Listing all of your explicit (openly stated) assumptions and also finding out your implicit (implied, but not yet openly stated) assumptions is critical. Study of the history of Science shows that this has not yet been done well.

Read Book Workshop
Calculation And Science For Iti
Fitter

Some really important work is needed here. So far much of Science has been built upon shifting sand. Ever since the great discoveries of the early 1900s, where it became obvious that emotional thoughts could

Read Book Workshop
Calculation And Science For Iti
Fitter

really influence the state of waves and particles, then the reality of probability at the foundation of matter, changes should have been made in how we taught ourselves about Science. When Einstein showed

Read Book Workshop
Calculation And Science For Iti
Fitter

us that mass and energy were just two states of the same thing, more changes in teaching about the founding assumptions of interactions was needed. When he then showed us (proven by others) that gravity distorted

Read Book Workshop
Calculation And Science For Iti
Fitter

space, even more interactions came to light. In just about every field of Science, new interactions are showing up all of the time. The supposed of leaders of scientific societies have responded by making the

Read Book Workshop
Calculation And Science For Iti
Fitter

impossibility of some interactions a definite Dogma that cannot be discussed, let alone questioned. The study of Philosophy, within which the spirituality of Religions is found, has been seriously damaged by

Read Book Workshop
Calculation And Science For Iti
Fitter

most experts who try to use the logical processes of Science in a field that is all about non-logical processes. Logic can only be a minor tool here, when you start studying thoughts, emotions, out-of-body experiences, belief

Read Book Workshop
Calculation And Science For Iti
Fitter

processes and effects, etc. In the Far East, some gurus and avatars are doing totally non-logical things, but that is not being properly studied by many scientists; because these things are non-logical and cannot be

Read Book Workshop
Calculation And Science For Its
Fitter

true - therefore cannot be studied. This latter choice is certainly anti-Science, but is pervasive in many fields worthy of study. If it is supposedly not true, than that should be shown to be a newly-defined reality.

Read Book Workshop
Calculation And Science For Iti
Fitter

Only when Theology, as well as Philosophy as a whole, start to use non-logical approaches to study the field of non-logical processes will we see huge strides in this area. You are a spiritual being having a human

Volcanoes(Minor League Team in Salem Oregon)This book gets rid of all the myths and misunderstandings of the baseball swing. For the first time in 120 years of baseball, we now fully understand the swing from a precise analytical perspective - - and here it is!There are two books: Book 1 (this

Read Book Workshop

Calculation And Science For Iti Fitter

book) is the stand-alone manual written specifically (in baseball language) for fans, ballplayers, and coaches of all levels, including Little League coaches and their dads. It carefully walks you through the swing telling you what is happening, how, and why. It's unlike anything you

Read Book Workshop

Calculation And Science For Iti Fitter

have ever seen in the baseball literature. You'll be amazed. For FANS, certain chapters are written specifically for you, so you (1) know what to watch for during a game; (2) how to classify batters into different styles; and (3) the final chapter describes the styles of different Home
