) This book is a collection of personal accounts from the "Supernatural Witness" series. An additional witness account has been added. "The Purchase" is a recent unreleased report about a haunted home. In addition there are updates and additional information added to our previous cases. I have agreed to protect the identity of those that have shared their experiences of paranormal phenomena. Some or all of those that I interview have requested to remain anonymous and I have honored their wishes. The Paranormal Factor: A Variable that Doesn't Abide by the Rules of Science. The universe has order. It is comprised of scientific principles and formulas – that is, until you add the paranormal factor; a variable that doesn't abide by the rules of science. When evidence of the spiritual realm is scarce because it's random, that doesn't disprove a paranormal occurrence. If the experience is vivid, distressing and memorable – those that experience these haunting events become more than just mere witnesses to the supernatural. The collection of witness accounts you are about to read will surprise you, and perhaps you will have doubts as to their legitimacy. These events are recorded in the words of the person that experienced them. Many different individuals have been interviewed for this anthology created from the accounts documented in the seven issues of Supernatural Witness. In addition, this anthology includes updated information or follow-ups from the witnesses. There is also a new witness account, "The Purchase" which has never been released. Coco meets Stranger Things with a hint of Ghostbusters in this action-packed supernatural fantasy. For Lucely Luna, ghosts are more than just the family business. Shortly before Halloween, Lucely and her best friend, Syd, cast a spell that accidentally awakens malicious spirits, wreaking havoc throughout St. Augustine. Together, they must join forces with Syd's witch grandmother, Babette, and her tubby tabby, Chunk, to fight the haunting head-on and reverse the curse to save the town and Lucely's firefly spirits before it's too late. With the family dynamics of Coco and action-packed adventure of Ghostbusters, Claribel A. Ortega delivers both a thrillingly spooky and delightfully sweet debut novel.

Everyone thought Stoner's Boy was dead. Seckatary Hawkins and the other boys saw him take that terrible fall into the cliff cave abyss. But the masked marauder known as the Gray Ghost is back -- running the river and causing mischief... or is he? It's not altogether clear whether or not someone from the old Red Runner gang, either Androfski the Silent or Jude the Fifth, is masquerading as the Fair and Square Club's old archenemy to hide from the law. Plus, there's a new boy in town named Simon Bleaker who seems just as rotten and wily as Stoner's Boy ever was. Will Seck and his friends be able to solve the mystery in time and bring peace back to the riverbank? Before Nancy Drew and the Hardy Boys, Seckatary Hawkins and his friends were solving mysteries and thrilling readers with tales of adventure, loyalty, and courage. One of the biggest fans of the series was author Harper Lee, and she ends her masterpiece *To Kill a Mockingbird* with a quote from *The Gray Ghost*. Now, the tales of the Fair and Square Club's encounters with the river renegade are back in print and ready to ignite the imaginations of devoted fans and new readers of all ages.

Everlasting Love With The Ghost King

From the Silent Era Through 1965: Third Edition

The bewitching tenth-anniversary edition of the classic children's novel *Coraline* by Neil Gaiman, featuring spellbinding illustrations from Chris Riddell and an exclusive new introduction by the author 'I was enthralled' - Philip Pullman There is something strange about Coraline's new home. It's not the mist, or the cat that always seems to be watching her, nor the signs of danger that Miss Spink and Miss Forcible, her new neighbours, read in the tea leaves. It's the other house – the one behind the old door in the drawing room. Another mother and father with black-button eyes and papery skin are waiting for Coraline to join them there. And they want her to stay with them. For ever. She knows that if she ventures through that door, she may never come back. This deliciously creepy, gripping novel is packed with glorious illustrations by Chris Riddell, and is guaranteed to delight and entrance readers of all ages.

Three of our contributing editors brought in amazing tales. Barb Goffman presents Jason's Half's "The Last Ferry," Cynthia Ward brings us "Quinn's Deal," by L. Timmel Duchamp, and Michael Bracken offers "A Reasonable Expectation of Privacy," by N.M. Cede ñ o. Two are mysteries and two are science fiction. I leave it to you to figure out

We have three fantasies this time, too—Larry Tritten returns with a story featuring a djinn and a man with a hankering for travel. Everil Worrell has a date with Death. And in *Curios*, a short story collection by Richard Marsh, we find 7 short stories featuring a pair of rival curio collectors—with some most unusual items! And, of course, there are some classic tales—A Sharper's Downfall is a mystery novel featuring Nick Carter, Stephen Wasylyk has a vintage mystery short, and we have rip-roaring science fiction tales from Paul W. Fairman and Malcolm Jameson. And of course we couldn't forget a solve-it-yourself puzzler from Hal Charles. (Yes, it's a Halloween solve-it-yourself. I should have included it in one of the October issues, but messed up. Doh! You'll just have to live with it.) Here is the complete lineup: Mysteries / Suspense: "The Halloween Costume Caper," by Hal Charles [Solve-It-Yourself Mystery] "Ten Dollar\$ a Week," by Stephen Wasylyk [short story] "A Reasonable Expectation of Privacy," by N.M. Welcome to Cherry Hills, where small-town life can be deadly. This box set includes books seven through nine of the Cozy Cat Caper Mystery series. If you enjoy light, fun, cozy mysteries without excessive violence, bad language, or graphic scenes, then grab this three-book collection today and join Kat Harper and her two crime-fighting felines in their quest for justice! Halloween in Cherry Hills (Book 7) Halloween has arrived in Cherry Hills, Washington—the worst time of the year for a black cat to disappear. Coming home to discover a beloved fur baby has gone missing is every pet parent's worst nightmare. But that's exactly what happens to Cherry Hills High School teacher Tracy Montgomery. The question is, did Midnight escape, or was he catnapped? With all evidence suggesting the friendly black cat didn't sneak out on his own, Kat Harper and her fellow Furry Friends Foster Families animal rescue volunteers take it upon themselves to locate the elusive feline and reunite him with his frantic owner. Unfortunately, their only leads turn out to be a scrap of paper and the neighborhood witch's cryptic vision. But the lack of clues isn't going to deter Kat. Halloween is fast approaching, and giving up now could very well mean letting an animal thief triumph. Stabbed in Cherry Hills (Book 8) Job hunting can be murder. Kat Harper wants nothing more than to forget about her disastrous job interview, but that's pretty hard to do when your interviewer turns up dead. Now Kat's search for employment has turned into a search for a killer. As Kat soon discovers, she has her work cut out for her. Leo Price left behind quite a few enemies, including a struggling former business partner and a bevy of ex-girlfriends. But the amateur sleuth isn't going to let the abundance of suspects discourage her. While she labors to find temporary accommodations for Stumpy, Leo's gray Manx cat, she's also sniffing out as many clues as she can. She'd better hope the wrong person doesn't catch wind of her investigation though, or it may be up to her furry feline pals to save her from tragedy once more. Thanksgiving in Cherry Hills (Book 9) Thanksgiving is a time for crime in Cherry Hills, Washington. Kat Harper expects her biggest Thanksgiving challenge to be coming up with an edible vegan pumpkin pie, but that all changes when a woman is mugged outside her apartment building. Unfortunately, Sylvia Garcia isn't the only victim of this cruel act. Sylvia had only just finished food shopping on behalf of a local homeless shelter before she was attacked, and the thief made off with all her spoils. Now it's questionable whether the less fortunate residents of Cherry Hills will have much to be thankful for this holiday season. Lucky for them, Kat's on the case. With a heaping scoop of amateur sleuthing, a pinch of determination, and a dollop of assistance from her two justice-seeking felines, Kat won't stop investigating until she's identified the guilty party. And, just maybe, she can help to put a family back together in the process. All of the Cozy Cat Caper Mystery books can be enjoyed as standalones but will be better appreciated as part of the series. The books are light, fun cozy mysteries featuring an animal-loving female amateur sleuth, lovable and not-so-lovable quirky characters, and a page-turning mystery that needs solving.
