getting a government job often involves preparing complex applications or specialized resumes which include the "resumix." One complication of the federal hiring process is that the resume used for federal employment is not the same as the resume used to obtain civilian employment. This book shows examples of effective federal resumes and "resumix" that have worked for real people. The book doesn't simply "tell how" to write the resumix or federal resume; it actually "shows how" to write effective federal resumes in sample after sample related to multiple fields. This book will do a great deal to make the federal hiring process understandable as it illuminates one of the most complex features of getting a government job: writing the federal resume or resumix. In addition to the federal resume, application for federal employment can be made by preparing

This volume shows how to (1) design and manage more efficient and effective pay components for compensation systems and (2) better communicate the what, why, when, where, and how of the system so that employees can understand and accept their pay system as a fair return for effort expended. A new chapter discusses two critical subjects: pay for performance and Total Quality Management (TQM). If the time has come for your organization to develop or improve its pay system, this book is for you.
